Orthodox Christian Perspectives on War Perry T. Hamalis, Valerie A. Karras, 2017-12-15 Many regions of the world whose histories include war and violent conflict have or once had strong ties to Orthodox Christianity Yet policy makers religious leaders and scholars often neglect Orthodoxy's resources when they reflect on the challenges of war Through essays written by prominent Orthodox scholars in the fields of biblical studies church history Byzantine studies theology patristics political science ethics and biology Orthodox Christian Perspectives on War presents and examines the Orthodox tradition's nuanced and unique insights on the meaning and challenges of war with an eye toward their contemporary relevance This volume is structured in three parts Confronting the Present Day Reality Reengaging Orthodoxy's Tradition and Constructive Directions in Orthodox Theology and Ethics Each exemplifies the value of interdisciplinary reflection on war and the potential for the Eastern Orthodox tradition to enhance ecumenical and interfaith discussions surrounding war in both domestic and international contexts The contributors do not advance a single account of the meaning of war or a comprehensive and normative stance purporting to be the Orthodox Christian teaching on war Instead this collection presents the breadth and depth of Orthodox Christian thought in a way that engages Orthodox and non Orthodox readers alike In addition to offering fresh resources for all people of good will to understand prevent and respond faithfully to war this book will appeal to Christian theologians who specialize in ethics to libraries of academic institutions and to scholars of war peace studies international relations and Orthodox thought

*Religion, Conflict and Military Intervention* Rosemary Durward, 2016-04-08 For many years religion has been the neglected component of international relations and yet in an age of globalization and terrorism religious identity

has become increasingly important in the lives of people in the West as well as the developing world The secularization thesis has been overtaken by an increased desire to understand how religious actors contribute to both conflict and the resolution of conflict This volume brings an exciting new perspective with fresh ideas and analyses of the events shaping conflict and conflict resolution today The book uniquely combines chapters highlighting Christian and Islamist theological approaches to understanding and interpreting conflict as well as case studies on the role of religion in US foreign policy and the Iraq war with religious perspectives on building peace once conflicts are resolved The volume provides an ideal starting point for anyone wishing to gain a deeper understanding of the religious character of conflict in the twenty first century and how such conflict could be resolved

**Christian Attitudes to War, Peace, and Revolution** John Howard Yoder, 2009-04-01 John Howard Yoder was one of the most important thinkers on just war and pacifism in the late twentieth century This newly compiled collection of Yoder s lectures and writings on these issues describes analyzes and evaluates various patterns of thought and practice in Western Christian history The volume now made widely available for the first time makes Yoder s stimulating insights more accessible to a broader audience and substantially contributes to ongoing discussions concerning the history theology and ethics of war and peace Theologians and ethicists students of Yoder s thought and all readers seeking a better understanding of war and pacifism will value this work

*Being Christian After the Desolation of Gaza* Bruce Norman Fisk, J. **Departments of Labor, Health and Human Services, Education, and Related Agencies Appropriations for 1995: Related agencies** United States. Congress. House. Committee on Appropriations. Subcommittee on the Departments of Labor, Health and Human Services, Education,

and Related Agencies,1994      *Introducing Christian Ethics* Samuel Wells,Ben Quash,2017-03-14 *Introducing Christian Ethics* 2e now thoroughly revised and updated offers an unparalleled introduction to the study of Christian Ethics mapping and exploring all the major ethical approaches and offering thoughtful insights into the complex moral challenges facing people today This highly successful text has been thoughtfully updated based on considerable feedback to include increased material on Catholic perspectives further case studies and the augmented use of introductions and summaries Uniquely redefines the field of Christian ethics along three strands universal ethics for anyone subversive ethics for the excluded and ecclesial ethics for the church Encompasses Christian ethics in its entirety offering students a substantial overview by re mapping the field and exploring the differences in various ethical approaches Provides a successful balance between description analysis and critique Structured so that it can be used alongside a companion volume *Christian Ethics An Introductory Reader* which further illustrates and amplifies the diversity of material and arguments explored here      *Enemy Combatants, Terrorism, and Armed Conflict Law* David K. Linnan,2008-01-30 With a renewed emphasis on national and homeland security the United States is once again seeking to balance the needs of the state with both the rights of its citizens as well as those of other nations This book represents an interdisciplinary approach to the legal dilemmas borne out by the war on terror against the specific background of Afghanistan Iraq and this new kind of conflict It is a strong contribution to a broader debate visible since 9 11 which will remain in the public eye for the foreseeable future It addresses the overlap between religion ethics armed conflict and law within the context of the current conflict While many issues in areas such as intelligence reconciliation of civil liberties dealing with terrorist threats and the permissible bounds of interrogation treatment of prisoners and laws governing armed conflict have long standing precedents under domestic and international law this war has challenged even long standing legal interpretations The contributors to this volume explore those precedents and contemporary challenges to them Now that traditional wars between nation states are no longer the rule the terrorist threat has gained credence popularly terrorism and its claimed breeding ground in failed states linked in practice to issues of intervention on the territory of states harboring such groups In military circles the idea of armed struggle between modern military forces and what were formerly called guerillas has now largely been replaced by asymmetric warfare and the concept of intelligence and preventive action interchangeably within U S borders and overseas Opposing views contemplate that different and presumably lower legal standards may apply in internal armed conflicts Such legal issues are visible under current circumstances of asymmetric warfare in conjunction with questions about prisoner status and detentions including the permissible bounds of interrogation versus torture following the Abu Ghraib prison scandal in Iraq but also the treatment at the Guantanamo Bay facility of alleged Al Qaeda captives from Afghanistan All of the contributors in this book explore the changing circumstances against which these contentious new legal issues now unfold The experts strike no consensus Indeed one of the work s many strengths can be attributed to the fact that the many facets of the

ongoing debate are represented herein      *Christian Perspectives on Politics* J. Philip Wogaman, 2000-01-01 Minister  
Wogaman updates his comprehensive discussions on the meaning and importance of politics the history of Christian political  
thought and church state relations the legislation of social morality and criminal justice issues

### Religious Perspectives On War Christia Introduction

In today's digital age, the availability of Religious Perspectives On War Christia books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Religious Perspectives On War Christia books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Religious Perspectives On War Christia books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Religious Perspectives On War Christia versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Religious Perspectives On War Christia books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Religious Perspectives On War Christia books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Religious Perspectives On War Christia books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free

access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Religious Perspectives On War Christia books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Religious Perspectives On War Christia books and manuals for download and embark on your journey of knowledge?
