

REMBRANDT IN HET MAURITSHUIS

Rembrandt's 'The Anatomy Lesson of Dr. Nicolaes Tulp' is a masterpiece of Baroque painting. It depicts a group of seven men in 17th-century attire gathered around a table, examining a dissected body. The scene is set in a dimly lit room, with the figures illuminated by a single light source, creating strong contrasts and highlighting the anatomical details. The painting is a reproduction of the original work by Rembrandt, which is housed in the Mauritshuis in The Hague.
