Religions Of The Western Hemisphere:

Religions of the Western Hemisphere Susan Dudley Gold, 1997 Explores the influence of religions on life in the United States Canada and Latin America *Nation Dance* Patrick Taylor, 2001 Dealing with the ongoing interaction of rich and diverse cultural traditions from Cuba and Jamaica to Guyana and Surinam *Nation Dance* addresses some of the major contemporary issues in the study of Caribbean religion and identity The book's three sections move from a focus on spirituality and healing to theology in social and political context and on to questions of identity and diaspora The book begins with the voices of female practitioners and then offers a broad interdisciplinary examination of Caribbean religion and culture Afro Caribbean religions Hinduism Judaism Islam and Christianity are all addressed with specific reflections on Santería Palo Monte Vodou Winti Obeah Kali Mai Orisha work Spiritual Baptist faith Spiritualism Rastafari Confucianism Congregationalism Pentecostalism Catholicism and liberation theology Some essays are based on fieldwork archival research and textual or linguistic analysis while others are concerned with methodological or theoretical issues Contributors include practitioners and scholars some very established in the field others with fresh new approaches all of them come from the region or have done extensive fieldwork or research there In these essays the poetic vitality of the practitioner's voice meets the attentive commitment of the postcolonial scholar in a dance of nations across the waters Sketch of the Religions of the World Robert Shaw (M. A.), 1904 *Religious Forces in the Universities of the World* World's Student Christian Federation, 1914 *Religious Systems of the World*, 1901 **The Routledge Handbook of Contemporary Philosophy of Religion** Graham Oppy, 2015-04-17 Philosophy of religion has experienced a renaissance in recent times paralleling the resurgence in public debate about the place and value of religion in contemporary Western societies The Routledge Handbook of Contemporary Philosophy of Religion is an outstanding reference source to the key topics problems and debates in this exciting subject Comprising over thirty chapters by a team of international contributors the Handbook is divided into seven parts theoretical orientations conceptions of divinity epistemology of religious belief metaphysics and religious language religion and politics religion and ethics religion and scientific scrutiny Within these sections central issues debates and problems are examined including religious experience religion and superstition realism and anti realism scientific interpretation of religious texts feminist approaches to religion religion in the public square tolerance religion and meta ethics religion and cognitive science and the meaning of life Together they offer readers an informed understanding of the current state of play in the liveliest areas of contemporary philosophy of religion The Routledge Handbook of Contemporary Philosophy of Religion is essential reading for students and researchers of philosophy of religion from across the Humanities and Social Sciences **Lived Religion in Latin America** Gustavo Morello, 2021 What does the practice of religion look like in Latin America today In this book which examines religious practice in three Latin American cities Lima Per C rdoba Argentina and Montevideo Uruguay Gustavo Morello reveals the influence of modernity on average citizens cultural practices

Technological development the dynamics of capitalism the specialization of spheres of knowledge all these aspects of modernity were thought to diminish the importance of religion Yet Morello argues if we look at religion as ordinary Latin Americans practice it we discover that modernity has not diminished religion but transformed it creating what Morello calls enchanted modernity In Latin America there is more religion than secularists expect but of a different kind than religious leaders would wish Morello explores how urban contemporary Latin Americans both believers and non believers from different social classes and religious affiliations experience transcendence in everyday life Using semi structured interviews with 254 individuals in three cities with shifting religious landscapes and different cultural histories Morello highlights the diversity within Latin America exploring societies that are understudied and examining a broad array of religious traditions nones agnostics non affiliated atheist Catholics Evangelicals including mainstream Protestants Pentecostals neo Evangelicals and other traditions including Jews Muslims Mormons African derived traditions and Buddhists Morello emphasizes elements nuances and dynamics that have previously been overlooked and that can enrich the study of religion other non western societies The book seeks to contribute to a critical theory of contemporary religion one that is not centered in the North Atlantic world and that takes seriously the voices of the Latin American people Religious Systems of the World South Place Ethical Society (London, England),1904 *The Western Christian Advocate* ,1900 Mexican American Religions Gastón Espinosa,Mario T. García,2008-07-08 A multidisciplinary collection of essays examining the influence of Mexican American religion on Mexican American literature art politics and popular culture
