MONO-ALU FOLKLORE

BOUGAINVILLE STRAIT
WESTERN SOLOMON ISLANDS

BY
GERALD CAMDEN WHEELER
B.A. (Lond.)

This collection of Folk Tales, gathered during a stay in the Solomon Islands, will, it is hoped, interest the folklorist, the ethnologist, and the student of what may be called ethnological folklore or palæo-ethnology. There are also comparisons given from other parts of Melanesia. Of most of the Tales the native texts are given; and these together with the translations, notes, and glossary make a valuable contribution to Oceanic linguistics.

Mono-Alu Folklore (Bougainville Strait, Western Salomon Islands), by Gerald Camden Wheeler, ... Thesis Approved for the Degree of Doctor of Science (economics) in the University of London Gerald Clair William Camden Wheeler, 1926 *Anthropology and Politics* Joan Vincent, 2022-08-16 In considering how anthropologists have chosen to look at and write about politics Joan Vincent contends that the anthropological study of politics is itself a historical process Intended not only as a representation but also as a reinterpretation her study arises from questioning accepted views and unexamined assumptions This wide ranging cross disciplinary work is a critical review of the anthropological study of politics in the English speaking world from 1879 to the present a counterpoint of text and context that describes for each of three eras both what anthropologists have said about politics and the national and international events that have shaped their interests and concerns It is also an account of how intellectual social and political conditions influenced the discipline by conditioning both anthropological inquiry and the avenues of research supported by universities and governments Finally it is

a study of the politics of anthropology itself examining the survival of theses or schools of thought and the influence of certain individuals and departments Sexual Life In Ancient India V2 Johann Jakob Meyer, 2013-10-15 First Published in 2005 This is book attempts to give a true and vivid account of the life of woman in ancient India based upon the immense masses of material imbedded in the two great Epics the Mahabharata and the Ramayana Oral Traditions of Southeast Asia and Oceania Herman C. Kemp, 2004 **Nature** Sir Norman Lockyer, 1901 **Cosmos and Society in Oceania** Daniel de Coppet, Andre Iteanu, 2024-11-01 Current anthropology uses expressions such as society as a whole socio cosmic relations spatiotemporal extension global ideology and cosmomorphy to establish that the clear cut Western dichotomy between society and cosmos is not always to be found in the communities it studies In fact many elements that the West would at first undoubtedly classify as belonging either to the cosmos or to the society appear very often in Melanesia as belonging to neither one of these domains but to a realm which combines the attributes of both Focusing on different examples drawn from diverse Melanesian societies this thought provoking volume by eminent specialists re examines the relationship between society and cosmos and in the process opens new directions for research *American Anthropologist* ,1927
