

# Peninsula Campaign Of 1862 Yorktown To The Seven Days

**William J. Miller**

## **Peninsula Campaign Of 1862 Yorktown To The Seven Days:**

**The Peninsula Campaign Of 1862** William J. Miller, 1996-11-22 George B McClellan got closer to Richmond than any previous Union general by a bold amphibious landing but lost his advantage due to his own indecision and Robert E Lee's superior generalship The essays in this volume on the campaign include ones by Robert E L Krick Terry L Jones Carmen B Grayson William J Miller Mac Wyckoff and Peter S Carmichael

**The Peninsula Campaign Of 1862** William J. Miller, 1997-10-22 George B McClellan got closer to Richmond than any previous Union general by a bold amphibious landing but lost his advantage due to his own indecision and Robert E Lee's superior generalship The essays in this volume on the campaign include ones by Gary Lash William J Miller Steven Newton Robert O Neill and Steven Woodworth

**The Peninsula Campaign Of 1862** William J. Miller, 1995-07-22 These essays by some of the leading historians in the field mark a major step toward a fuller understanding of the campaign This volume and the sequels to follow will join the roster of essential titles on McClellan's well conceived but eventually disappointing drive against Richmond Gary W Gallagher George B McClellan got closer to Richmond than any previous Union general by a bold amphibious landing but lost his advantage due to his own indecision and Robert E Lee's superior generalship The essays in this volume on the campaign include ones by Steven E Woodworth Richard A Sauers Kevin C Ruffner Richard J Sommers Edwin C Bearss and William J Miller

**The Peninsula Campaign of 1862** William J. Miller, 2013-09-25 The second of three volumes The Civil War's Peninsula Campaign March through July 1862 was the first large scale Union operation in Virginia to capture the Confederate capital at Richmond The operation was organized and led by Maj Gen George B McClellan whose amphibious turning operation was initially successful in landing troops at the tip of the Virginia peninsula against the cautious Confederate Gen Joseph E Johnston When Johnston was wounded at Seven Pines at the end of May outside Richmond however Gen Robert E Lee was elevated to command the Army of Northern Virginia His subsequent major offensive to defeat The Army of the Potomac during the Seven Days Battles turned the tide of the campaign and the entire momentum of the war in the Eastern Theater Original well researched and written essays by leading scholars in the field on a wide variety of fascinating topics Contains original maps photos and illustrations

*The Peninsula Campaign of 1862* William J. Miller, 2013-09-25 The first of three volumes The Civil War's Peninsula Campaign March through July 1862 was the first large scale Union operation in Virginia to capture the Confederate capital at Richmond The operation was organized and led by Maj Gen George B McClellan whose amphibious turning operation was initially successful in landing troops at the tip of the Virginia peninsula against the cautious Confederate Gen Joseph E Johnston When Johnston was wounded at Seven Pines at the end of May outside Richmond however Gen Robert E Lee was elevated to command the Army of Northern Virginia His subsequent major offensive to defeat The Army of the Potomac during the Seven Days Battles turned the tide of the campaign and the entire momentum of the war in the Eastern Theater Original well researched and written essays by leading scholars in the field on a wide variety of

fascinating topics Contains original maps photos and illustrations      **The Peninsula Campaign Of 1862** William J. Miller,1995-07-22 These essays by some of the leading historians in the field mark a major step toward a fuller understanding of the campaign This volume and the sequels to follow will join the roster of essential titles on McClellan s well conceived but eventually disappointing drive against Richmond Gary W Gallagher George B McClellan got closer to Richmond than any previous Union general by a bold amphibious landing but lost his advantage due to his own indecision and Robert E Lee s superior generalship The essays in this volume on the campaign include ones by Steven E Woodworth Richard A Sauers Kevin C Ruffner Richard J Sommers Edwin C Bearss and William J Miller      *Decisions of the Seven Days* Matt Spruill,2023-09-29 From June 25 to July 1 1862 Gen Robert E Lee s Army of Northern Virginia engaged Maj Gen George B McClellan s Army of the Potomac in a series of battles at the end of the Peninsula Campaign that would collectively become known as the Seven Days Battles Beginning with the fighting at the Battle of Beaver Dam Creek Lee consistently maneuvered against and attacked McClellan s Army of the Potomac as it retreated south across the Virginia Peninsula to the James River At the conclusion of the Battle of Malvern Hill Lee s second most costly battle where McClellan s strong defensive position of infantry and artillery repelled multiple frontal assaults by Lee s troops the Federal army slipped from Lee s grasp and brought the Seven Days to an end The Seven Days was a clear Confederate victory that drove the Union army away from the capital at Richmond began the ascendancy of Robert E Lee and commenced a change in the war in the Eastern Theater It set the stage for the Second Manassas Campaign followed by the Maryland Campaign of 1862 *Decisions of the Seven Days* explores the critical decisions made by Confederate and Union commanders during the Seven Days Battles and how these decisions shaped the outcome Rather than offering a history of the battles Matt Spruill hones in on a sequence of critical decisions made by commanders on both sides of the contests to provide a blueprint of the Seven Days at its tactical core Identifying and exploring the critical decisions in this way allows students of the battles to progress from knowledge of what happened to a mature grasp of why events happened Complete with maps and a driving tour *Decisions of the Seven Days* is an indispensable primer and readers looking for a concise introduction to the battles can tour this sacred ground or read about it at their leisure with key insights into the campaign and a deeper understanding of the Civil War itself *Decisions of the Seven Days* is the tenth in a series of books that will explore the critical decisions of major campaigns and battles of the Civil War      *The 83rd Pennsylvania Volunteers in the Civil War* Michael Schellhammer,2009-01-28 The 83rd Pennsylvania Infantry suffered the second highest number of battle deaths of all the Union regiments in every theater throughout the course of the Civil War Nevertheless this hardy and determined unit was able to overcome loss defeat and heartache through their enduring defense and preservation of the Union line during the pivotal battle of Gettysburg This book offers the first ever comprehensive history of the 83rd Pennsylvania It combines official war records personal remembrances of veterans of the regiment information derived from opposing Confederates and secondary sources to produce a remarkable story of

