Religion and the Public Schools Marc D. Stern,American Jewish Congress,1999 **Religion and the Public Schools** ,1993 **Law, Education, and the Place of Religion in Public Schools** Charles Russo,2021-09-30 This text presents a comparative cross cultural analysis of the legal status of religion in public education in eighteen different nations while offering recommendations for the future improvement of religious education in public schools Offering rich analytical insights from a range of renowned scholars with expertise in law education and religion this volume provides detailed consideration of legal complexities impacting the place of religion and religious education in public education The volume pays attention to issues of national and international relevance including the separation of the church and state public funding of religious education the accommodation of students devotional needs and compulsory religious education The volume thus highlights the increasingly complex interplay of religion law and education in diverse educational settings and cultures across developing and developed nations Providing a valuable contribution to the field of religious secondary education research this volume will be of interest to researchers academics and educators with an interest in religion and law international and comparative education and those involved with educational policy at all levels Those more broadly interested in moral and values education will also benefit from the discussions the book contains *Religion and Law in Public Schools* Steve Permut,Susan Silver,Ralph D. Mawdsley,Charles J. Russo,2017 Our Founders were likely not thinking about prayer in classrooms when the First Amendment was written They certainly never dreamed of a time when court dockets would be crowded with cases about what types of organizations could use public school facilities after hours religious expression at high school football games or whether elementary school Christmas concerts were allowed Indeed current issues involving LGBTQ and gender rights use of the Internet social media and other technologies could not have been part of their consideration Yet today as a matter of complying with the law we must think about and try to understand religion and the public schools a subject that will only grow more complex for tomorrow s teachers administrators students attorneys and political leaders The question is What is an effective way to study address and raise questions about an important legal and moral topic that not only embraces a wide range of academic disciplines history religion the law sociology the arts but also places a burden of objectivity on each of us Page iii *Judicial Review: Appendix. 1966. pp. 483-847* United States.
