**Penchants & Places** Brad Leithauser, 1995 He brilliantly makes clear for the layperson the possibilities of computer chess and the future of thinking machines and acquaints us with the biographies of three mathematical geniuses Niels Bohr Werner Heisenberg and India s Ramanujan *Hoyle's Games* Edmond Hoyle, 1914 **Making Places for People** Christie Johnson Coffin, Jenny Young, 2024-03-12 Making Places for People explores 12 social questions crucial to environmental design Authors Christie Johnson Coffin and Jenny Young bring perspectives from practice and teaching to challenge assumptions about how places meet human needs In this expanded second edition the authors continue to explore the complexities of basic questions such as What is the story of this place What logic orders it How big is it How sustainable is it They consider the impact on making places of pandemic climate change human migration and contemporary discussions of diversity equity and justice Short approachable easy to read chapters illustrated with updated examples of projects from around the world bring together theory methodology and key research findings Understanding experienced and research based connections between people and built form can inspire designs that make places of meaning and delight This second edition will be essential reading for design students and professionals **The Formalist** , 2004 **A Penchant for Love** Shefali Patel, 2006-06 A Penchant for Love tells the story of a family of four living in New York They are the modern day Indian Americans battling conflicting cultures and conflicting opinions Their stories are of life hardship fidelity tragedy Raja is a hopeless romantic He is a father of two husband in a loveless marriage and adulterer in the most passionate relationship he has ever known He is struggling to find a way to begin living the rest of his life in the midst of a dying love affair Malika his wife spends her days alone in an empty nest She must face the harsh realities of her marriage and of the corruption of her children while searching for a confidence she has never known Their children Neela and Sunil so classically youthful search for some guidance in a world full of hypocrisy and hidden meaning Neela feels fruitless pressures of fitting the cookie cutter mold she has never conquered Sunil reluctantly hesitantly searches for a wife This is a story of love life and tragedy A story that follows its characters on the path of realization A story of love in all its glory A story for the open hearted *American Novel Explication, 1991-1995* Catherine Glitsch, 1998 Covers criticism of American novels found in journals and books published between the years 1991 and 1995 **Penchant** Alisha Kumari, 2022-02-24 love plays an important role in life as Penchant implies the meaning of strongest desire love on something or someone As each person has different desire and love upon something Penchant is a book collection of writing by 30 authors and their penchant toward someone or something *Place and Locality in Modern France* Philip Whalen, Patrick Young, 2014-10-23 Place and Locality in Modern France analyses the significance and changing constructions of local place in modern France Drawing on the expertise of a range of scholars from around the world this book provides a timely overview of the cross disciplinary thinking that is currently taking place over a central issue in French history The contributed chapters address a range of subjects that include the politics of

administrative reform decentralization regionalism and local advocacy the role of commerce in engendering narratives and experience of local place the importance of ethnic class gender and race distinctions in shaping local connection and identity the generation and transmission of knowledge about local place and culture through academia civic heritage and popular memory As a reconsideration of the local in French history Place and Locality in Modern France bridges the divide between micro and macro history for all those interested in ideas of locality and culture in modern French and European history

**The New York Times Magazine** ,1995      Sherlock Holmes and the Baron of Brede Place Daniel D. Victor,2015-07-21 They called her Lady Stewart when she was married to a British aristocrat They called her Miss Cora when she ran a brothel in Florida But she called herself Mrs Crane when she asked Sherlock Holmes to locate her common law husband writer Stephen Crane who d gone missing in Cuba during the Spanish American War In their attempt to fulfil the lady s request Holmes and Watson encounter a world of celebrity authors terrorist bombings and haunted manor houses But it is only when Stephen Crane falls victim to a notorious blackmailer that the master detective and his partner find themselves face to face with cold blooded murder Under darkened skies a solitary apparition stood brightly illuminated on the ship s gloomy deck Or so it seemed Cloaked in a long white raincoat the same gleaming duster he d worn in the face of Spanish gunfire at San Juan Heights Stephen Crane looked for all the world like the ghost so many people thought he d already become      **The Place of Religion in the Liberal Philosophy of Constant, Tocqueville, and Lord Acton** Ralph Raico,1970      The Place of Science in Modern Civilisation Thorstein Veblen,2018-01-04 Reproduction of the original      **Claiming Her Place in Congress** Katherine H. Adams,2019-07-01 The fall of 2018 saw an unprecedented number of women elected to Congress changing estimates of how long it might take to achieve equal representation For the first time women candidates used techniques honed by America s political families which have helped women enter politics since 1916 Drawing on extensive research and conversations with successful women politicians this book offers a history of the political opportunities provided through familial connections Family networks have a long history of enabling women to run for political office There is much for the latest group of candidates to emulate      **Power, Place, and State-Society Relations in Korea** Jongwoo Han,2013-11-26 No book has addressed the simultaneous phenomena of Korea s rapid economic development and its vibrant democratization in a single coherent paradigm The late developmentalist approach emphasizes the strong role of Korea s state and bureaucratic efficiency but does not explain how political development was concurrent with the economic miracles in the Han River modernization and dependence theories also fail to explain the aspect of simultaneity in this phenomenon What these three theories commonly miss is the unique relationship between state and society in Korea s long history of political culture In this book Jongwoo Han takes a holistic approach to understanding these phenomena by examining the state s role in the unprecedented economic development and society s capabilities to resist the state s centralized power Han re articulates state society relations through Onuf s social constructivist approach based on three rules of a political

