Irish Expatriatism, Language and Literature

Michael O'Sullivan, 2018-09-22 This book examines how Irishness as national narrative is consistently understood from a distance Irish Presidents critics and media initiatives focus on how Irishness is a global resource chiefly informed by the experiences of an Irish diaspora predominantly working in English while also reminding Irish people at home that Irish is the national tongue In returning to some of Ireland's major expat writers and international diplomats this book examines the economic reasons for their migration the opportunities they gained by working abroad sometimes for the British Empire and their experiences of writing and governing in non-native English speaking communities such as China and Hong Kong It argues that their concerns about belonging loneliness the desire to buy a place back home and losing a language are shared by today's generation of social network expatriates

Border States in the Work of Tom Mac Intyre Catriona

Ryan,2012-01-17 This work analyses the prose and drama of the Irish writer Tom Mac Intyre and the concept of paleo postmodernism It examines how Mac Intyre balances traditional themes with experimentation which in the Irish literary canon is unusual This book argues that Mac Intyre s position in the Irish literary canon is an idiosyncratic one in that he combines two contrary aspects of Irish literature between what Beckett terms as the Yeatsian antiquarians who valorize the Victorian Gael and the others whose aesthetic involves a European influenced breakdown of the object which is associated with Beckett Mac Intyre s experimentation involves a breakdown of the object in order to uncover an unconscious Irish mythological and linguistic space in language His approach to language experimentation is Yeatsian and this is what the author terms as paleo postmodern Thus the project considers how Mac Intyre incorporates Yeatsian revivalism with postmodern deconstruction in his drama and short stories "Blighted Beginnings" Jonathan Bolton,2010 This book also looks at how authors have persistently used the bildungsroman to complicate and challenge the idealization of the family exposing the divorce ban as symptomatic of an unrealistic notion of domestic inviolability This study concludes with a discussion of the future of the bildungsroman in a country that has transcended many of its formative crises This chapter considers Doyle s A Star Called Henry as a text that inaugurates a new phase in Irish coming of age narratives in which many of the problems of Irish life formerly treated so earnestly and tragically can be a source of play and humor By looking at a comprehensive range of novels by writers like Sean O Faolain Elizabeth Bowen Edna O Brien and William Trevor as well as lesser known figures like Eimar O Duffy Francis MacManus and Mary Morrissy Blighted Beginnings traces the evolving concerns of Irish writers as they pushed for a greater accommodation of individual freedoms and aspirations BOOK JACKET

Postcolonial Settings in the Fiction of James Clarence Mangan, Joseph Sheridan Le Fanu and Bram Stoker Richard Jorge,2023-10-09 This book explores how three Anglo Irish writers J C Mangan J S Le Fanu and Bram Stoker use settings in their short fictions to recreate depict and confront Ireland s colonial situation in the nineteenth century This study provides an innovative approach by targeting a genre the short story which has not been explored in its entirety certainly not within nineteenth century Ireland much less using a postcolonial approach to the short story Added to this is the fact that it analyses how these writers used settings as an anticolonial tool To do so the book is divided into two major sections an analysis of Irish settings and non Irish ones It works on the premise that all three writers used the idea of displacement to target colonialism and its effects on Irish society In short this book addresses a gap in scholarship as the Irish Gothic short story as a decolonizing tool has not been sufficiently and globally studied **Joycean Legacies** Martha C. Carpentier,2015-04-28 These twelve essays analyze the complex pleasures and problems of engaging with James Joyce for subsequent writers discussing Joyce s textual stylistic formal generic and biographical influence on an intriguing selection of Irish British American and postcolonial writers from the 1940s to the twenty first century Cosmopolitan Criticism and Postcolonial Literature R. Spencer,2011-04-28 Via readings of novels by J M Coetzee Timothy Mo and Salman Rushdie and the later

poetry of W B Yeats this book reveals how postcolonial writing can encourage the enlarged sense of moral and political responsibility needed to supplant ongoing forms of imperial violence with cosmopolitan institutions relationships and ways of thinking The Cambridge Introduction to Modern British Fiction, 1950-2000 Dominic Head,2002-03-07 In this introduction to post war fiction in Britain Dominic Head shows how the novel yields a special insight into the important areas of social and cultural history in the second half of the twentieth century Head s study is the most exhaustive survey of post war British fiction available It includes chapters on the state and the novel class and social change gender and sexual identity national identity and multiculturalism Throughout Head places novels in their social and historical context He highlights the emergence and prominence of particular genres and links these developments to the wider cultural context He also provides provocative readings of important individual novelists particularly those who remain staple reference points in the study of the subject Accessible wide ranging and designed specifically for use on courses this is the most current introduction to the subject available An invaluable resource for students and teachers alike **Feminist Discourse in Irish Literature** Jennifer Mooney,2022-07-21 Feminist Discourse in Irish Literature addresses the role of young adult YA Irish literature in responding and contributing to some of the most controversial and contemporary issues in today s modern society gender and conflicting views of power sexism and consent This volume provides an original innovative and necessary examination of how rape culture and the intersections between feminism and power have become increasingly relevant to Irish society in the years since Irish author Louise O Neill s novels for young adults *Only Ever Yours* and *Asking For It* were published In consideration of the socio political context in Ireland and broader Western culture from which O Neill s works were written and taking into account a selection of Irish American Australian and British YA texts that address similar issues in different contexts this book highlights the contradictions in O Neill s works and illuminates their potential to function as a form of literary social fundamentalism which often undermines rather than promotes equality
