Huhndorf,2015-01-26 Since the 1800 s many European Americans have relied on Native Americans as models for their own national racial and gender identities Displays of this impulse include world s fairs fraternal organizations and films such as Dances with Wolves Shari M Huhndorf uses cultural artifacts such as these to examine the phenomenon of going native showing its complex relations to social crises in the broader American society including those posed by the rise of industrial capitalism the completion of the military conquest of Native America and feminist and civil rights activism Huhndorf looks at several modern cultural manifestations of the desire of European Americans to emulate Native Americans Some are quite pervasive as is clear from the continuing if controversial existence of fraternal organizations for young and old which rely upon Indian costumes and rituals Another fascinating example is the process by which Arctic travelers went Eskimo as Huhndorf describes in her readings of Robert Flaherty s travel narrative My Eskimo Friends and his documentary film Nanook of the North Huhndorf asserts that European Americans appropriation of Native identities is not a thing of the past and she takes a skeptical look at the tribes beloved of New Age devotees Going Native shows how even seemingly harmless images of Native Americans can articulate and reinforce a range of power relations including slavery patriarchy and the continued oppression of Native Americans Huhndorf reconsiders the cultural importance and political implications of the history of the impersonation of Indian identity in light of continuing debates over race gender and colonialism in American culture The Mystic Heart Wayne Teasdale,2010-10-06 Drawing on experience as an interreligious monk Brother Wayne Teasdale reveals the power of spirituality and its practical elements He combines a profound Christian faith with an intimate understanding of ancient religious traditions **The Kingdom of God and the Yellow Barn Church** Doug Hickerson,2006 All his life author Doug Hickerson repeated Thy Kingdom come in the Lord s Prayer Yet God s kingdom seemed irrelevant to

him even as a seminary student and a church layman Hickerson was a liberal Protestant active in a mainline denominational church and in community causes He became curious about spiritual paths to God beyond the Church While in his midfifties and still active in his church he started a spiritual journey that included exploring other religions and spirituality Steeped in the popular New Age spirituality of the 1990s he wrote about the coming new millennium He felt that humankind was evolving spiritually and was headed for an enlightened utopia the Age of Aquarius His humanistic visions ended abruptly when he met families who belonged to the yellow barn church in his village In their fellowship it became clear that God not man is in control and lovingly rules our destiny He awakened to the Kingdom of God present now on earth with its fulfillment yet to come At age sixty eight Hickerson s life changing experience in the evangelical Church and in God s kingdom is deeply personal and grounded in the Bible and solid theology The warm and at times humorous narrative in *The Kingdom of God and the Yellow Barn Church* details God s providence and promptings over Hickerson s lifetime [Imagine Nation](#) Peter Braunstein, Michael William Doyle, 2013-07-04 Amidst the recent flourishing of Sixties scholarship *Imagine Nation* is the first collection to focus solely on the counterculture Its fourteen provocative essays seek to unearth the complexity and rediscover the society changing power of significant movements and figures [Manual for the Peacemaker](#) Jean Houston, 1995-03-01 A thrilling retelling by master storyteller Jean Houston of the legendary exploits of the founder of the Iroquois Confederacy known as the Peacemaker Under his leadership they created a peaceful democracy among five tribes of Native peoples in the northeastern woodlands This story has inspired American leaders from Benjamin Franklin to the present day occupants of the White House and is shown by Houston to be a potent guide to personal transformation and to the visioning of a peaceful world Jean draws from the experiential workshops she leads with the help of Margaret Peggy Rubin to guide readers through group or individual exercises that bring the story home **The ^ABeauty of the Primitive** Andrei A. Znamenski, 2007-07-16 For the past forty years shamanism has drawn increasing attention among the general public and academics There is an enormous literature on shamanism but no one has tried to understand