Graber, George Graber, 1988 *Removable Partial Dentures* **Removable Partial Dentures** Nicholas J. A. Jepson, 2019-03-19 If partial dentures are worth making then they are worth making well This book presents a review of demographic changes in the partially dentate population the increasing availability of alternative treatments and evidence for the long term effectiveness of partial dentures In addition it provides evidence based guidelines that practitioners can apply to the design preparation completion and maintenance of removable partial dentures in their everyday clinical practice

McCracken's Removable Partial Prosthodontics Alan B. Carr, David T. Brown, 2015-11-06 The standard in prosthodontics for nearly 50 years *McCracken's Removable Partial Prosthodontics* 13th Edition walks readers through all the principles and

concepts surrounding removable partial denture treatment planning and design that today's practitioners need to know. Using an evidence-based approach, this full-color text incorporates the latest information on new techniques, procedures, and equipment, including expanded information on dynamic communication and the use of implants with removable partial dentures. From initial contact with the patient to post-treatment care, McCracken's is the complete foundation today's dentists need to successfully practice prosthodontic care. A variety of philosophies and techniques are featured throughout the text so readers can select and incorporate applicable techniques on a case-by-case basis. Full-color drawings and photographs give readers a detailed view of techniques, materials, and anatomic detail. Evidence-based approach uses current research to help readers diagnose, design, develop, and sequence a treatment plan. Expert guidance from both authors walks readers through the latest techniques as well as technological advances specific to removable partial dentures. NEW: Standardized removable partial denture designs offered for application to the major categories of patients seen in practice. NEW: Expanded information on the use of implants with removable partial dentures highlights considerations in treatment planning, including the selection of implants and provision of care utilizing dental implants. NEW: More information on dynamic communication, which incorporates the progress being made in shared decision-making with patients, especially regarding decisions made in light of patient values and trade-off considerations.

Understanding Partial Denture Design Kenneth Tyson, Robert Yemm, Brendan Scott, 2007. Understanding Partial Denture Design provides a step-by-step, highly illustrated guide to this difficult area of dentistry. This new book covers the design process, identification, and explanation of the role of the denture and the way in which components are selected to achieve successful and safe function, providing an invaluable student aid.

A clinical guide to removable partial dentures John Chester Davenport, British Dental Association, 2000. Rev. ed. of *Colour atlas of removable partial dentures* c1988.

Digital Removable Partial Denture Technology Haiyang Yu, 2023-05-23. This book introduces esthetic clasp as an innovative method that improves the appearance of clasps by changing the clasp design. It details the concept of esthetic clasp, the classification of esthetic clasp design methods, the clinical pathway of esthetic clasp techniques, many selected cases, and the logos of different kinds of esthetic clasps. This book is suitable for all professional dentists, dental technicians, and students.
