

# PEMBERTON

*Defender of Vicksburg*

A sepia-toned illustration of the USS Pemberton, a Union ironclad, positioned in the Mississippi River. The ship is shown from a side-on perspective, with its two masts and various gun turrets visible. In the background, the city of Vicksburg is situated on a high, rocky bluff, with several buildings and fortifications visible. The river's surface is depicted with wavy lines, and the overall scene captures the strategic importance of the river during the American Civil War.

JOHN C. PEMBERTON

# Pemberton Defender Of Vicksburg

**Christopher Waldrep**

## **Pemberton Defender Of Vicksburg:**

**Pemberton, Defender of Vicksburg** John Clifford Pemberton,1942 This is the first biography of the Defender of Vicksburg General John C Pemberton A Philadelphia native Pemberton resigned from the United States Army in 1861 to fight on the side of the South influenced by his Virginia born wife and by his years of service in the Southern states before the Civil War He was made a Lieutenant General in the Confederate Army and assigned to defend Vicksburg and the Mississippi River Written by Pemberton s grandson and based on research in official records and family papers this book brings to light long neglected facts revealing the tragedy of errors that led to Vicksburg s fall It is in the words of historian Douglas Southall Freeman the fairest as well as the fullest study of the tragedy from the viewpoint of the principal Confederate actor

**Pemberton** John C. Pemberton,2002-05-01 This is the first biography of the Defender of Vicksburg General John C Pemberton A Philadelphia native Pemberton resigned from the United States Army in 1861 to fight on the side of the South influenced by his Virginia born wife and by his years o *Pemberton, Defender of Vicksburg, Etc. [With Plates, Including Portraits.]* John Clifford PEMBERTON (Lawyer, of New York.),1942 **Reevaluation Of Pemberton At Vicksburg** Major Malcolm G. Haynes,2015-11-06 Historians have largely agreed that Pemberton should shoulder the blame for the poor Confederate performance during the Vicksburg campaign General consensus exists among American Civil War historians that Pemberton proved a confused indecisive and incompetent commander and his poor leadership led to the Confederate defeat However an examination of the Vicksburg campaign conducted at the operational level of war shows that throughout the campaign Pemberton led a capable and competent defense not just of Vicksburg but of the Mississippi Department he commanded He relied on an operational approach that involved fighting from prepared defensive positions in favorable terrain deep in his own territory and anchored by natural obstacles To attack such a position Pemberton knew an opponent would need a large force operating over an extended line of communications LOC Pemberton intended to interdict his opponent s LOC using a strong cavalry force thus preventing the enemy from achieving the offensive momentum necessary to break through Vicksburg s defenses This was a sound operational approach However it failed because of an ineffective Confederate command structure that among other failures denied Pemberton the resources particularly adequate cavalry forces required to implement his operational approach *Pemberton : Defender of Vicksburg* John Clifford Pemberton (III.),1942 **Confederate Generals in the Western Theater: Classic essays on America's Civil War** Lawrence L. Hewitt,Arthur W. Bergeron,2010 Confederate Generals in the Western Theater ultimately comprise several volumes that promise a host of provocative new insights into not only the South s ill fated campaigns in the West but also the eventual outcome of the larger conflict Book Jacket Vicksburg's Long Shadow Christopher Waldrep,2005 During the hottest days of the summer of 1863 while the nation s attention was focused on a small town in Pennsylvania known as Gettysburg another momentous battle was being fought along the banks of the Mississippi In the longest single campaign of the war the

siege of Vicksburg left 19 000 dead and wounded on both sides gave the Union Army control of the Mississippi and left the Confederacy cut in half In this highly anticipated new work Christopher Waldrep takes a fresh look at how the Vicksburg campaign was fought and remembered He begins with a gripping account of the battle deftly recounting the experiences of African American troops fighting for the Union Waldrep shows how as the scars of battle faded the memory of the war was shaped both by the Northerners who controlled the battlefield and by the legacies of race and slavery that played out over the decades that followed

