Pedaling into the Unknown Sally Fenner, 2023-03-03 Grief was gnawing at me trapping my body in a cycle of pain with no offer of relief making me restless and not letting me go I desired liberation to care less about things I desperately sought inner and outer liberation I was having sleepless nights My soul knew the solution but my body was not listening until the moment came when I just longed to leave I wished to free myself from this situation wipe it from my being and surround myself with the wilderness The wilderness was my church where I went to heal my hurt It understood me Bathed in nature I rid my mind of unpleasant thoughts and eased myself of the injustices that had incapacitated me depriving me of peace The only energy I had left in me I used to leave just go and be free The wilderness enabled me to breathe once more to really breathe and when you own your own breath no one can steal your peace And so the adventure began mountain biking from Canada to Mexico off road climbing a total elevation higher than Mt Everest and escaping predators for my honeymoon

Formula One The Circuits: Then and Now Frank Hopkinson, 2025-03-27 Formula One The Circuits Then Now is unique and compelling history and guide to some of the classic grand prix tracks By pairing vintage images with the same viewpoint today readers can see how dramatically Formula One has changed over the years from the cavalier attitude to danger of the past to the sophisticated modern sport we see today In the 1950s all that prevented cars from entering Monaco Harbour were some straw bales there was no pitlane and races weren't stopped for burning cars Today Armco and catch fencing line the harbourside cranes winch cars to safety in seconds and Tecpro barriers protect the most dangerous corners This book includes many historic aspects of F1 from the beautifully preserved pit buildings of Reims to the great temples of Speed at Monza and Spa Francorchamps three race venues from Formula 1's debut season in 1950 At Monza the lethal concrete banking has made way for a flat out road track with chicanes while Spa has cut the dangerous Burnenville corner and moved its pit buildings and startline Reims stopped hosting races in the 1960s and the infamous Muzon corner now lies under a farmer's field Other legendary circuits such as the Nurburgring's Green Hell are pictured before they became too dangerous to race on along with Pescara an F1 race through the Abruzzo Hills given special permission to run by the Italian government after the Mille Miglia tragedy of 1957 Compare the oldsterreichring before it was cut down to size as the Red Bull Ring and see Silverstone complete with the hangar that gave rise to the Hangar Straight In the United States there is the original Long Beach circuit Watkins Glen with its flamboyant race starter the Las Vegas grand prix that lasted only two years along with F1's ill fated Indianapolis adventure
