Remembering The Holocaust:

Remembering the Holocaust Esther Jilovsky, 2015-08-27 An intriguing analysis of how place constructs memory and how memory constructs place *Remembering the Holocaust* shows how visiting sites such as Auschwitz shapes the transfer of Holocaust memory from one generation to the next Through the discussion of a range of memoirs and novels including *Landscapes of Memory* by Ruth Kluger *Too Many Men* by Lily Brett *The War After* by Anne Karpf and *Everything is Illuminated* by Jonathan Safran Foer *Remembering the Holocaust* reveals the pivotal yet complicated role of place in each generation s writing about the Holocaust This book provides an insightful and nuanced investigation of the effect of the Holocaust upon families from survivors of the genocide to members of the second and even third generations of families involved By deploying an innovative combination of generational and literary study of Holocaust survivor families focussed on place *Remembering the Holocaust* makes an important contribution to the field of Holocaust Studies that will be of interest to scholars and anyone interested in Holocaust remembrance

Remembering the Holocaust in Educational Settings Andy Pearce, 2018-05-30 *Remembering the Holocaust in Educational Settings* brings together a group of international experts to investigate the relationship between Holocaust remembrance and different types of educational activity through consideration of how education has become charged with preserving and perpetuating Holocaust memory and an examination of the challenges and opportunities this presents The book is divided into two key parts The first part considers the issues of and approaches to the remembrance of the Holocaust within an educational setting with essays covering topics such as historical culture genocide education familial narratives the survivor generation and memory spaces in the United States United Kingdom and Germany In the second part contributors explore a wide range of case studies within which education and Holocaust remembrance interact including young people s understanding of the Holocaust in Germany Polish identity narratives Shoah remembrance and education in Israel the Holocaust and Genocide Centre of Education and Memory in South Africa and teaching at Deakin University Melbourne Australia An international and interdisciplinary exploration of how and why the Holocaust is remembered through educational activity *Remembering the Holocaust in Educational Settings* is the ideal book for all students scholars and researchers of the history and memory of the Holocaust as well as those studying and working within Holocaust education

Remembering the Second World War Patrick Finney, 2017-07-14 *Remembering the Second World War* brings together an international and interdisciplinary cast of leading scholars to explore the remembrance of this conflict on a global scale Conceptually it is premised on the need to challenge nation centric approaches in memory studies drawing strength from recent transcultural affective and multidirectional turns Divided into four thematic parts this book largely focuses on the post Cold War period which has seen a notable upsurge in commemorative activity relating to the Second World War and significant qualitative changes in its character The first part explores the enduring utility and the limitations of the national frame in France Germany and China The second explores

transnational transactions in remembrance looking at memories of the British Empire at war contested memories in East Central Europe and the transnational campaign on behalf of Japan's former comfort women A third section considers local and sectional memories of the war and the fourth analyses innovative practices of memory including re-enactment video gaming and Holocaust tourism Offering insightful contributions on intriguing topics and illuminating the current state of the art in this growing field this book will be essential reading for all students and scholars of the history and memory of the Second World War

Remembering the Reformation Alexandra Walsham, Brian Cummings, Ceri Law, Karis Riley, 2020-06-04 This stimulating volume explores how the memory of the Reformation has been remembered forgotten contested and reinvented between the sixteenth and twenty-first centuries Remembering the Reformation traces how a complex protracted and unpredictable process came to be perceived recorded and commemorated as a transformative event Exploring both local and global patterns of memory the contributors examine the ways in which the Reformation embedded itself in the historical imagination and analyse the enduring unstable and divided legacies that it engendered The book also underlines how modern scholarship is indebted to processes of memory making initiated in the early modern period and challenges the conventional models of periodisation that the Reformation itself helped to create This collection of essays offers an expansive examination and theoretically engaged discussion of concepts and practices of memory and Reformation This volume is ideal for upper-level undergraduates and postgraduates studying the Reformation Early Modern Religious History Early Modern European History and Early Modern Literature