*The Confederate Carpetbaggers* Daniel E. Sutherland, 1988-06-01 Following the American Civil War many former Confederates fled their southern homeland Some became expatriates settling in Canada Europe Mexico South America and Asia Others migrated to the western United States seeking fresh starts in the newly forming territories But a third somewhat more audacious group invaded the land of their Yankee foe Settling in northeastern and midwestern towns and cities these Confederate carpetbaggers believed that northern economic and educational opportunities offered the quickest means of rebuilding shattered fortunes and lives In *The Confederate Carpetbaggers* Daniel E Sutherland examines the lives of those southern men and women who moved north between 1865 and 1880 Dealing with their various motives for moving north problems of adaptation to northern society attempts to find new identities and efforts to maintain personal ties with other Confederates in the North as well as with old friends in the South Sutherland provides a detailed and illuminating account of the contributions these displaced southerners made to the financial literary artistic and political life of the nation The principal characters in Sutherland's story are Burton Norvell Harrison who served as private secretary to Jefferson Davis and his wife Constance Cary Harrison a popular belle in wartime Richmond In 1867 the Harrisons moved to New York City where they remained for four decades Their exploits beliefs and emotions serve as a prism through which to view the successes and failures of other Confederate carpetbaggers Although some emigrants returned to the South after brief unpleasant northern sojourns others spent the remainder of their lives in the North Some became millionaires others suffered poverty and ill health Some became famous most settled into tolerable unobtrusive lives as productive citizens in a reunited nation Sutherland's study breaks new and significant ground in explaining the complexities of Reconstruction and late nineteenth century American life Traditional approaches to Reconstruction history concentrate on the South particularly on the plight of freedmen and on the political battle for control of state governments Some scholars have made passing references to the most prominent Confederates in the North but until now no one has explored the lives of these men and women in detail In this entertaining and well written account Sutherland suggests that while the Confederate carpetbaggers were relatively few in number they made significant contributions to American progress in the years following the war contributions they might not have made had they remained in the South

**The Tarnished Cavalier** Arthur B. Carter, 1999 The *Tarnished Cavalier* is more than a story of scandal Carter sheds new light on Confederate conduct of the war in the western theater during 1861 and 1862 revisits the pivotal battles of Pea Ridge and Corinth both of which are important to

understanding the loss of the upper South and introduces new perspectives on the defense of Vicksburg and the Middle Tennessee operations of early 1863

**BOOK JACKET      Guide to the Vicksburg Campaign** Leonard Fullenkamp, Stephen Bowman, Stephen Lee Bowman, Jay Luvaas, 1998 In the same week that Union forces triumphed at Gettysburg they also captured the river fortress at Vicksburg Mississippi Although much less memorialized than Gettysburg the fall of Vicksburg was every bit as crucial to the Union cause Pitting Ulysses S Grant and William T Sherman against John Pemberton and Joseph Johnston the victorious Vicksburg Campaign helped revive a war weary North gave it absolute control of the Mississippi River severed the western Confederacy from the East and further constricted the South's ability to wage war as the Union drove ever deeper into its heartland It also gave Grant the campaign's chief architect a dramatic venue for demonstrating his maturing skills and intelligence as a strategist and field commander Unlike other volumes in the U S Army War College Guides to Civil War Battles series this one examines an entire campaign looking at many interlinked battles and joint Army Navy operations as they played out over seven months and thousands of square miles of rivers streams swamps lakes forests hills and plains surrounding Vicksburg In addition to detailed coverage of the actual Siege of Vicksburg the book also chronicles the battles at Jackson Port Gibson Raymond Champions Hill and Big Black Ridge Like the other volumes in the series this one combines eyewitness accounts with maps illustrations and tour directions to illuminate the events for both tourists and arm chair travellers For anyone interested in learning more about this relatively neglected but pivotal Civil War campaign the *Guide to the Vicksburg Campaign* is must reading

*Westerners in Gray* Phillip Thomas Tucker, 2007 Few infantry regiments in the Civil War compiled a more distinguished record than the Fifth Missouri The unique blending of fiery Irish Confederates from St Louis with rural pro Southern Missourians forged an unshakable esprit de corps making the unit the crack infantry regiment in the western sector Most of Colonel James C

**The Personal Memoirs of Ulysses S. Grant** Ulysses S. Grant, 2017-10-16 This is the first complete annotated edition of Grant's memoirs fully representing the great military leader's thoughts on his life and times through the end of the Civil War including the antebellum era and the Mexican War and his invaluable perspective on battlefield decision making An introduction contextualizes Grant's life and significance

*A River Unvexed* Jim Miles, 1999-10-01 The first comprehensive account of the entire campaign for the Mississippi River beginning with the conquests of Memphis and New Orleans and concluding with Grant's strategies for the siege of Vicksburg Included are driving tours of the battlefields and important sites

**Cuban Confederate Colonel** Antonio Rafael De la Cova, 2003 In doing so de la Cova sheds new light on the connections between Southern and Cuban society the workings of coastal defenses during the Civil War and the vicissitudes of Reconstruction for a Cuban expatriate

