Religion Of The Chinese People:

The Religion of the Chinese People Marcel Granet,1975

The Spirit of the Chinese People Hongming Gu,1922

The Chinese People at War Diana Lary,2010-07-26 Diana Lary one of the foremost historians of the period tells the tragic history of China's War of Resistance and its consequences from the perspective of those who went through it Using archival evidence only recently made available interviews with survivors and extracts from literature she creates a vivid and highly disturbing picture of the havoc created by the war the destruction of towns and villages the displacement of peoples and the accompanying economic and social disintegration As the author suggests in a new interpretation of modern Chinese history far from stemming the spread of communism from the USSR which was the Japanese pretext for invasion the horrors of the war and the damage it created nurtured the Chinese Communist Party and helped it to win power in 1949

Chinese Religions in Contemporary Societies James Miller,2006-04-03 A comprehensive introduction to the resurgence of religion in China and Taiwan since the end of the Cultural Revolution and a wide ranging examination of the impact of religious traditions on Euro Americans and Chinese immigrants in present day North America *Chinese Religions in Contemporary Societies* is an accessible multidimensional introduction to religions in present day China and Taiwan as well as an in depth exploration of how religious traditions and practices have been adopted by Americans and Chinese immigrants in North America The work covers the period since the Cultural Revolution but places its focus on the contemporary global context Written by religious studies expert James Miller and eight acclaimed scholars this handy one volume reference answers the demand for a comprehensive yet highly readable work on Chinese religions and their various forms The work breaks down the complexities of religious traditions highlighting key issues themes and movements such as the legacy of shamanism in popular Chinese and Taiwanese religion qigong in contemporary China and the interpretations and practices of Chinese traditions and rituals in North America Filling a significant gap in the literature the handbook demonstrates the impact of social political and cultural factors on Chinese religion and identifies the forces behind the prevalence adaptation and transformation of Chinese religious practices from a global perspective