leadership endurance hardship and triumph

**The A to Z of the Civil War and Reconstruction** William L.

Richter, 2009-07-24 The importance of the Civil War and Reconstruction in the history of the United States cannot be overstated There was a very real possibility that the union could have been sundered resulting in a very different American history and probably world history But the union was held together by tough and determined leaders and by the economic muscle of the North Following the end of the war the period of American history known as Reconstruction followed This was a period construed in many different ways While the states were once again united many of the postwar efforts divided different segments of the population and failed to achieve their goals in an era too often remembered for carpetbaggers and scalawags and Congressional imbroglis and incompetent government This one volume dictionary with more than 800 entries covering the significant events persons politics and economic and social themes in the U S Civil War and Reconstruction is a research tool for all levels of readers from high school and up The extensive chronology introductory essay dictionary entries and comprehensive bibliography introduce and lead the reader through the military and non military actions of one of the most pivotal events in American history

**Lee and His Generals**

Lawrence Lee Hewitt, Thomas E. Schott, 2012-06-25 A legendary professor at Louisiana State University T Harry Williams not only produced such acclaimed works as Lincoln and the Radicals Lincoln and His Generals and a biography of Huey Long that won both the Pulitzer Prize and the National Book Award but he also mentored generations of students who became distinguished historians in their own right In this collection ten of those former students along with one author greatly inspired by Williams s example offer incisive essays that honor both Williams and his career long dedication to sound imaginative scholarship and broad historical inquiry The opening and closing essays fittingly enough deal with Williams himself a biographical sketch by Frank J Wetta and a piece by Roger Spiller that place Williams in larger historical perspective among writers on Civil War generalship The bulk of the book focuses on Robert E Lee and a number of the commanders who served under him starting with Charles Roland s seminal article The Generalship of Robert E Lee the only one in the collection that has been previously published Among the essays that follow Roland s are contributions by Brian Holden Reid on the ebb and flow of Lee s reputation George C Rable on Stonewall Jackson s deep religious commitment A Wilson Greene on P G T Beauregard s role in the Petersburg Campaign and William L Richter on James Longstreet as postwar pariah Together these gifted historians raise a host of penetrating and original questions about how we are to understand America s defining conflict in our own time just as T Harry Williams did in his And by encompassing such varied subjects as military history religion and historiography Lee and His Generals demonstrates once more what a fertile field Civil War scholarship remains Lawrence Lee Hewitt is professor of history emeritus at Southeastern Louisiana University Most recently he and Arthur W Bergeron now deceased coedited three volumes of essays under the collective title Confederate Generals in the Western Theater Thomas E Schott served for many years as a historian for the U S Air Force and U S Special Operations Command He is the author of Alexander H Stephens of Georgia A

Biography which won both the Society of American Historians Award and the Jefferson Davis Award *Civil War to the Bloody End* Jerry D. Thompson, 2006 If President Lincoln could have unmade a general perhaps he would have started with Samuel Peter Sourdough Heintzelman whose early military successes were overshadowed by a prickly disposition and repeated Union defeats during the Civil War By the time his friend Robert E Lee left Arlington to lead a Rebel army against the bluecoats Heintzelman had already seen duty in Mexico established Fort Yuma in California in 1850 mined for silver in Arizona and ably led U S forces on the Texas Mexico border during the 1859 60 Cortina War During the Civil War he was in the forefront of the fighting at First Bull Run and the disastrous 1862 Peninsula Campaign He commanded the III Corps of the Army of the Potomac at the siege of Yorktown and in the ferocious fighting at Williamsburg Fair Oaks Oak Grove Savage s Station Glendale and Malvern Hill Although he aspired to succeed Gen George B McClellan he was relieved of his command after his troops were badly mauled at Second Bull Run After demonstrating his inability to guard the southern approaches to Washington D C from Virginia guerillas he spent the latter part of the war administering prison camps in the Midwest keeping a watchful eye on Copperhead subversives and quarreling with more than one disgruntled governor In early Reconstruction Texas Heintzelman struggled with the conflict between former Secessionists and Radical Republicans

