

RELUCTANT UNION

Alsace-Lorraine and
Imperial Germany
1871-1918

Dan P. Silverman

Reluctant Union Alsace Lorraine And Imperial Germany 1871 1918

Ian Porter, Ian D. Armour

Reluctant Union Alsace Lorraine And Imperial Germany 1871 1918:

Reluctant Union; Alsace-Lorraine and Imperial Germany, 1871-1918 Dan P. Silverman, 1972 The first major English language work on Alsace Lorraine and imperial Germany in over fifty years Reluctant Union revises many of the commonly held notions about the German annexation and rule of the territory that came to be known as the Reichsland Concentrating on the territory's internal development between 1871 and 1918 and its relationship to imperial Germany Dr Silverman rejects the traditional treatment of Alsace Lorraine as merely an object of international tension The territory's population is viewed as a pluralistic society not as a monolithic hostile anti German phalanx The role of chauvinistic sentiment is placed in proper perspective for the Alsace Lorrainers political and economic considerations often outweighed nationalistic preferences In showing that German authority was seriously divided between conciliation and coercion Dr Silverman dismisses the widespread assumption that the German bureaucracy was invariably repressive in its attempts to integrate the Reichsland into the empire In fact the confusion and vacillation produced by the conflicts between imperial civilian and military authorities reactivated political life in Alsace Lorraine This political reawakening led to a closer tie between the Reichsland and the empire but opposition from German industrial interests obstructed economic integration Alsace Lorraine's political social and economic history from 1871 to 1918 has never before been investigated in such depth Dr Silverman's description and analysis of this period details the Reichsland's administrative and constitutional history outlines German programs for Alsace Lorraine in the critical areas of citizenship option military service language requirements and education traces the German government's attempts to regulate and suppress the Roman Catholic Church in Alsace Lorraine and includes a highly interpretive survey of the Reichsland's economic history which complements the portrayal of the development of territorial political parties Free from the nationalistic bias that detracts from most studies of Alsace Lorraine Reluctant Union fills a major gap in the history of imperial Germany and modern Europe

Imperial Germany 1890 - 1918 Ian Porter, Ian D. Armour, 2014-06-06 The Wilhelmine period is a crucial period of German history and the focus of great historical controversy greater understanding of this period is also vital to explain the rise of the Third Reich The authors focus on Germany's role as a major military and imperial power industrialization and the economy the crucial effects of the war years and the disturbing evidence that Germany's response to Hitler is to be found in the Wilhelmine era

Imperial Germany 1850-1918 Edgar Feuchtwanger, 2002-01-04 Imperial Germany focuses on the domestic political developments of the period putting them into context through a balanced guide to the economic and social background culture and foreign policy This important study explores the tensions caused within an empire which was formed through war against the prevailing liberal spirit of the age and poses many questions among them Was the desire to unify Germany the cause of the aggressive foreign policy leading to the First World War To what extent was Bismarck's Second Reich the forerunner of Hitler's Third Did Bismarck's authoritarian rule permanently hinder the political development of