**Jacket      A Journal of the American Civil War: V6-1** Mark A. Snell, Theodore P. Savas, 2021-12-31 Balanced and in depth military coverage all theaters North and South in a non partisan format with detailed notes offering meaty in depth articles original maps photos columns book reviews and indexes 26th Wisconsin Infantry in the Carolinas 1st USCT Battle of Town

Creek Stoneman's Carolinas Raid interview with Craig Symonds Unpublished Confederates reports from Bentonville The American Civil War Steven E. Woodworth, 1996-12-09 The single most important volume for anyone interested in the Civil War to own and consult From the foreword by James M McPherson The first guide to Civil War literature to appear in nearly 30 years this book provides the most comprehensive up to date and informative survey and analysis of the vast body of Civil War literature More than 40 essays each by a specialist in a particular subfield of Civil War history offer unmatched thoroughness and discerning assessments of each work's value The essays cover every aspect of the war from strategy tactics and battles to logistics intelligence supply and prisoner of war camps from generals and admirals to the men in the ranks from the Atlantic to the Far West from fighting fronts to the home front Some sections cover civilian leaders the economy and foreign policy while others deal with the causes of war and aspects of Reconstruction including the African American experience during and after the war Breadth of topics is matched by breadth of genres covered Essays discuss surveys of the war general reference works published and unpublished papers diaries and letters as well as the vast body of monographic literature including books dissertations and articles Genealogical sources historical fiction and video and audio recordings also receive attention Students of the American Civil War will find this work an indispensable gateway and guide to the enormous body of information on America's pivotal experience The American Civil War and Reconstruction Britannica Educational Publishing, 2009-10-01 The American Civil War hit close to home as it pitted brother against brother Americans fighting one another to defend their differing beliefs Years of war were followed by a subsequent period of Reconstruction wherein the nation tried to piece itself back together in an uneasy political climate a trying time in American history This book focuses on the underlying causes important battles remembered personages and lasting outcomes of the Civil War through detailed information and supporting photos *The Papers of Jefferson Davis* Jefferson Davis, 1997-02-01 The New Year comes in auspiciously for us Jefferson Davis proclaimed in January 1863 and indeed there were grounds for optimism within the Confederacy By September however various hopes for ending the conflict with the North had given way to the harsh realities of a prolonged war increasingly confined to southern soil Although Davis suffered poor health during much of the nine month period he remained an active and vital leader Volume 9 of The Papers of Jefferson Davis gives a vivid picture of the tasks he faced Military matters consumed most of Davis time Already strained relations with Joseph E Johnston worsened in the spring and he was eventually relieved of his overall command of the western armies Surrenders at Vicksburg and Port Hudson ended Confederate access to the Mississippi River and in the East Robert E Lee's stunning victory at Chancellorsville was blotted out by bloody repulse south of Gettysburg Correspondence from Europe reveals what Davis knew of the Erlanger loan and the diminishing chances of French and British intervention As problems for the Confederacy mounted discontent grew Davis received complaints from across the young country the conscription system being of particular concern In April he saw firsthand the unhappiness over limited resources as he took to the streets to help calm the

Richmond bread riot Over 2 000 documents many never before published are included in Volume 9 Eighty one are printed with annotation 242 more in full text and about 1 750 others are calendared in summary form They show Davis fighting to maintain morale and military cohesion during one of the Confederacy s most difficult periods *Mosquito Soldiers* Andrew McIlwaine Bell,2010-04 Of the 620 000 soldiers who perished during the American Civil War the overwhelming majority died not from gunshot wounds or saber cuts but from disease In this ground breaking medical history Andrew McIlwaine Bell explores the impact of two terrifying mosquito borne maladies malaria and yellow fever on the major political and military events of the 1860s revealing how deadly microorganisms carried by a tiny insect helped shape the course of the Civil War

*Turning Points of the Civil War* James A. Rawley,1989-01-01 James A Rawley examines the seven turning points of the Civil War the course of the slaveholding borderland in 1861 First Bull Run the Trent affair Antietam the Emancipation Proclamation Gettysburg and Vicksburg and the presidential election of 1864 Among the topic unifying his book are slavery democracy British policy military organization and progress and the roles of Lincoln McClellan Davis and Lee The afterword looks at the Civil War itself as a turning point in American history In a preface to this Bison Book editin James A Rawley considers recent books that sustain the idea of turning points during the Civil War
