Remember Ill Always Love You:

Secret Flames Drucilla Karim,2013-01-31 Carved indelibly on the walls of my heart is a love that tiptoed out of the shadows of your smile Your beauty ignited the innermost peace of my soul and like flowing tresses of the night Life s journey has a new meaning I wholeheartedly think that poems must be expressed by true emotions of the heart The title of this anthology SECRET FLAMES is a compilation of the flowering thoughts and imagination of a clustered mind searching for unknown love and happiness For a lover interested in whatever life entails expressing rhythms and mysteries of the heart into sweet sounding words

Catalog of Copyright Entries Library of Congress. Copyright Office,1949 **Catalog of Copyright Entries** ,1945 **This Dying Thing** David Payton,2012-06 The inspiration of this book came from the death of my mother Frances Edith Nix Tolliver She died February 19th 2007 She was born April 24th 1920 I was fortunate enough to have her 56 years of my life We are not raised to die we are raised to live even though the plot from mankind is like they would do sheep cows or chickens although you are cared for to a certain degree you are not going to make it out of this world alive My thought on this is that if we were raised to die there would probably be more tragedy probably be more destruction and chaos and then again maybe not I also agree that because there are enormous amounts of people and quite a few that would like to run the world a certain way we will never unite to a calm and peace that can exist given the right circumstances
