The Reluctant Rapist

by Ed Bullins

MELVIN VAN PEEBLES says this novel has "reality—plain old poignant, searing reality."

EZEKIEL MPHAHLELE says "Bullins has a sharp eye for the concrete and the dramatic, which is not surprising as he is a dramatist. It is as earthy a narrative as the real life it portrays."

This is Ed Bullins' first novel. In a New Yorker profile of him, Jarvis Anderson says: "Ed Bullins, who at the age of thirty-seven has . . . written more than thirty plays, must surely be the most prolific of the younger black playwrights in America. On the strength of his most popular plays—*Goin' a Buffalo*, *In the Wine Time*, *The Electronic Nigger*, *The Duplex*, *Clara's Ole Man*, *In New England Winter*, and *The Fabulous Miss Marie*—he may also be the best."

Mr. Bullins says of his novel, which he took over ten years to complete, "The

(continued on back flap)

(continued from front flap)

original idea came from the image of a Black outcast, outlaw of society moving through the social/cultural and political climate of the day."

The Reluctant Rapist is the story, often a bitterly painful one, of Steve Benson, small, tough, black, from his early days in Philadelphia, to Aunt Bessie's farm in Maryland, to college in Los Angeles, with a hitch in the navy along the way.

Steve's friends and enemies, his girls (some more permanent than others), and his relatives come vividly alive in this fierce, strong chronicling of a man's beginnings and of his growth, of his education in the ways of the world and the ways of the opposite sex.

Mr. Bullins has, as a playwright, won the Obie Award and the Vernon Rice Drama Award, and has received Rockefeller and Guggenheim Foundation grants. He is playwright in residence for The New Lafayette Theatre and The American Place Theatre.