why and how Western intellectual and popular culture became so fascinated with the topic Behind fictional and non fictional works on shamanism Andrei A Znamenski uncovers an exciting story that mirrors changing Western attitudes toward the primitive *The Beauty of the Primitive* explores how shamanism an obscure word introduced by the eighteenth century German explorers of Siberia entered Western humanities and social sciences and has now become a powerful idiom used by nature and pagan communities to situate their spiritual quests and anti modernity sentiments The major characters of *The Beauty of the Primitive* are past and present Western scholars writers explorers and spiritual seekers with a variety of views on shamanism Moving from Enlightenment and Romantic writers and Russian exile ethnographers to the anthropology of Franz Boas to Mircea Eliade and Carlos Castaneda Znamenski details how the shamanism idiom was gradually transplanted from Siberia to the Native American scene and beyond He also looks into the circumstances that prompted scholars and writers at first to

marginalize shamanism as a mental disorder and then to recast it as high spiritual wisdom in the 1960s and the 1970s Linking the growing interest in shamanism to the rise of anti modernism in Western culture and intellectual life Znamenski examines the role that anthropology psychology environmentalism and Native Americana have played in the emergence of neo shamanism He discusses the sources that inspire Western neo shamans and seeks to explain why lately many of these spiritual seekers have increasingly moved away from non Western tradition to European folklore A work of intellectual discovery *The Beauty of the Primitive* shows how scholars writers and spiritual seekers shape their writings and experiences to suit contemporary cultural ideological and spiritual needs With its interdisciplinary approach and engaging style it promises to be the definitive account of this neglected strand of intellectual history **The Self-destruction of the West** Damien François, 2007 Voil d sormais plus de 10 000 ans que la civilisation occidentale s est install e et voil 10 000 ans qu elle viole le sens m me de la nature la vie En s appropriant sans concession ce qui l entourait l homme de l Ouest a vu son horizon ployer sous la charge de la destruction qu il lui avait lui m me r alis e Sommes nous des lycanthropes ou des vampires Ces monstres si terrifiants qui sortent de notre imagination sont ils en r alit la copie de notre comportement d vastateur Pr dateurs nous pompons sans remords les nergies qui nous entourent Jusqu o ira t on **Angels, Aliens and Prophecy** Betsey Lewis, 2012-03-12 Reviews This book is amazing and I have been reading it non stop Betsey s knowledge and intellect of UFOs Aliens an the paranormal has quite simply floored me Anthony Sanchez Author of UFO Highway Conference Organizer of SACUFOCON Angels Aliens and Prophecy is astonishing I can hardly put it down Best selling Author of The Tujunga Canyon Contacts and renowned Earth Mysteries Investigator Ann Druffel One of the better books I have read of late as it draws upon the author s wealth of knowledge and ability to tie all the elements together aliens religious visions alien abductees time travel parallel universes and prophecy This special book brings up many fascinating questions but provides many tantalizing answers to the mysteries in our world that most books in this genre fail to do Posted on Amazon Books Awesome reading Thank You Dori Florida About Angels Aliens and Prophecy Betsey Lewis intuitive earth mysteries investigator and host of Rainbow Visions Radio Show since 2009 explores the mysterious connection between angels and aliens since recorded history and the startling prophecies given by these beings in her new book Angels Aliens and Prophecy Is it possible ancient aliens and time travelers have changed time lines and events Absolutely says Lewis who investigated these enigmatic subjects for the past forty years In 1983 Lewis uncovered surprising information about her UFO encounters from the hypnosis session conducted by renowned UFO investigator Ann Druffel included in the book A secret was given to Lewis as a child but erased from her memory until recently She reveals the secret her startling predictions for 2012 and beyond and the connection between angels and aliens *The Four-Fold Way* Angeles Arrien, 2013-06-11 A leading expert on native spirituality and shamanism reveals the four archetypal principles of the Native American medicine wheel and how they can lead us to a higher spirituality and a better world Claiming Sacred Ground Adrian J.
