Religions of China in Practice Donald S. Lopez, Jr., 2021-08-10 This third volume of Princeton Readings in Religions demonstrates that the three religions of China Confucianism Daoism and Buddhism with a fourth folk religion sometimes added are not mutually exclusive they overlap and interact with each other in a rich variety of ways The volume also illustrates some of the many interactions between Han culture and the cultures designated by the current government as minorities Selections from minority cultures here for instance are the folktale of Ny Dan the Manchu Shamaness and a funeral chant of the Yi nationality collected by local researchers in the early 1980s Each of the forty unusual selections from ancient oracle bones to stirring accounts of mystic visions is preceded by a substantial introduction As with the other volumes most of the selections here have never been translated before Stephen Teiser provides a general introduction in which the major themes and categories of the religions of China are analyzed The book represents an attempt to move from one conception of the Chinese spirit to a picture of many spirits including a Laozi who acquires magical powers and eventually ascends to heaven in broad daylight the white robed Guanyin one of the most beloved Buddhist deities in China and the burning mouth hungry ghost The book concludes with a section on earthly conduct Religion and Chinese Society: Ancient and medieval China John Lagerwey, 2004 These volumes contain a selection of twenty one essays presented in a conference convened jointly by the Ecole française d'Extrême Orient and the Centre for the Study of Religion and Chinese Society of the Chinese University of Hong Kong on Religion and Chinese Society The Transformation of a Field and Its Implications for the Study of Chinese Culture The collection provides as wide a coverage as possible of recent research in the history of Chinese religion and seeks to draw some tentative conclusions about the implications for the study of Chinese religion and society in general *Asian Religions in Practice* Donald S. Lopez, Jr., 2020-06-30 Princeton Readings in Religions is a new series of anthologies on the religions of the world representing the significant advances that have been made in the study of religions in the last thirty years This volume brings together the introductions to the first five volumes of this acclaimed series Religions of India in Practice 1995 Buddhism in Practice 1995 Religions of China in Practice 1996 Religions of Tibet in Practice 1997 and Religions of Japan in Practice 1999 The introductions to these volumes have been widely praised for their accessible clear and concise overviews of the religions of Asia providing both historical context and insightful analysis of Hinduism Jainism Sikhism Islam Buddhism Confucianism Taoism Shinto and Bon as well as many local traditions The authors of the chapters are leading scholars of Asian religions Richard Davis India Stephen Teiser China George Tanabe Japan and Donald Lopez Buddhism and Tibet They bring together the best and most current research on their topics while series editor Donald Lopez provides an introduction to the volume as a whole In addition to providing a wealth of detail on the history doctrine and practice of the religions of Asia the five chapters offer an opportunity for sustained discussions of the category of religion Handbook of the History of Religions in China I Zhongjian Zhan, Jian

Mu,2020-10-27 This book is part of an initiative in cooperation with renowned Chinese publishers to make fundamental formative and influential Chinese thinkers available to a western readership providing absorbing insights into Chinese reflections of late and offering a chance to grasp today's China In their influential book Handbook of the History of Religions in China Zhongjian Mou and Jian Zhang present a panorama of the religions existing in China through time In their fascinating History they delineate the emergence and development of Daoism Buddhism Confucianism Islam and Christianity and explore the roles they played in Chinese society and the interrelations between them In China also due to the encompassing Confucian idea of living together harmoniously while maintaining differences religions including newly arrived ones came closer together than anywhere else in the world and reached a unique level of peaceful societal coexistence Despite many frictions and conflicts communication and reconciliation were indisputably predominant in China throughout history Buddhism was peacefully introduced into China and later on a harmonious symbiotic syncretism of Confucianism Buddhism and Daoism developed an exemplary process of how a diverse set of different religions can complement each other and contribute to a better life