Remembering the Cold War David Lowe, Tony Joel, 2014-01-21 Remembering the Cold War examines how more than two decades since the collapse of the Soviet Union Cold War legacies continue to play crucial roles in defining national identities and shaping international relations around the globe Given the Cold War's blurred definition it has neither a widely accepted commencement date nor unanimous conclusion what is to be remembered This book illustrates that there is in fact a huge body of remembrance and that it is more pertinent to ask what should be included and what can be overlooked Over five sections this richly illustrated volume considers case studies of Cold War remembering from different parts of the world and engages with growing theorisation in the field of memory studies specifically in relation to war David Lowe and Tony Joel afford careful consideration to agencies that identify with being victims of the Cold War In addition the concept of arenas of articulation which envelops the myriad spaces in which the remembering commemorating memorialising and even revising of Cold War history takes place is given prominence

between the National and the Transnational Larissa Allwork, 2015-07-30 Holocaust Remembrance Between the National and the Transnational provides a key study of the remembrance of the Jewish Catastrophe and the Nazi era past in the world arena. It uses a range of primary documentation from the restitution conferences speeches and presentations made at the Stockholm International Forum of 2000 SIF 2000 a global event and an attempt to mark a defining moment in the intercultural construction of the political and institutional memory of the Holocaust in the USA Europe and Israel. Containing oral history interviews with delegates to the conference and contemporary press reports this book explores the interrelationships between global and national Holocaust remembrances. The causes consequences and cosmopolitan intellectual context for understanding the SIF 2000 are discussed in great detail. Larissa Allwork examines this seminal moment in efforts to globally promote the important if ever controversial topics of Holocaust remembrance worldwide Genocide prevention and the commemoration of the Nazi past. Providing a balanced assessment of the Stockholm Project this book is an important study for those interested in the remembrance of the Holocaust and the Third Reich as well as the recent global direction in memory studies.

Just Remembering Michael Warren Tumolo, 2015-10-29 Just Remembering Rhetorics of Genocide Remembrance and Sociopolitical Judgment analyzes a set of influential discourses of genocide remembrance to explain how public memory discourses inform sociopolitical judgment. Within this explanatory context Just Remembering additionally asks how we might remember pasts marked by genocidal violence in ways that commit ourselves to a deeper understanding and more humane practice of justice. The chapters are thematically organized focusing on specific sites of memory to highlight symbolic inducements of memorial discourses. Chapter 2 analyzes U S public discourse concerning an Armenian Genocide resolution to elucidate the role of politics in the production dissemination and maintenance of memory. Chapter 3 offers a historical account of the shift in public discourse concerning the capture of the Nazi war criminal Adolf Eichmann demonstrating how and with what consequences the discourses shifted from a focus on law to a focus on morality. Chapter 4 expands this work by analyzing how competing narrative accounts of historical figures and events Eichmann and the Holocaust influence what we remember how we remember and the ends to which we apply such memories. Chapter 5 analyzes the Report of the President's Commission on the Holocaust that produced the United States official remembrance of the Holocaust. This chapter argues that the Commission Report provides an exemplary explanation for why we should remember and provokes a complex understanding of what we are to remember. Chapter 6 concludes the book by focusing on the productive capacity of the humanitarian aims of U S Holocaust remembrance.

Traumatic Memories of the Second World War and After Peter Leese, Jason Crouthamel, 2016-10-05 This collection investigates the social and cultural history of trauma to offer a comparative analysis of its individual communal and political effects in the twentieth century. Particular attention is given to witness testimony to procedures of personal memory and collective commemoration and to visual sources as they illuminate the changing historical nature of trauma. The essays draw on diverse methodologies including oral

history and use varied sources such as literature film and the broadcast media The contributions discuss imaginative communal and political responses as well as the ways in which the later welfare of traumatized individuals is shaped by medical military and civilian institutions Incorporating innovative methodologies and offering a thorough evaluation of current research the book shows new directions in historical trauma studies
