Studies in Italian Renaissance Architecture Wolfgang Lotz, 1977 Renaissance Architecture Christy

Anderson, 2013-02-28 A completely new approach to the history of Renaissance architecture encompassing the entire continent and dealing with the work of well known architects such as Michelangelo and Andrea Palladio alongside lesser known though no less innovative designers such as Juan Guas in Portugal and Benedikt Ried in Prague and Eastern Europe

The Renaissance from Brunelleschi to Michelangelo Henry A. Millon, Vittorio Magnago Lampugnani, 1994 The paragons of the Italian Renaissance Brunelleschi Alberti Michelangelo Bramante among them were almost without exception architects not only in practice but also in the private spheres of their imaginations Their architectural plans fantasies and models as much as the finished buildings are the records of their extraordinary creative endeavours Published in conjunction with a major exhibition at the Palazzo Grassi Venice this book presents a panorama of civil and religious masterworks and the ideas behind them by the geniuses who changed the face of European architecture in the form of their fascinating models plans and designs Essays by Carl Frommel Richard Krautheimer James Ackerman and other distinguished contributors consider architecture architectural modelling and urban planning in late medieval and Renaissance Italy reaching as far back as ancient Rome to uncover the roots of this great tradition The works are analyzed historically from the dual viewpoint of Renaissance humanism and modern critical reappraisal The essays cover French and German Renaissance architecture as well as Italian and also consider architecture's relationship with other arts such as stage design painting and sculpture Numerous designs projects and manuscripts some never before published are reproduced and described Architecture provided a medium for some of the greatest minds of the Italian Renaissance and their work set the pattern for all subsequent development in Europe The idiom they created is here given expression in the most complete and detailed corpus ever published on the subject BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights
