character and setting If a story doesn't work it could very well be because the elements aren't cohesive Cohesive Story Building shows how each element hinges on the other two and how to mix them until they fuse irrevocably Additionally Cohesive Story Building carefully explores each stage of story development from brainstorming and outlining to drafting and revision From a thorough look at the fundamentals of writing to comprehensive story building techniques as well as submission guidelines and etiquette this must have guide will see writers through the entire book writing process from start to finish Set within the framework of comparing the process of building a house to the process of building a story Cohesive Story Building gives a solid plan of action from start to finish through in depth examples and exercises and leave no stone unturned checklists that will help writers take the plan into their own writing Features detailed examples from published books to illustrate story building principles Those who have read Karen S Wiesner's reference First Draft Outline which focuses on in depth outlining and goal setting will find Cohesive Story Building a perfect companion to that book Falling Star Karen Wiesner,2011-08 A man of God a fallen angel Two different worlds one undying love For the first time in her life Rori Mason is independent supporting herself she has friends who love her and most importantly she respects herself She's vowed never to allow a man to hurt her again Nate Jovanovich broke the heart of a younger less cynical Rori by marrying her rival 11 years later Nate has lost his wife gained a child and at the end of it all realizes Rori is still the woman of his heart
