Rematerializing Shakespeare Authority And Representation On The Early Modern English Stage

Jason Gleckman

Rematerializing Shakespeare Authority And Representation On The Early Modern English Stage:

Rematerializing Shakespeare B. Reynolds, W. West, 2005-11-01 To rematerialize in the sense of Rematerializing Shakespeare Authority and Representation on the Early Modern English Stage is not to recover a lost material infrastructure as Marx spoke of nor is it to restore to some material existence its priority over the imaginary Indeed this collection of work by some of the most highly regarded critics in Shakespeare studies does not offer a single theoretical stance on any of the various forms of critical materialism Marxism cultural materialism new historicism transversal poetics gender studies or performance criticism but rather demonstrates that the materiality of Shakespeare is multidimensional and consists of the imagination the intended and the desired Nothing returns in this rematerialization unless it is a return in the sense of the repressed which when it comes back comes back as something else An all star line up of contributors includes Kate McLuskie Terence Hawkes Catherine Belsey and Doug Bruster Writing Robert Greene Kirk Melnikoff, Edward Gieskes, 2016-02-17 Robert Greene contemporary of Shakespeare and Marlowe and member of the group of six known as the University Wits is the subject of this essay collection the first to be dedicated solely to his work Although in his short lifetime Greene published some three dozen prose works composed at least five plays and was one of the period's most recognized even notorious literary figures his place within the canon of Renaissance writers has been marginal at best Writing Robert Greene offers a reappraisal of Greene's career and of his contribution to Elizabethan culture Rather than drawing lines between Greene's work for the pamphlet market and for the professional theatres the essays in the volume imagine his writing on a continuum Some essays trace the ways in which Greene's poetry and prose navigate differing cultural economies Others consider how the full spectrum of his writing contributes to an emergent professional discourse about popular print and theatrical culture The volume includes an annotated bibliography of recent scholarship on Greene and three valuable appendices presenting apocrypha edition information and editions organized by year of publication *The Materiality of Religion in Early Modern English Drama* Elizabeth Williamson, 2016-03-03 The Materiality of Religion in Early Modern English Drama is the first book to present a detailed examination of early modern theatrical properties informed by the complexity of post Reformation religious practice Although English Protestant reformers set out to destroy all vestiges of Catholic idolatry public theater companies frequently used stage properties to draw attention to the remnants of traditional religion as well as the persistent materiality of post Reformation worship The Materiality of Religion in Early Modern English Drama explores the relationship between popular culture and theatrical performance by considering the social history and dramatic function of these properties addressing their role as objects of devotion idolatry and remembrance on the professional stage Rather than being aligned with identifiably Catholic or Protestant values the author reveals how religious stage properties functioned as fulcrums around which more subtle debates about the status of Christian worship played out Given the relative lack of existing documentation on stage properties The Materiality of Religion in Early Modern English Drama employs a wide range

of source materials including inventories published in the Records of Early English Drama REED volumes to account for the material presence of these objects on the public stage By combining historical research on popular religion with detailed readings of the scripts themselves the book fills a gap in our knowledge about the physical qualities of the stage properties used in early modern productions Tracing the theater's appropriation of highly charged religious properties *The Materiality of Religion in Early Modern English Drama* provides a new framework for understanding the canonization of early modern plays especially those of Shakespeare

The Poetics of Literary Transfer in Early Modern France and England

Hassan Melehy, 2016-02-24 Examining both familiar and underappreciated texts Hassan Melehy foregrounds the relationships that early modern French and English writers conceived with both their classical predecessors and authors from flourishing literary traditions in neighboring countries In order to present their own avowedly national literatures as successfully surpassing others they engaged in a paradoxical strategy of presenting other traditions as both inspiring and dead Each of the book's four sections focuses on one early modern author Joachim Du Bellay Edmund Spenser Michel de Montaigne and William Shakespeare Melehy details the elaborate strategies that each author uses to rewrite and overcome the work of predecessors His book touches on issues highly pertinent to current early modern studies among these are translation the relationship between classicism and writing in the vernacular the role of literature in the consolidation of the state attitudes toward colonial expansion and the New World and definitions of modernity and the past

The Return of Theory in Early Modern English Studies, Volume II P. Cefalu, G. Kuchar, B. Reynolds, 2014-10-14 This companion volume to *The Return of Theory in Early Modern English Studies* Tarrying with the Subjunctive exemplifies the new directions in which the field is going as well as the value of crossing disciplinary boundaries within and beyond the humanities Topics studied include posthumanism ecological studies and historical phenomenology

