Classical Music Phil G. Goulding, 2011-03-16 MAKE A SOUND INVESTMENT IN CLASSICAL MUSIC Who are the ten most important classical composers Who in the world was Palestrina Why did Stravinsky's Rite of Spring cause a riot Which five of each important composer's works should you buy What is a concerto and how does it differ from a sonata Maybe you don't know the answers to these questions author Phil Goulding certainly didn't When Goulding first tried to learn about classical music he found himself buried in an avalanche of technical terms and complicated jargon so he decided to write the book he couldn't find The result is a complete classical music education in one volume Comprehensive discriminating and delightfully irreverent Classical Music provides such essential information as Rankings of the top 50 composers Bach is 1 Borodin is 50 A detailed and anecdotal look at each composer's life and work The five primary works of each composer and specific recommended CDs for each Further great works of each composer if you really like him Concise explanations of musical terminology forms and periods A guide to the parts and history of the symphony orchestra This book uses every conceivable gimmick to immerse readers in the richness of classical music lists rankings sidebars devoted to lively anecdotes and catchy leads The Washington Post One terrific music appreciation book The information is surprisingly detailed but

concisely presented Goulding s writing style is breezy yet mature He has raised music appreciation from a racket to a service