Germany Recent debates raised by German scholarship are made accessible to English speaking readers and the book summarises the important controversies and competing interpretations of imperial German history **French Music, Culture, and National Identity, 1870-1939** Barbara L. Kelly, 2008 Heroism art and new media France and identity formation Unifying the French nation Savorgnan de Brazza and the Third Republic Edward Berenson New media source bonding and alienation listening at the 1889 Exposition Universelle Annegret Fauser Debussy and the making of a musician Françoise Pell as the press and World War I Barbara L. Kelly A bas Wagner the French press campaign against Wagner during World War I Marion Schmid Canon style and political alignment D. Indy's Beethoven Steven Huebner Messidor republican patriotism and the French revolutionary tradition in Third Republic opera James Ross The symphony and national identity in early twentieth century France Brian Hart Transcending the word religion and music in Gauguin's quest for abstraction Debora Silverman Jolivet's search for a new French voice spiritual otherness in Mana 1935 Deborah Mawer Regionalism Rameau in late nineteenth century Dijon memorial festival fiasco Katharine Ellis Becoming Alsatian anti German and pro French cultural propaganda in Alsace 1898 1914 Detmar Klein National identity and the double border in Lorraine 1870 1914 Didier Francfort **The Shadow of Colonialism on Europe's Modern Past** R. Healy, E. Dal Lago, Enrico Dal Lago, 2014-10-28 Through a range of case studies from eastern and western Europe this book breaks new ground in investigating the extent to which European peoples living within Europe were also subjected to the ideologies and practices of colonialism **A Terrible and Terribly Interesting Epoch** Alexandra Garbarini, Jean-Marc Dreyfus, 2021-11-15 Published in association with the United States Holocaust Memorial Museum This extraordinary wartime diary provides a rare glimpse into the daily life of French and foreign born Jewish refugees under the Vichy regime during World War II Long hidden the diary was written by Lucien Dreyfus a native of Alsace who was a teacher at the most prestigious high school in Strasbourg an editor of the leading Jewish newspaper of Alsace and Lorraine the devoted father of an only daughter and the doting grandfather of an only granddaughter In 1939 after the French declaration of war on Hitler's Germany Lucien and his wife Marthe were forced by the French state to leave Strasbourg along with thousands of other Jewish and non Jewish residents of the city The couple found refuge in Nice on the Mediterranean coast in the south of France Anti Jewish laws prevented Lucien from resuming his teaching career and his work as a newspaper editor But he continued to write recording his trenchant reflections on the situation of France and French Jews under the Vichy regime American visas allowed his daughter son in law and granddaughter to escape France in the spring of 1942 and establish new lives in the United States but Lucien and Marthe were not so lucky Rounded up during an SS raid in September 1943 they were deported and murdered in Auschwitz Birkenau two months later As the only diary by an observant Jew raised bi culturally in French and German Dreyfus's writing offers a unique philosophical and moral reflection on the Holocaust as it was unfolding in France *Beyond Inclusion and Exclusion* Jason Crouthamel, Michael Geheran, Tim Grady, Julia Barbara Köhne, 2018-11-29 During

the First World War the Jewish population of Central Europe was politically socially and experientially diverse to an extent that resists containment within a simple historical narrative While antisemitism and Jewish disillusionment have dominated many previous studies of the topic this collection aims to recapture the multifariousness of Central European Jewish life in the experiences of soldiers and civilians alike during the First World War Here scholars from multiple disciplines explore rare sources and employ innovative methods to illuminate four interconnected themes minorities and the meaning of military service Jewish Gentile relations cultural legacies of the war and memory politics

The Price of Exclusion Eric Kurlander, 2006-08-01 The failure of Liberalism in Germany and its responsibility for the rise of Nazism has been widely discussed among scholars inside and outside Germany This author argues that German liberalism failed because of the irreconcilable conflict between two competing visions of German identity In following the German liberal parties from the Empire through the Third Reich Kurlander illustrates convincingly how an exclusionary racist Weltanschauung conditioned by profound transformations in German political culture at large gradually displaced the liberal universalist conception of a democratic Rechtsstaat Although there were some notable exceptions this widespread obsession with racial community Volksgemeinschaft caused the liberal parties to succumb to ideological lassitude and self contradiction paving the way for National Socialism

René Schickele and Alsace Áine McGillicuddy, 2011 Born into a German French bilingual environment the once renowned German language author Ren Schickele 1883 1940 grew up in the Alsace region today located in eastern France during its annexation to the German Empire when links to French culture were frowned upon In the aftermath of the First World War the situation was reversed when Alsace was reclaimed by the French Republic In both these phases of its troubled history Schickele insisted on the importance of Alsace s right to retain its double cultural heritage between the borders of its powerful rival neighbours and on its potential as mediator between France and Germany to promote peace in Europe These issues are addressed in a critical discussion of a range of Schickele s works His controversial wartime drama Hans im Schnakenloch affords a wry but penetrating insight into issues of identity in Alsace under German rule up to the war while his socio political essays and a novel trilogy Das Erbe am Rhein were written against the backdrop of the malaise alsacien and life under French rule The historical background to the work is examined in detail as it is intimately bound up with the issues of cultural identity that Schickele explores in his writings

Special Bibliography, 1975