The Return of Theory in Early Modern English Studies E. Aston, B. Reynolds, Paul Cefalu, 2016-04-30 This collection looks at the growing rapprochement between contemporary theory and early modern English literary cultural studies With sections on posthumanism and cognitive science political theology and rematerialism and performance the essays incorporate recent theoretical inquiries into new readings of early modern texts

Broken Harmony Joseph M. Ortiz, 2011-02-14 Music was a subject of considerable debate during the Renaissance The notion that music could be interpreted in a meaningful way clashed regularly with evidence that music was in fact profoundly promiscuous in its application and effects Subsequently much writing in the period reflects a desire to ward off music's illegibility rather than come to terms with its actual effects In *Broken Harmony* Joseph M Ortiz revises our understanding of music's relationship to language in Renaissance England In the process he shows the degree to which discussions of music were ideologically and politically charged Offering a historically nuanced account of the early modern debate over music along with close readings of several of Shakespeare's plays including *Titus Andronicus* *The Merchant of Venice* *The Tempest* and *The Winter's Tale* and Milton's *A Maske* Ortiz challenges the consensus that music's affinity with

poetry was widely accepted or even desired by Renaissance poets Shakespeare more than any other early modern poet exposed the fault lines in the debate about music's function in art repeatedly staging disruptive scenes of music that expose an underlying struggle between textual and sensuous authorities Such musical interventions in textual experiences highlight the significance of sound as an aesthetic and sensory experience independent of any narrative function

Cultural value in twenty-first-century England Kate McLuskie, Kate Rumbold, 2015-11-01 This book deals with Shakespeare's role in contemporary culture It looks in detail at the way that Shakespeare's plays inform modern ideas of cultural value and the work required to make Shakespeare part of modern culture It is unique in using social policy anthropology and economics as well as close readings of the playwright to show how a text from the past becomes part of contemporary culture and how Shakespeare's writing informs modern ideas of cultural value It goes beyond the twentieth century cultural studies debates that argued the case for and against Shakespeare's status to show how he can exist both as a free artistic resource and as a branded product in the cultural marketplace It will appeal not only to scholars studying Shakespeare but also to educators and any reader interested in contemporary cultural policy

Shakespeare's Entrails D. Hillman, 2006-12-14 Shakespeare's Entrails explores the connections between embodiment knowledge and acknowledgement in Shakespeare's plays Hillman sets out a theory of the emergence of modern subjectivity in the context of a world that was increasingly coming to see the human body as a closed system

Shakespeare and Protestant Poetics Jason Gleckman, 2019-10-29 This book explores the impact of the sixteenth century Reformation on the plays of William Shakespeare Taking three fundamental Protestant concerns of the era double predestination conversion and free will it demonstrates how Protestant theologians in England and elsewhere reimagined these longstanding Christian concepts from a specifically Protestant perspective Shakespeare utilizes these insights to generate his distinctive view of human nature and the relationship between humans and God Through in depth readings of the Shakespeare comedies *The Merry Wives of Windsor* *Much Ado About Nothing* *A Midsummer Night's Dream* and *Twelfth Night* the romance *A Winter's Tale* and the tragedies of *Macbeth* and *Hamlet* this book examines the results of almost a century of Protestant thought upon literary art

Rematerializing Shakespeare Authority And Representation On The Early Modern English Stage Introduction

In the digital age, access to information has become easier than ever before. The ability to download Rematerializing Shakespeare Authority And Representation On The Early Modern English Stage has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book,

or a professional seeking research papers, the option to download Rematerializing Shakespeare Authority And Representation On The Early Modern English Stage has opened up a world of possibilities. Downloading Rematerializing Shakespeare Authority And Representation On The Early Modern English Stage provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rematerializing Shakespeare Authority And Representation On The Early Modern English Stage has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rematerializing Shakespeare Authority And Representation On The Early Modern English Stage. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rematerializing Shakespeare Authority And Representation On The Early Modern English Stage. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Rematerializing Shakespeare Authority And Representation On The Early Modern English Stage, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Rematerializing Shakespeare Authority And Representation On The Early Modern English Stage has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Rematerializing Shakespeare Authority And Representation On The Early Modern English Stage Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
