Religion In Focus Islam:

Islam in Focus Dr. Hammudah Abdalati, 1993-06-01 This popular book is an attempt to respond to the needs of both Muslims and non Muslims in North America Its purpose is simply to acquaint the average reader with the basic teachings of Islam not intended to present the depth or breadth of Islam It guides Muslims to the median way in all matters of life rejects fanaticism and narrow mindedness It provides truth about Islam a spiritual insight and a moral approach to the human condition The author hopes that it will make them responsible citizens of their respective countries honorable members of the human race and above all else God minded people Religion in Forcus Islam in Today's World Claire Clinton, 1999

Methods and Contexts in the Study of Muslim Minorities Nadia Jeldtoft, Jørgen Nielsen, 2014-07-16 In the past decade Muslims in Europe have been the subject of heated debates on the place and role of religion in the public space Research into the issues involved has often used visible and formalised expressions of Muslim religiosity as its empirical point of departure This book instead examines the microlevel workings of Muslim minority religiosity to offer a new perspective on these debates Contributors to this volume examine the forms of Muslim religiosity which are not dependent on the official or semi official settings of organised religion These ethnographic studies investigate a range of examples of non organised Islam ranging from salafi jihadism to converts to Islam to everyday spiritualities of Muslim in Europe By exploring these neglected forms of Muslim religiosity this book is able to build up a more nuanced picture of the role of Muslims in Europe It will be of interest to academics researchers and graduate students of Religion Ethnic Studies Migration Studies Sociology and Political Science This book was previously published as a special issue of Ethnic and Racial Studies

Religious Television and Pious Authority in Pakistan Taha Kazi, 2021-04-06 In Pakistan religious talk shows emerged as a popular television genre following the 2002 media liberalization reforms Since then these shows have become important platforms where ideas about Islam and religious authority in Pakistan are developed and argued In *Religious Television and Pious Authority in Pakistan* Taha Kazi reveals how these talk shows mediate changes in power belief and practice She also identifies the sacrifices and compromises that religious scholars feel compelled to make in order to ensure their presence on television These scholars of varying doctrinal and educational backgrounds including madrasa educated scholars and self taught celebrity preachers are given screen time to debate and issue religious edicts on the authenticity and contemporary application of Islamic concepts and practices In response viewers are sometimes allowed to call in live with questions Kazi maintains that these featured debates inspire viewers to reevaluate the status of scholarly edicts thereby fragmenting religious authority By exploring how programming decisions inadvertently affect viewer engagements with Islam *Religious Television and Pious Authority in Pakistan* looks beyond the revivalist impact of religious media and highlights the prominence of religious talk shows in disrupting expectations about faith *Improving the Pedagogy of Islamic Religious Education in Secondary Schools* Ayse Demirel Ucan, 2019-09-04 This timely book focusses on the central

issues and questions which emerge in relation to the teaching and learning of Islam in confessional and constructivist religious education Considering the consequences of a lack of diversity in the Islamic Religious Education curriculum the text also explores the challenges faced by Muslim pupils in connection with secularism and radical Islam Through rich analysis of research carried out across Muslim and public secondary schools in the UK this book develops a meaningful pedagogy of Islamic Religious Education In particular the volume investigates the benefits of Critical Religious Education and Variation Theory frameworks on student learning in Religious Education classrooms and illustrates how these didactic frameworks can help to ameliorate distinct problems seen across Islamic Religious Education Chapters identify discrete pedagogical issues that arise in the confessional and constructivist approaches to Islamic Education such as students difficulties in relating to concept of Islam and progressive approaches taken in public schools In addressing these the text proposes a new theoretical and pedagogical approach to the teaching of Islam which draws on the philosophy of Critical Realism the theories of Critical Religious Education and Variation Theory This book will be of great interest to postgraduate students researcher scholars and academics in the fields of religion and education and Islamic studies In addition it will be of interest to social equity professionals and public policy decision makers

