Religious Toleration And Social Change In Hamburg 1529 1819:

Religious Toleration and Social Change in Hamburg, 1529-1819 Joachim Whaley, 2002-07-18 A study of the way in which ideas of toleration were received and gradually implemented

Jewish Welfare in Hamburg and Manchester, C. 1850-1914 Rainer Liedtke, 1998 This comparative history of Jewish welfare in Hamburg and Manchester highlights Jewish integration and identity formation in nineteenth century Europe Despite their fundamentally different historical experiences the Jews of both cities displayed very similar patterns of welfare organization This is illustrated by an analysis of community wide Jewish welfare bodies and institutions provisions for Eastern European Jewish immigrants and transmigrants the importance of women in Jewish welfare and the function of specialized Jewish voluntary welfare associations The realm of welfare was vital for the preservation of secular Jewish identities and the maintenance of internal social balances Dr Liedtke demonstrates how these virtually self sufficient Jewish welfare systems became important components of distinctive Jewish subcultures He shows that though it was intended to promote Jewish integration the separate organization of welfare in practice served to segregate Jews from non Jews in this very important sphere of everyday life

Jews in the Early Modern World Dean Phillip Bell, 2008 *Jews in the Early Modern World* argues that the years between 1400 and 1700 represented a discrete cohesive and important period in Jewish history Given the significant demographic shifts that began just before and ended just after this period remarkable changes occurred in the history and experiences of Jews around the world This volume begins with a broad context of Jewish experiences under medieval Christianity and Islam It then turns to the early modern period first providing an overview of Jewish demography and settlement Next the nature and structure of Jewish community and social structures in the early modern period are explored In the final two chapters this book presents a broad overview of Jewish religious and cultural life and Jewish relations with non Jews throughout the early modern period
