Robert Dallek

Rendezvous With My Professional Destiny:

Franklin D. Roosevelt Robert Dallek, 2018-11-06 Named a Best Book of the Year by The Washington Post and NPR We come to see in FDR the magisterial central figure in the greatest and richest political tapestry of our nation's entire history Nigel Hamilton Boston Globe Meticulously researched and authoritative Douglas Brinkley The Washington Post A workmanlike addition to the literature on Roosevelt David Nasaw The New York Times Dallek offers an FDR relevant to our sharply divided nation Michael Kazin Will rank among the standard biographies of its subject Publishers Weekly A one volume biography of Roosevelt by the 1 New York Times bestselling biographer of JFK focusing on his career as an incomparable politician uniter and deal maker In an era of such great national divisiveness there could be no more timely biography of one of our greatest presidents than one that focuses on his unparalleled political ability as a uniter and consensus maker Robert Dallek's Franklin D Roosevelt A Political Life takes a fresh look at the many compelling questions that have attracted all his biographers how did a man who came from so privileged a background become the greatest presidential champion of the country's needy How did someone who never won recognition for his intellect foster revolutionary changes in the country's economic and social institutions How did Roosevelt work such a profound change in the country's foreign relations For FDR politics was a far more interesting and fulfilling pursuit than the management of family fortunes or the indulgence of personal pleasure and by the time he became president he had commanded the love and affection of millions of people While all Roosevelt's biographers agree that the onset of polio at the age of thirty nine endowed him with a much greater sense of humanity Dallek sees the affliction as an insufficient explanation for his transformation into a masterful politician who would win an unprecedented four presidential terms initiate landmark reforms that changed the American industrial system and transform an isolationist country into an international superpower Dallek attributes FDR's success to two remarkable political insights First unlike any other president he understood that effectiveness in the American political system depended on building a national consensus and commanding stable long term popular support Second he made the presidency the central most influential institution in modern America's political system In addressing the country's international and domestic problems Roosevelt recognized the vital importance of remaining closely attentive to the full range of public sentiment around policy making decisions perhaps FDR's most enduring lesson in effective leadership

The Mind of an Engineer: Volume 2 Purnendu Ghosh, 2019-11-18 This book is a collection of chapters reflecting the experiences and achievements of some of the Fellows of the Indian National Academy of Engineering INAE The book comprises essays that look at reminiscences eureka moments inspirations challenges and opportunities in the journey of an engineering professional The chapters look at the paths successful engineering professionals take towards self realisation the milestones they crossed and the goals they reached The book contains 38 chapters on diverse topics that truly reflect the way the meaningful mind of an engineer works

Destiny's Waltz Robert de Warren, 2012-02-02 In a memoir both

fascinating and amazing de Warren recounts his life and as a dancer director choreographer choreographer and designer From Eva Peron to the Royal Ballet Shah of Iran to President Ford amazing twists in a fascinating life **Waking to Danger** Robert A. Rosenbaum, 2010-07-20 This intriguing study is the first comprehensive survey of American public opinion about Nazi Germany in the prewar years The 1930s were years when Americans struggled to define their country's role in a dangerous world Opinions were deeply divided and passionately held Waking to Danger Americans and Nazi Germany 1933-1941 traces the evolution of American public opinion about Germany as it spiraled from ignorance and isolationism to a sense of danger and interventionism This brief but broad survey fills a gap in the historical literature by bringing together for the first time the reactions toward Nazi Germany of a variety of groups peace advocates Jews fascists communists churches the business community and the military that have hitherto only been treated separately in monographic literature The result is a picture of evolving national public opinion that will be a walk down memory lane for the members of The Greatest Generation while offering those who did not live through these turbulent years a fresh understanding of the era **A Rendezvous with My Professional Destiny** Belmont F. Haydel Ph.D, 2003-11-14 The book's title is not an accident as Belmont Haydel feels strongly about A Rendezvous with My Professional Destiny Providence took him to Latin America and other places around the world in macro economic pursuits He found his work as an accountant a military officer and a diplomat not adequately fulfilling God's enlightenment directed him to higher education where he spent most of his professional years This book portrays his life through writings speeches and service in his chosen fields thus Making a Difference with people and their lives A compilation of Haydel's academic papers and professional works with selected themes portrayed in eight chapters is not intended to be a professional autobiography it constitutes a memoir which also delves into some of the author's non professional experiences The book serves as an historical reference for practitioners and scholars in international business and economics as well as strategic management and business policy This digest of the author's works and achievements is intended as an inspirational piece for young people seeking similar professions Its content also sheds light on a small fragment of history thus useful to professionals in the scholarly community This book is not comprehensive such a volume would be overwhelming Colleagues and former students contribute their thoughts in the Epilogue Expression section Dr Ruben Armiana President Sonoma State University said Working closely with Belmont I learned to appreciate his deep commitment to a just and ethical society this book which encompasses over 40 years of Belmont's distinguished work in the diplomatic service business academics and consulting makes significant contributions to the body of literature of several disciplines Ehab Al Shihabi CPA Manager KPMG Consulting wrote The most important day of my life occurred when I met Dr Haydel in 1993 while I was an undergraduate student at the University of Jordan We often discuss economics world affairs science religion his knowledge of Islam I am a Muslim and Christian Judaeo concepts is astonishing politics and law His wisdom and vision for the future have helped me shape my life From another reference Michael Skol former U S Foreign

Service Officer and U S Ambassador to Venezuela remarked This is no mere eyewitness account It is a chronicle of how one intelligent and broad minded American served his country and at the same time his own spiritual development throughout a distinguished multi level career The notable personalities and events are familiar what is new and intriguing is how Belmont Haydels own unique personality intersected with all that history and led to making some of his own This compendium includes abstracts of Haydels Masters thesis Finance and Economics and Ph D dissertation Management Organization Theory the American Consulate General So Paulo as commercial attach and the American Embassy Buenos Aires as economic commercial officer He presents segments of his economic reporting and commercial and investment pursuits of American businesses along with his experiences during his protocol ass

Of Stars and Men Zdenek Kopal, 2017-10-02 The twentieth century has been a remarkable epoch in the affairs of men and this is no less true of astronomy at once the oldest and most modern of the sciences Sky watchers at the beginning of the century measured positions and predicted celestial motions in faithful but uninspired homage to the Muse Urania nowadays their descendents call on all the resources of modern science to probe the nature and evolution of a bewildering range of celestial objects Man has even set out to call personally on his nearest neighbours in space Professor Zdenek Kopal has lived and practised astronomy throughout this efflorescence of his subject Born in Czechoslovakia just before the outbreak of the Great War and educated in the classical European tradition he knows well the days when scholars commanded such respect that astronomical congresses would be visited by Heads of State Yet within his own lifetime he has himself been recruited to play an important role in scientific preparations for a manned Moon landing He has known and worked with some of the most highly respected practitioners of Modern Astromomy Russell Shapley Urey in the United States Eddington in Britain His fine eye for detail coupled with his strong sense of history enable him to unfold through his personal recollections the development of his subject across the social changes of two world wars Inspired by his grandfather who would think nothing of walking sixty miles to theatrical performance the young Kopal acquired a Wanderlust that has taken him in his career more than a dozen times rond the world He has visited the most ancient observatories observed solar eclipses in Japan and Java helped to establish new institutions in Iraq and India and commuted for many years between the Old and New Worlds He has toiled in every corner of his chosen vinyard as observer outstanding theoretician populariser editor and teacher During his thirty years as Professor of Astronomy at Manchester he