community hegemony hierarchy and heteronomy This book expands upon this effort to re construct the state and society relations in two ways First it produces case studies of the capital city of Hanyang Joseon Dynasty from 1392 to 1910 Kyeongseong Japanese colonial control from 1910 to 1945 and Seoul 1945 current The capital city is analyzed as a container for the major ideologies and ways of thinking that have shaped three important political eras Second i adopts two indigenous thoughts Neo Confucianism and geomancy as sources of the main political and cultural ideologies that shape Korea s state and society relations These sources have never been treated as units of political analysis This book finds that both Neo Confucianism and geomancy over two periods of Hanyang and Kyeongseong are two main contributing factors of the emergence of the developmental state and vibrant democracy in Korea in the Seoul era The Place of Science in Modern Civilisation and Other Essays Thorstein Veblen,1919 **Masterplots** Frank Northen Magill,1996 **Westmoreland and Portland Places** Julius K. Hunter,1988 By examining these and many other accomplishments of these families Julius Hunter provides a unique historical perspective on the past century of American life In addition to providing the historical background Hunter presents vivid descriptions of glamorous social occasions in Westmoreland and Portland weddings balls even funerals and he shows that the residents were sometimes united and sometimes split by bonds of family marriage religion club membership and political preference Interviews with people who lived on those streets early in this century provide a unique glimpse of what it was like to grow up in the prestigious neighborhood Hunter s text is superbly illustrated More than 200 color photographs depict the houses as they appear today including architectural details and interior views More than 200 black and white photographs provide a glimpse of St Louis s past Every house that has stood in either Westmoreland or Portland is shown Sunday Afternoon ,1879 *Planning, Development and Management of Sustainable Cities* Tan Yigitcanlar,Md. (Liton) Kamruzzaman,2019-04-30 The concept of sustainable urban development has been pushed to the forefront of policymaking and politics as the world wakes up to the impacts of climate change and the destructive effects of the Anthropocene Climate change has emerged to be one of the biggest challenges faced by our planet today threatening both built and natural systems with long term consequences which may be irreversible While there is a vast body of literature on sustainability and sustainable urban development there is currently limited focus on how to cohesively bring together the vital issues of the planning development and management of sustainable cities Moreover it has been widely stated that current practices and lifestyles cannot continue if we are to leave a healthy living planet to not only the next generation but also to the generations beyond The current global school strikes for climate action known as Fridays for Future evidences this The book advocates the view that the focus needs to rest on ways in which our cities and industries can become green enough to avoid urban ecocide This book fills a gap in the literature by bringing together issues related to the planning development and management of cities and focusing on a triple bottom line approach to sustainability Climate Change, Hazards and Adaptation Options Walter Leal Filho,Gustavo J. Nagy,Marco Borga,Pastor David Chávez Muñoz,Artur

Magnuszewski,2020-02-14 This book addresses the issue of climate change risks and hazards holistically Climate change adaptation aims at managing climate risks and hazards to an acceptable level taking advantage of any positive opportunities that may arise At the same time developing suitable responses to hazards for communities and users of climate services is important in ensuring the success of adaptation measures But despite this knowledge about adaptation options including possible actions that can be implemented to improve adaptation and reduce the impacts of climate change hazards is still limited Addressing this need the book presents studies and research findings and offers a catalogue of potential adaptation options that can be explored It also includes case studies providing illustrative and inspiring examples of how we can adapt to a changing climate
