Francesco Rocco Ruggeri

Remembering Heavens Face A Story Of Rescue In Wartime Vietnam:

Remembering Heaven's Face John Balaban, 2002 The author recounts his years in Vietnam as a conscientious objector serving as a teacher and a rescue worker for an organization that sent children with war injuries to the United States

Revisiting Vietnam Julia Bleakney, 2013-09-13 This book explores the memorializing practices of American veterans of the Vietnam War at several of the most significant contemporary sites of memory in the United States and Vietnam These sites include veterans memoirs museum exhibits replicas of the National Vietnam Veterans Memorial and tourism to Vietnam Because war memorializing has since the late 1960s shifted focus from national soul searching to personal identity and recovery I emphasize how contemporary narratives of the war shaped more by memory than by history often are detached from the specific history of the war and its political controversies Drawing on trauma and cultural memory scholarship as well as empirical data gathered during field research in the U S and Vietnam the author examines how veterans memorializing practices have become increasingly individualized commodified and conservative since the early 1980s

Edinburgh Companion to Twentieth-Century British and American War Literature Adam Piette, 2012-03-07 The first reference book to deal so fully and incisively with the cultural representations of war in 20th century English and US literature and film The volume covers the two World Wars as well as specific conflicts that generated literary and imaginativ

Peace Is a Shy Thing Alex Vernon, 2025-05-27 The first literary biography of Tim O'Brien the preeminent American writer of the war in Vietnam and one of the best writers of his generation drawing on never before seen materials and original interviews Vietnam made me a writer Tim O'Brien Featuring over one hundred interviews with family friends peers and others not to mention countless exchanges with Tim O'Brien himself *Peace is a Shy Thing* provides a nearly day by day gripping account of O'Brien's thirteen months as an infantryman in Vietnam and gives equal diligence to reconstructing O'Brien's writing process This meticulously researched biography explores the life and journey that turned O'Brien into a literary icon and a household name It includes an unpublished short story about O'Brien from a college girlfriend documentation of his comical involvement with the Washington Post's coverage of Watergate and a 1989 attic exchange between American and Vietnamese writers on the eve of the publication of O'Brien's most beloved book *The Things They Carried* years before the two countries normalized relations *Peace is a Shy Thing* is as much a history of the era as it is a story of O'Brien's life from his small town midwestern mid century childhood to winning the National Book Award and his status as literary elder statesman A story which Vernon a combat veteran of the Persian Gulf War and a literary scholar trained by officers and professors of the Vietnam era is uniquely suited to tell [Entwined with Vietnam](#) Theodore M. Hammett, 2022-07-26 In 1968 Theodore Hammett entered a war he believed was wrong pressured by his father's threat to disown him if he withdrew from a Marine Corps officer candidate program He hated the Vietnam War and soon grew to hate Vietnam and its people As a supply officer at a field hospital uncomfortably near the DMZ he employed thievery bargaining

and lies to secure supplies for his unit and retained his sanity with the help of alcohol music and the promise of going home In 2008 he returned to Vietnam for a five year second tour to assist in improving HIV AIDS policies and prevention programs in Hanoi His memoir recounts his service at the height of the war and how the country he detested became his second home

Kill Anything That Moves Nick Turse, 2013-01-15 Based on classified documents and first person interviews a startling history of the American war on Vietnamese civilians The American Empire Project Winner of the Ridenhour Prize for Reportorial Distinction Americans have long been taught that events such as the notorious My Lai massacre were isolated incidents in the Vietnam War carried out by just a few bad apples But as award winning journalist and historian Nick Turse demonstrates in this groundbreaking investigation violence against Vietnamese noncombatants was not at all exceptional during the conflict Rather it was pervasive and systematic the predictable consequence of official orders to kill anything that moves Drawing on more than a decade of research into secret Pentagon archives and extensive interviews with American veterans and Vietnamese survivors Turse reveals for the first time the workings of a military machine that resulted in millions of innocent civilians killed and wounded what one soldier called a My Lai a month Devastating and definitive **Kill Anything That Moves** finally brings us face to face with the truth of a war that haunts America to this day **Postwar**

Journeys Hang Thi Thu Le-Tormala, 2021-06-18 **Postwar Journeys** American and Vietnamese Transnational Peace Efforts since 1975 tells the story of the dynamic roles played by ordinary American and Vietnamese citizens in their postwar quest for peace an effort to transform their lives and their societies Hang Thi Thu Le Tormala deepens our understanding of the Vietnam War and its aftermath by taking a closer look at postwar Vietnam and offering a fresh analysis of the effects of the war and what postwar reconstruction meant for ordinary citizens This thoughtful exploration of US Vietnam postwar relations through the work of US and Vietnamese civilians expands diplomatic history beyond its rigid conventional emphasis on national interests and political calculations as well as highlights the possibilities of transforming traumatic experiences or hostile attitudes into positive social change Le Tormala's research reveals a wealth of boundary crossing interactions between US and Vietnamese citizens even during the times of extremely restricted diplomatic relations between the two nation states She brings to center stage citizens efforts to solve postwar individual and social problems and bridges a gap in the scholarship on the US Vietnam relations Peace efforts are defined in their broadest sense ranging from searching for missing family members or friends helping people overcome the ordeals resulting from the war and meeting or working with

former opponents for the betterment of their societies Le Tormala s research reveals how ordinary US and Vietnamese citizens were active historical actors who vigorously developed cultural ties and promoted mutual understanding in imaginative ways even and especially during periods of governmental hostility Through nonprofit organizations as well as cultural and academic exchange programs trailblazers from diverse backgrounds promoted mutual understanding and acted as catalytic forces between the two governments Postwar Journeys presents the powerful stories of love and compassion among former adversaries their shared experiences of a brutal war and desire for peace connected strangers even opponents of two different worlds laying the groundwork for US Vietnam diplomatic normalization **Surviving Vietnam** Bruce Philip Dohrenwend,Nick Turse,Thomas J. Yager,Melanie M. Wall,2019 Uniquely using historical material and military records as well as personal interviews and clinical diagnoses Surviving Vietnam focuses on veterans war zone experiences and the development in some of PTSD It addresses controversies regarding reported rates of PTSD and the importance of exposure to traumatic events compared with pre war personal vulnerability Sicilian Visitors Volume 2 - Culture Francesco Rocco Ruggeri,2018-07-26 Sicilian Visitors Vol 2 Culture focuses on a wide range of cultural aspects of the island of Sicily including religion literature art music science sports food as well describing visitors who have come to the island and their impressions Vol 2 is the companion of Vol 1 which describes the island s history