Islam and Religious Change in Pakistan Saadia Sumbal,2021-07-28

This book examines the history of and the contestations on Islam and the nature of religious change in 20th century Pakistan focusing in particular on movements of Islamic reform and revival This book is the first to bring the different facets of Islam particularly Islamic reformism and shrine oriented traditions together within the confines of a single study ranging from the colonial to post colonial era Using a rich corpus of Urdu and Arabic material including biographical accounts Sufi discourses malfuzat letter collections polemics and unexplored archival sources the author investigates how Islamic reformism and shrine oriented religiosity interacted with one another in the post colonial state of Pakistan Focusing on the district of Mianwali in Pakistani northwestern Punjab the book demonstrates how reformist ideas could only effectively find space to permeate after accommodating Sufi thoughts and practices the text based religious identity coalesced with overlapped traditional religious rituals and practices The book proceeds to show how reformist Islam became the principal determinant of Islamic identity in the post colonial state of Pakistan and how one of its defining effects was the hardening of religious boundaries Challenging the approach of viewing the contestation between reformist and shrine oriented Islam through the lens of binaries modern traditional and moderate extremist this book makes an important contribution to the field of South Asian religion and Islam in modern South Asia

Blasphemy And Defamation of Religions In a Polarized World

Darara Timotewos Gubo,2014-12-24 The twenty first century has been significantly shaped by the growing importance of religion in international politics resulting in rising polarization among nation states This new dynamic has presented new challenges to international human rights principles This book deals with some of these new challenges particularly the growing demand by Muslim states for protection of Islamic religion from blasphemy and defamation Member states of the

Organization of Islamic Cooperation OIC through resolutions at the United Nations made efforts to introduce laws that globally protect Islamic religion from blasphemy and defamation The bid by OIC member states faced opposition from Western countries The conflicting claims of the two sides are discussed in this book The book clearly shows the impact of blasphemy and defamation of religion laws on certain aspects of fundamental human rights principles The Oxford Handbook of Religion and the American News Media Diane Winston,2012-08-29 Whether the issue is the rise of religiously inspired terrorism the importance of faith based NGOs in global relief and development or campaigning for evangelical voters in the U S religion proliferates in our newspapers and magazines on our radios and televisions on our computer screens and increasingly our mobile devices Americans who assumed society was becoming more and more secular have been surprised by religions rising visibility and central role in current events Yet this is hardly new the history of American journalism has deep religious roots and religion has long been part of the news mix Providing a wide ranging examination of how religion interacts with the news by applying the insights of history sociology and cultural studies to an analysis of media faith and the points at which they meet The Oxford Handbook of Religion and the American News Media is the go to volume for both secular and religious journalists and journalism educators scholars in media studies journalism studies religious studies and American studies Divided into five sections this handbook explores the historical relationship between religion and journalism in the USA how religion is covered in different media how different religions are reported on the main narratives of religion coverage and the religious press *Principles and Practice of Islamic Leadership* Mahazan Abdul Mutalib,Ahmad Rafiki,Wan Mohd Fazrul Azdi Wan Razali,2022-03-31 This book elaborates the fundamental principles and practices of Islamic leadership and management by highlighting its underlying philosophies key concepts and sources The book closely examines the relationship of Islamic leadership with spiritual leadership and how it shapes the concept of leadership The book also compares Islamic Leadership with other related spiritual leadership concepts such as the Servant Leadership religiosity and other conventional leadership perspectives based on Islamic framework The chapters within the book delve into Islamic teachings and values from Al Qur an and Hadith that can be applied when governing an organization using several case studies This insightful and thorough discussion on Islamic leadership will be useful as a reference for academic courses on leadership and current and aspiring business leaders Scapegoating Islam Jeffrey L. Thomas,2015-09-15 Exploring the experience of Muslims in America following 9 11 this book assesses how anti Muslim bias within the U S government and the larger society undermines American security and democracy In the aftermath of the events of September 11 2001 Muslims in America have experienced discrimination and intolerance from the U S government and American citizens alike From religious and ethnic profiling to hate crimes intolerance against Muslims is being reinforced on multiple levels undercutting the Muslim community s engagement in American society This text is essential for understanding how the unjust treatment of American Muslims following September 11 has only served to alienate the Muslim

community and further divide the United States Authored by an expert analyst of policy for 20 years this book explores the prejudice against Muslims and how the actions of the U S government continue to perpetuate fear and stereotypes within U S citizens The author posits that by respecting the civil rights of Muslims the government will lead by example in the acceptance of American Muslims improving homeland security along with the lives of Muslims living in the United States
