Religion In The Age Of Romanticism Studies In Early Nineteenth Century Thought:

Religion in the Age of Romanticism Bernard M. G. Reardon, 1985-09-12 The conflict between Romantic thought of the early 1800s in Europe and traditional Christian beliefs resulted in liberalism competing against conservatism This text attempts to show how writers such as Schleiermacher Hegel Schelling and Auguste Comte did not reject religion despite the influence of the increasingly science oriented culture of their time *Christianity & Western Thought: Faith & reason in the 19th century* Colin Brown, Steve Wilkens, Alan G. Padgett, 1990 In this much anticipated sequel to Colin Brown's Christianity and Western Thought Volume 1 Steve Wilkens and Alan Padgett follow Christianity and philosophy's interaction through the monumental changes of the nineteenth century *Routledge Library Editions: 19th Century Religion* Various Authors, 2021-07-09 Reissuing works originally published between 1973 and 1997 Routledge Library Editions 19th Century Religion 18 volumes offers a selection of scholarship covering historical developments in religious thinking Topics include the origin of Catholicism in America sexual liberation and religion in Europe and the emergence of Atheism in Victorian England This set also includes collections of sermons and essays from some of the most influential preachers of the nineteenth century **The Philosophical Foundations of Early German Romanticism** Manfred Frank, 2012-02-01 Often portrayed as a movement of poets lost in swells of passion early German Romanticism has been generally overlooked by scholars in favor of the great system builders of the post Kantian period Schelling and Hegel In the twelve lectures collected here Manfred Frank redresses this oversight offering an in depth exploration of the philosophical contributions and contemporary relevance of early German Romanticism Arguing that the early German Romantics initiated an original movement away from idealism Frank brings the leading figures of the movement Friedrich Schlegel and Friedrich von Hardenberg Novalis into concert with contemporary philosophical developments and explores the role that Friedrich Schlegel and other members of the Homburg Circle had upon the development of early German Romantic philosophy **Encyclopedia of the Romantic Era, 1760-1850** Christopher John Murray, 2013-05-13 In 850 analytical articles this two volume set explores the developments that influenced the profound changes in thought and sensibility during the second half of the eighteenth century and the first half of the nineteenth century The Encyclopedia provides readers with a clear detailed and accurate reference source on the literature thought music and art of the period demonstrating the rich interplay of international influences and cross currents at work and to explore the many issues raised by the very concepts of Romantic and Romanticism **Romanticism and the Re-Invention of Modern Religion** Alexander J. B. Hampton, 2019-01-17 The fundamental concern of Romanticism which brought about its inception determined its development and set its end was the need to create a new language for religion **Nineteenth-Century European Catholicism** Eric C. Hansen, 2017-09-07 Included in this bibliography originally published in 1989 are books pamphlets dissertations and articles from periodicals and collections published for the most part since 1900 which present Catholic development in the nineteenth century as its major

theme Each entry is annotated with the major idea or theme of the work as expressed by its author or editor This title will be of interest to students of European History and Religious Studies

The Cambridge History of Christianity: Volume 8, World Christianities C.1815-c.1914 Sheridan Gilley, Brian Stanley, 2006 This is the first scholarly treatment of nineteenth century Christianity to discuss the subject in a global context Part I analyses the responses of Catholic and Protestant Christianity to the intellectual and social challenges presented by European modernity It gives attention to the explosion of new voluntary forms of Christianity and the expanding role of women in religious life Part II surveys the diverse and complex relationships between the churches and nationalism resulting in fundamental changes to the connections between church and state Part III examines the varied fortunes of Christianity as it expanded its historic bases in Asia and Africa established itself for the first time in Australasia and responded to the challenges and opportunities of the European colonial era Each chapter has a full bibliography providing guidance on further reading

The Rebirth of Revelation Tuska Benes, 2022-02-22 The Rebirth of Revelation explores the different and important ways religious thinkers across Protestantism Catholicism and Judaism modernized the concept of revelation from 1750 to 1850

Figures of the Imagination Roger Hansford, 2017-03-16 This new study of the intersection of romance novels with vocal music records a society on the cusp of modernisation with a printing industry emerging to serve people's growing appetites for entertainment amidst their changing views of religion and the occult No mere diversion fiction was integral to musical culture and together both art forms reveal key intellectual currents that circulated in the early nineteenth century British home and were shared by many consumers Roger Hansford explores relationships between music produced in the early 1800s for domestic consumption and the fictional genre of romance offering a new view of romanticism in British print culture He surveys romance novels by Ann Radcliffe Matthew Lewis Sir Walter Scott James Hogg Edward Bulwer and Charles Kingsley in the period 1790-1850 interrogating the ways that music served to create mood and atmosphere enlivened social scenes and contributed to plot developments He explores the connections between musical scenes in romance fiction and the domestic song literature treating both types of source and their intersection as examples of material culture Hansford's intersectional reading revolves around a series of imaginative figures including the minstrel fairies mermaids ghosts and witches and Christians engaged both in virtue and vice the identities of which remained consistent as influence passed between the art forms While romance authors quoted song lyrics and included musical descriptions and characters their novels recorded and modelled the performance of songs by the middle and upper classes influencing the work of composers and the actions of performers who read romance fiction
