*Reminiscences of James N. Glover* James N. Glover, 1985-01-01      Mental Territories Katherine G. Morrissey, 2018-09-05  
Rarely recognized outside its boundaries today the Pacific Northwest region known at the turn of the century as the Inland Empire included portions of the states of Washington and Idaho as well as British Columbia Katherine G Morrissey traces the history of this self proclaimed region from its origins through its heyday In doing so she challenges the characterization of regions as fixed places defined by their geography economy and demographics Regions she argues are best understood as mental constructs internally defined through conflicts and debates among different groups of people seeking to control a particular area s identity and direction She tells the story of the Inland Empire as a complex narrative of competing perceptions and interests      **The Spokane River** Paul Lindholdt, 2018-04-02 From Lake Coeur d Alene to its confluence with the Columbia the Spokane River travels 111 miles of varied and often spectacular terrain rural urban in places wild The river has been a trading and gathering place for Indigenous peoples for thousands of years With bountiful trout accessible swimming holes and challenging rapids it is a recreational magnet for residents and tourists alike The Spokane also bears the legacy of industrial growth and remains caught amid interests competing over natural resources The contributors to this collection profile this living river through personal reflection history science and poetry They bring a keen environmental awareness of resource scarcity climate change and cultural survival tied to the river s fate      The Publishers' Trade List Annual ,1991      *Guide to Reprints 2007* K. G. Saur Editorial Staff, 2006-01-10      **Henry Clay** James C. Klotter, 2018-07-02 Charismatic charming and one of the best orators of his era Henry Clay achieved success at many levels Yet Clay still saw presidential greatness remain a fingertip away Why This book uses new sources to provide a focused nuanced description of Clay s programs and politics and to explain why the man they called The Great Rejected never won the presidency but did win the accolades of history      **Compendium of History, Reminiscence, and Biography of Nebraska** ,1912      **The Inland Empire of the Pacific Northwest** George Washington Fuller, 1928      **Washington Territory** Robert E. Ficken, 2002 Established in 1853 Washington remained a territory for thirty six years until admitted into the union in 1889 Divided by the Cascade Range and lacking an effective internal transportation system Washington Territory made no practical sense as a political and economic entity until railroads finally unified the region in the mid 1880s Ficken has written the definitive economic and political history of territorial Washington      *Reminiscences of Public Men in Alabama* William Garrett, 1872
