Monster Can't Sleep Virginia Mueller, 1986 Monster can't fall asleep no matter what his parents try until he tries to put his pet spider to sleep

Our Voices Diana Radovan, 2022-02-28 Our Voices is a story of a woman in search of herself that keeps on turning the kaleidoscope that is memory and life over and over again looking for a meaning that seems to escape her an echo into both past and future a lyrical deeply personal confession

The Monsters of Templeton Lauren Groff, 2008-02-05 The day I returned to Templeton steeped in disgrace the fifty foot corpse of a monster surfaced in Lake Glimmerglass So begins The Monsters of Templeton a novel spanning two centuries part a contemporary story of a girl's search for her father part historical novel and part ghost story In the wake of a disastrous love affair with her older married archaeology professor at Stanford brilliant Wilhelmina Cooper arrives back at the doorstep of her hippie mother turned born again Christian's house in Templeton NY a storybook town her ancestors founded that sits on the shores of Lake Glimmerglass Upon her arrival a prehistoric monster surfaces in the lake bringing a feeding frenzy to the quiet town and Willie learns she has a mystery father her mother kept secret Willie's entire life The beautiful broody Willie is told that the key to her biological father's identity lies somewhere in her family's history so she buries herself in the research of her twisted family tree and finds more than she bargained for as a chorus of voices from the town's past some sinister all fascinating rise up around her to tell their side of the story In the end dark secrets come to light past and present day are blurred and old mysteries are finally put to rest The Monsters of Templeton is a fresh virtuoso performance that has placed Lauren Groff among the best writers of today

Picturebooks Evelyn Arizpe, Maureen Farrell, Julie McAdam, 2014-10-14 The picturebook is now recognized as a sophisticated art form that has provided a space for some of the most exciting innovations in the field of children's literature This book brings together the work of expert scholars from the UK the USA and Europe to present original theoretical perspectives and new research on picturebooks and their readers The authors draw on a variety of disciplines such as art and cultural history semiotics philosophy cultural geography visual literacy education and literary theory in order to revisit the question of what a picturebook is and how the best authors and illustrators meet and exceed artistic narrative and cultural expectations The book looks at the socio historical conditions of different times and countries in which a range of picturebooks have been created pointing out variations but also highlighting commonalities It also discusses what the stretching of borders may mean for new generations of readers and what contemporary children themselves have to say about picturebooks This book was originally published as a special issue of the New Review of Children's Literature and Librarianship
