Globalization and Culture Jan Nederveen Pieterse,2019-05-17 Now updated with new chapters on culture and on populism this seminal text disputes the view that we are experiencing a clash of civilizations as well as the idea that globalization leads to cultural homogenization Instead Jan Nederveen Pieterse argues that we are witnessing the formation of a global m lange culture through processes of cultural mixing or hybridization From this perspective on globalization conflict may be mitigated and identity preserved albeit transformed In a new chapter on China the author focuses on the key issue of agency and power in hybridization Throughout the book offers a comprehensive treatment of hybridization arguments and in discussing globalization and culture problematizes the meaning of culture This historically deep and geographically wide approach to globalization is essential reading as we face the increasing spread of conflicts bred by cultural misunderstanding

Acts of Faith Makarand R. Paranjape,2013-06-01 An adventure into the heart of spiritual India that could change the way you think and live Acts of Faith Journeys to Sacred India is a sensitive and enriching exploration of the essential meaning and inner dynamics of sacred India Through a series of deeply textured narratives of well known masters ashrams and sacred sites it engages with that area of contemporary India where the profane and the sacred intersect each transforming the other This unusual pilgrimage shows how the pathway to the Divine is plural and open rather than closed or restricted While there are many travel books on India few combine an inquiry into the meaning of India with actual visits to sacred sites encounters with contemporary gurus and reflections on perennial themes like faith and love Using both textual sources and actual experiences Acts of Faith tries to define what constitutes the sacred making for a highly interesting cartography of India of the spirit **Science, Spirituality and the Modernization of India** Makarand R. Paranjape,2009-04-01 Spirituality

played a key role in the construction of Indian modernity While science has certainly been an agent of modernization in India and other non Western countries what makes Indian modernity somewhat special is that spiritual leaders have also been instrumental in the process Moreover leading Indian scientists and spiritualists have recognized the immense potential for dialogue between the two disciplines Post colonial India with its ready access to a holistic spirituality and significant achievements in science and technology is a fertile site for such a dialogue Each of the book s four sections addresses specific themes 1 The tension not just between science and spirituality but also between the East and West 2 how some key figures in India became carriers of modern consciousness and explored the relationship between science and spirituality in the very process of trying to reform their society 3 significant areas of research in which science and spirituality are both deeply implicated and 4 the relationship of both scientific and spiritual practice with gender and social justice
