Religion On Campus:

Religion on Campus Conrad Cherry, Betty A. DeBerg, Amanda Porterfield, 2003-08-01 The first intensive close up investigation of the practice and teaching of religion at American colleges and universities Religion on Campus is an indispensable resource for all who want to understand what religion really means to today's undergrads **Religion on Campus** Conrad Cherry, Betty A. DeBerg, Amanda Porterfield, 2001 This study of religion on U.S. campuses today finds that both the practice and the study of religion are thriving nourished by a campus atmosphere of diversity and tolerance The book is based on interviews and participant observation at four schools a Roman Catholic university in the East a state university in the West an African American university in the South and a Lutheran liberal arts college in the North Can You Keep Your Faith in College? Abbie Smith, 2006-04-05 From dorm and Greek life to dating and academia every piece of the college equation becomes a loaded opportunity for you and your faith to thrive Can You Keep Your Faith in College will help guide you through the best years of your life You're not alone in the struggle to maintain the faith you carried with you when you first set foot on campus Packed with encouragement specifically for these trying years Can You Keep Your Faith in College compiles experiences shared by students from more than fifty schools across the nation and targets pertinent issues including The Transition academics dorm life peer pressure extracurricular activities sports Greek life dating studying abroad racial relations and God's Surprise Encounters Don't let your faith whittle away build it up It's what defines you

Religion on Campus, 1963 **Religion in Higher Education** Sophie Gilliat-Ray, 2019-07-16 This title was first published in 2000 The place of religion in universities and institutes of higher education has become increasingly topical and contested in recent years largely due to the growth of religious diversity on campus Issues such as shared worship spaces equal opportunities and the management of inter religious conflict concern university administrators and students alike Based on primary empirical research this book indicates the need for clear guidelines on these issues and provides the data to inform policy making Offering the first study of the practical and sociological implications of the multi faith campus this book provides a context for examining some of the dynamics of religious diversity in Britain more generally as well as providing a useful analysis for the wider international context Key themes covered include religion in institutions inter faith relations the changing roles of religious professionals secularisation and resacralisation and religion youth and identity

The Resilience of Religion in American Higher Education John Arnold Schmalzbauer, Kathleen A. Mahoney, 2018 The Resilience of Religion in American Higher Education documents a surprising openness to religion in collegiate communities Schmalzbauer and Mahoney develop this claim in three areas academic scholarship church related higher education and student life They highlight growing interest in the study of religion across the disciplines as well as a willingness to acknowledge the intellectual relevance of religious commitments The Resilience of Religion in American Higher Education also reveals how church related colleges are taking their founding traditions more seriously even as they

embrace religious pluralism Finally the volume chronicles the diversification of student religious life revealing the longevity of campus spirituality

Religiosity on University Campuses in Africa Abdoulaye Sounaye,Frédérick Madore,2023 This volume examines religiosity on university campuses in Sub Saharan Africa Focusing on both individuals and organized groups the contributions open a window onto how religion becomes a factor affects social interactions is experienced and mobilized by various actors It brings together case studies from various disciplinary backgrounds anthropology sociology history religious studies literature and theoretical orientations to illustrate the significance of religiosity in recent developments on university campuses It pays a particular attention to religion informed activism and contributes a fresh analysis of processes that are shaping both the experience of being student and the university campus as a moral space Last but not least it sheds light onto the ways in which the campus becomes a site of a reformulation of both religiosity and sociality

Religion and Higher Education in Europe and North America Kristin Aune,Jacqueline Stevenson,2016-12-01 Religion and Higher Education in Europe and North America illuminates the experiences of staff and students in higher education as they negotiate the university environment Religious extremism has been rising across Europe whilst recent attacks have thrown public debate around the place of religion on campus the role of universities in recognising and managing religious fundamentalism and freedom of speech on campus into sharper focus Despite these debates research exploring religion on campus has been largely absent from discourse on higher education outside of America with policy and practices designed to deal with religion on campus largely founded on supposition rather than evidence This book speaks into that void including results from recent studies in the field which form an empirically grounded base from a broad variety of perspectives on religion at universities Aiming to offer a deeper perspective more dialogue and engagement on the experiences of students Religion and Higher Education in Europe and North America presents us not only with an opportunity to counter growing trends of intolerance but for people to connect with the humanity of others Focusing on what research reveals about staff and students experiences it incorporates research from different academic disciplines including sociology education social policy theology and religious studies and across different faith and belief groups This thought provoking and challenging volume features chapters written by researchers involved in informing policy and practice relating to religion and belief in higher education in the UK US Canada France and the Netherlands Spanning the academic practitioner divide students and academics interested in the sociology of religion and of higher education as well as those responsible for the practical management of campus life will find this text of particular importance

The Lyre of Alpha Chi Omega Alpha Chi Omega,1928

God's Quad Ahern, Kevin; Malano,Christopher, Derige,2018-09-20 An examination of the power and potential of Small Christian Communities for Catholic college students this book offers case studies of best practices and practical tools to create effective communities for young adults both within and beyond academic settings
