Remembrance Of Mother Words To Heal The Heart:

Remembrance of Mother Jonathon Lazear, 1994-05-06 When a mother dies those she leaves behind are filled with sorrow but what is sometimes overlooked is remembering and celebrating her legacy Remembrance of Mother is a moving and thoughtful collection of perspective on mothers and the vital influence they have on the past present and future of their children In remembering there can be joy and peace A son or daughter of any age can miss a mother's presence not just immediately following her death but at any time of sadness or celebration A book of comfort and support Remembrance of Mother is gentle reminder that although she is no longer here physically she lives on in the heart **In the Letting Go**

Jonathon Lazear, 2006-03-30 A mother is she who can take the place of all others but whose place no one else can take Cardinal Mermillod When a mother dies often the center of the family is gone The holiday rituals the special birthday celebrations for children and grandchildren the memories are often held by the mother A mother is a caretaker a best friend a source of sage like wisdom Losing her can be a traumatic experience In the Letting Go is not a guide through the stages of grief Instead it acts as a place of refuge for your memories and emotions It is a space where you are invited to discover solace through the experiences and feelings of others simple or profound A collection of quotations poems ancient proverbs and stories from the likes of Winston Churchill Madeleine L Engle and Jonathon Lazear himself this book acts as a companion to your grief whenever and wherever you might need it *Mother Heart Journey: Sakina Sario* Azhar ul Haque

Sario, 2024-06-18 Mother Heart Journey Sakina Sario isn't just another book about motherhood it's an intimate conversation with mothers from all walks of life It's about the gut feeling you get when your child needs you the sparks of creativity that ignite when you become a mom and the unbreakable bond that grows between a mother and child This book dives deep into the messy beautiful and sometimes overwhelming world of motherhood It celebrates the way raising children helps us learn to love ourselves the delicate dance between guiding and letting go and the healing power of a mother's love You'll find stories of resilience and strength of mothers who have faced incredible challenges and emerged even stronger In Mother Heart Journey we explore the magic of storytelling the importance of taking care of ourselves so we can take care of others and the unique bond between mothers and daughters mothers and sons and across generations You'll be inspired by stories of mothers who are changing the world fighting for what's right and leaving a lasting legacy for their families and communities Whether you're a new mom a seasoned pro or simply curious about the mother child connection this book will speak to your heart It's a reminder that motherhood is a journey not a destination and that every step of the way is filled with love laughter and the occasional tear **How to Heal Your Broken Heart** Kirk Laman, 2011-10-13
