Misdiagnosis and Dual Diagnoses of Gifted Children and Adults James T. Webb,2005 Our brightest most creative children and adults are often being misdiagnosed with behavioral and emotional disorders such as ADHD Oppositional Defiant Disorder Bipolar OCD or Asperger s Many receive unneeded medication and inappropriate counseling as a result Physicians psychologists and counselors are unaware of characteristics of gifted children and adults that mimic pathological diagnoses

Six nationally prominent health care professionals describe ways parents and professionals can distinguish between gifted behaviors and pathological behaviors. These authors have brought to light a widespread and serious problem: the wasting of lives from the misdiagnosis of gifted children and adults and the inappropriate treatment that often follows. Jack G. Wiggins, Ph.D., Former President, American Psychological Association.

Life with Gifted Children Wendy Skinner, 2020-07-01. Double Award Winner. When her seven year old son showed his understanding of the concept of infinity while talking about how zebras all have their own unique patterns of stripes, Wendy Skinner knew that he was going to need something more stimulating than the regular school program. Her son's gifted intellect and advanced talents were going to be a challenge. In this book, Skinner shares her family's story of struggle and eventual success in working with the school system, trying out various educational options to meet her children's needs. Enlightening anecdotes of the author's experiences and discussions of a variety of educational approaches help parents reading this book discover effective strategies for minimizing parent school conflict. Learn how to build trusting relationships with teachers and administrators as well as how your voice can influence school decisions that will allow your gifted child to learn and thrive.
