The Book of Mormon: A Very Short

Introduction Terryl L. Givens, 2009-08-31 With over 140 million copies in print and serving as the principal proselytizing tool of one of the world's fastest growing faiths the Book of Mormon is undoubtedly one of the most influential religious texts produced in the western world Written by Terryl Givens a leading authority on Mormonism this compact volume offers the only concise accessible introduction to this extraordinary work Givens examines the Book of Mormon first and foremost in terms of the claims that its narrators make for its historical genesis its purpose as a sacred text and its meaning for an audience which shifts over the course of the history it unfolds The author traces five governing themes in particular revelation Christ Zion scripture and covenant and analyzes the Book's central doctrines and teachings Some of these resonate with familiar nineteenth century religious preoccupations others consist of radical and unexpected takes on topics from the fall of Man to Christ's mortal ministries and the meaning of atonement Givens also provides samples of a cast of characters that number in the hundreds and analyzes representative passages from a work that encompasses tragedy poetry sermons visions family histories and military chronicles Finally this introduction surveys the contested origins and production of a work held by millions to be scripture and reviews the scholarly debates that address questions of the record's historicity Here then is an accessible guide to what is by any measure an indispensable key to understanding Mormonism But it is also an introduction to a compelling and complex text that is too often overshadowed by the controversies that surround it About the Series Combining authority with wit accessibility and style Very Short Introductions offer an introduction to some of life's most interesting topics Written by experts for the newcomer they demonstrate the finest contemporary thinking about the central problems and issues in hundreds of key topics from philosophy to Freud quantum theory to Islam

Quotes for Signboards, Marquees, Church Signs, Inspiration, and Reflection Stan H. McCarley, 2024-02-02 Character is doing what is right when no one else is looking Keep your fears to yourself but share your courage with others Never put the key to your happiness in someone else's pocket Quantity is what you count quality is what you count on Very few burdens are heavy if everyone lifts These are just a few of the quotations that I have included in this book It is a culmination of over four decades of gathering quotes and sayings noticing church and marquee signs and bumper stickers and most recently researching on the Internet In the preface for this book I went through and listed quotes that meant a lot to me but as I look back I realize that they all mean something to me I hope that you can use them for motivation reflection and inspiration

Modern Spanish Grammar Christopher Pountain, Juan Kattan-Ibarra, Christopher J. Pountain, Juan Kattán-Ibarra, 2004-06-01 Modern Spanish Grammar A Practical Guide is an innovative reference guide to Spanish combining traditional and function based grammar in a single volume The Grammar is divided into two parts The shorter section covers traditional grammatical categories such as word order nouns verbs and adjectives The larger section is carefully organized around language functions and notions such as giving and seeking information putting actions into context expressing likes dislikes and preferences comparing objects and actions All grammar points and functions are richly illustrated and information is provided on register and relevant cultural background Written by experienced teachers and academics the Grammar has a strong emphasis on contemporary usage Particular attention is paid to indexing and cross referencing across the two sections This is the ideal reference grammar for learners of Spanish at all levels from elementary to advanced It will prove invaluable to those with little experience of formal grammar as no prior knowledge of grammatical terminology is assumed and a glossary of terms is provided The book will also be useful to teachers seeking back up to functional syllabuses and to designers of Spanish courses
