EL-Method Tony Gaschler, 2019-02-01 Do you suffer from shyness self consciousness facial blushing fear of public speaking stage fright lack of self confidence and other emotional inhibitions Then help yourself to eliminate these inhibitions here and now with the EL Method The EL METHOD by Tony Gaschler is an INTENSIVE ELIMINATION METHOD which you can use to rid yourself quickly of unwanted psychological and social inhibitions in a surprisingly easy way without needing help from anyone else Tragic though the effects of inhibitions might be there is also a simple way of removing them A highly effective self help technique with distinct effective factors can be used to help you replace inhibitions with a genuine and self confident pattern of behavior in a short space of time You can rid yourself of any feelings of inhibition or any outward signs of inhibition that so often make your life difficult What EFFECTIVE FACTORS are used to eliminate my inhibitions The well known psychologist and hypnosis specialist Tony Gaschler Germany has spent years researching and developing a special form of autosuggestion DYNAMIC AUTOSUGGESTION This dynamic autosuggestion method systematically erases old patterns of behavior removes negative inhibitions and replaces them with new self assured RESPONSE SYSTEMS This dynamic method is unique and particularly

effective The dynamic autosuggestion method has an advantage over other methods in that it is more intense is faster and above all it acts fully automatically It does not matter whether you believe in it or not It will always produce the same effective results Through your new self assured response system you will change your behavior patterns so quickly that even in the first weeks that you start practicing your success will be noticeable to your friends and associates As a side effect you will notice an increased joy of life you will experience more feelings of happiness and will start to enjoy social interactions

7 Primary Chakra System Raven Shamballa,2019-07-10 This book presents an illustrated guide to the 7 Primary Chakras These images serve as a learning tool for understanding the emotional and energetic poles of the chakras The colorful charts are easy to read and assist one in quickly understanding the themes of the chakras Each of the chakra charts have a psychological theme and show both the positive and negative emotions energetic moods and behaviors the chakra expresses In the table that accompanies the illustrations affirmations are provided that open and balance the specific chakras Also there is a quick reference listing the attributes of the 7 Primary Chakras to aid in your healing practice Crystals and essential oils are listed for each chakra and there is a table where you can easily determine if a chakra is in balance or out of balance These chakra charts are considered a companion guide to Raven s book the 100 Chakra System Raven introduces the concept that humans have 100 chakras and gives a detailed explanation of the 7 Primary Chakras the Higher Chakras and the Ascending Chakras For more information on her work see www.ravenlightbody.com *Understanding Pendulums* L.P. Pook,2011-05-27 Despite their apparent simplicity the behaviour of pendulums can be remarkably complicated Historically pendulums for specific purposes have been developed using a combination of simplified theory and trial and error There do not appear to be any introductory books on pendulums written at an intermediate level and covering a wide range of topics This book aims to fill the gap It is written for readers with some background in elementary geometry algebra trigonometry and calculus Historical information where available and useful for the understanding of various types of pendulum and their applications is included Perhaps the best known use of pendulums is as the basis of clocks in which a pendulum controls the rate at which the clock runs Interest in theoretical and practical aspects of pendulums as applied to clocks goes back more than four centuries The concept of simple pendulums which are idealised versions of real pendulums is introduced The application of pendulums to clocks is described with detailed discussion of the effect of inevitable differences between real pendulums and simple pendulums In a clock the objective is to ensure that the pendulum controls the timekeeping However pendulums are sometimes driven and how this affects their behaviour is described Pendulums are sometimes used for occult purposes It is possible to explain some apparently occult results by using modern pendulum theory For example why a ring suspended inside a wine glass by a thread from a finger eventually strikes the glass Pendulums have a wide range of uses in scientific instruments engineering and entertainment Some examples are given as case studies Indexed in the Book Citation Index Science BKCI S **Dowsing: A Complete Dowsing Course on Self Healing (A Book on Life Story Healing**

Therapy for Spiritual Growth and Personal Power) William Alvare, This book is for advanced learning and for all those who are expert in dowsing skills and have deep knowledge about healing and energy medicines However this book is also an invitation to the beginners who want to gear up their transformation and create miracles and breakthroughs in their life Energy is very contagious If one is sad you also somehow get caught into it if you also have some hidden traces of sadness within you In this book you will learn The history of dowsing Techniques of dowsing Dowsing tools The benefits of dowsing How to use a pendulum How crystals and chakras are connected Everyday uses for crystals and healing stones And much much more This book is about exploration of inner wounds old triggers subconscious blocks toxic patterns limiting beliefs shadow work and energy healing The purpose of this book is to help you investigate your psyche of all the spaces that are wounded and damaged So this book is here to help you bring light onto those dark matters and free you from unconsciously manifesting those things into reality and thus liberate you from unwanted sufferings **The Ultimate Guide to Divination**
