Remember Me You Never Forget Your First Time:

Kathy C. Watson, 2006-10-01 For many many years you may have heard that God doesn't still perform miracles. A Mother In Mourning will restore your faith if you are among the many who don't believe. Kathy will tell you too of the many miracles God has given to her. One of the miracles was giving birth to her sons. Another came after the fatal accident of her oldest son when an angel was waiting for her in the most unusual place her favorite coffee house. A Mother In Mourning is sure to be a best seller of its kind. Kathy delivers a truly powerful love story involving herself, her two sons, and her God. From the first day she gave birth to her sons, she held them close to her. To Aaron and Kendrick, she was a one-of-a-kind mother; she was their mentor, their right hand, their best friend, and their preparedness for this thing called life. Most importantly, she was Aaron's and Kendrick's overseer in making sure that without a doubt, their ultimate destination would be heaven. A Mother In Mourning will take you on a journey filled with nothing but love, joy, and the pain of being a mother. This heart-felt true story will have you laughing out loud and at the same time bring joyful tears to your eyes. It's clear that Kathy understood from the very beginning what it took to be a good mother. You will also read how God gave her a premonition that something tragic was going to happen five months before his death. She didn't know what it was until a knock came on her door one early morning. She opened the door only to see two police officers standing there, and one of them was holding her son's driver's license. Through all of their years together with his following closely in her footsteps, she never could have predicted that Aaron would have had such a short life. Kathy and her sons were so close it seemed to her that the sun would shine on them forever. One Wednesday evening just as the sun was going down, God called Aaron's name. Even though she has always been a natural teacher of having faith in God, the devastation of losing her son has caused her faith to increase even more. You will read how God got her through the lowest stage of her life when no one else was there for her. A Mother In Mourning is not just for someone who has lost a loved one. It is a book that unmistakably teaches us to have faith in God and to realize that life is a journey. Yes, it is a journey that we all must travel and that will one day make no mistake about it come to an end.

Do You Remember Me? Pierre Delerive, 2012-08-30 Do you remember me is the story of Louis, a man who years ago faced a tragic moral dilemma. Now the consequences have come back to haunt him. This gripping novel will have readers thinking about love, friendship, and whether there is ever any justification for betrayal. When Louis receives a phone call from Bertrand, his childhood best friend and companion of arms in the French Resistance, announcing his visit for the evening, a long day of anxiety begins. The two men haven't spoken since their return from hell in Buchenwald 65 years ago. Louis had betrayed Bertrand to the Germans in order to save his Jewish girlfriend. For years, Louis has tried to live a normal life and worked at forgetting his crime and betrayal. What will happen when Bertrand shows up at his door? From a setting of German-occupied Paris in the 1940s to the Buchenwald concentration camp to the present time in Chartres, France, Do you remember me is told from the traitor's point of view.