**BOOK JACKET** **The Arts and Culture of the American Civil War** James Davis, 2016-11-18 In 1864 Union soldier Charles George described a charge into battle by General Phil Sheridan Such a picture of earnestness and determination I never saw as he showed as he came in sight of the battle field What a scene for a painter These words proved prophetic as Sheridan s desperate ride provided the subject for numerous paintings and etchings as well as songs and poetry George was not alone in thinking of art in the midst of combat the significance of the issues under contention the brutal intensity of the fighting and the staggering number of casualties combined to form a tragedy so profound that some could not help but view it through an aesthetic lens to see the war as a concert of death It is hardly surprising that art influenced the perception and interpretation of the war given the intrinsic role that the arts played in the lives of antebellum Americans Nor is it surprising that literature music and the visual arts were permanently altered by such an emotional and material catastrophe In *The Arts and Culture of the American Civil War* an interdisciplinary team of scholars explores the way the arts theatre music fiction poetry painting architecture and dance were influenced by the war as well as the unique ways that art functioned during and immediately following the war Included are discussions of familiar topics such as Ambrose Bierce Peter Rothermel and minstrelsy with less studied subjects soldiers and dance epistolary songs The collection as a whole sheds light on the role of race class and gender in the production and consumption of the arts for soldiers and civilians at this time it also draws attention to the ways that art shaped and was shaped by veterans long after the war

*Defeating Lee* Lawrence A. Kreiser, 2011-04-19 Kreiser breathes new life into this most important of Union Army units A remarkably well written and superbly researched account David E Long author of *The Jewel of Liberty Abraham Lincoln s Re election and the End of Slavery Fair Oaks the Seven Days*

Antietam Fredericksburg Gettysburg Cold Harbor Petersburg the list of significant battles fought by the Second Corps Army of the Potomac is a long and distinguished one This absorbing history of the Second Corps follows the unit s creation and rise to prominence the battles that earned it a reputation for hard fighting and the legacy its veterans sought to maintain in the years after the Civil War More than an account of battles Defeating Lee gets to the heart of what motivated these men why they fought so hard and how they sustained a spirited defense of cause and country long after the guns had fallen silent An excellent contribution to Civil War history shelves Midwest Book Review Lawrence Kreiser tells the Second Corps story with verve and attention to personal as well as bureaucratic details Civil War Librarian *An Environmental History of the Civil War* Judkin Browning, Timothy Silver, 2020-02-20 This sweeping new history recognizes that the Civil War was not just a military conflict but also a moment of profound transformation in Americans relationship to the natural world To be sure environmental factors such as topography and weather powerfully shaped the outcomes of battles and campaigns and the war could not have been fought without the horses cattle and other animals that were essential to both armies But here Judkin Browning and Timothy Silver weave a far richer story combining military and environmental history to forge a comprehensive new narrative of the war s significance and impact As they reveal the conflict created a new disease environment by fostering the spread of microbes among vulnerable soldiers civilians and animals led to large scale modifications of the landscape across several states sparked new thinking about the human relationship to the natural world and demanded a reckoning with disability and death on an ecological scale And as the guns fell silent the change continued Browning and Silver show how the war influenced the future of weather forecasting veterinary medicine the birth of the conservation movement and the establishment of the first national parks In considering human efforts to find military and political advantage by reshaping the natural world Browning and Silver show not only that the environment influenced the Civil War s outcome but also that the war was a watershed event in the history of the environment itself **Civil War**

**Supply and Strategy** Earl J. Hess, 2020-10-07 Winner of the Colonel Richard W Ulbrich Memorial Book Award Winner of the Army Historical Foundation Distinguished Writing Award Civil War Supply and Strategy stands as a sweeping examination of the decisive link between the distribution of provisions to soldiers and the strategic movement of armies during the Civil War Award winning historian Earl J Hess reveals how that dynamic served as the key to success especially for the Union army as it undertook bold offensives striking far behind Confederate lines How generals and their subordinates organized military resources to provide food for both men and animals under their command he argues proved essential to Union victory The Union army developed a powerful logistical capability that enabled it to penetrate deep into Confederate territory and exert control over select regions of the South Logistics and supply empowered Union offensive strategy but limited it as well heavily dependent on supply lines road systems preexisting railroad lines and natural waterways Union strategy worked far better in the more developed Upper South Union commanders encountered unique problems in the Deep South where

needed infrastructure was more scarce While the Mississippi River allowed Northern armies to access the region along a narrow corridor and capture key cities and towns along its banks the dearth of rail lines nearly stymied William T Sherman's advance to Atlanta In other parts of the Deep South the Union army relied on massive strategic raids to destroy resources and propel its military might into the heart of the Confederacy As Hess's study shows from the perspective of maintaining food supply and moving armies there existed two main theaters of operation north and south that proved just as important as the three conventional eastern western and Trans Mississippi theaters Indeed the conflict in the Upper South proved so different from that in the Deep South that the ability of Federal officials to negotiate the logistical complications associated with army mobility played a crucial role in determining the outcome of the war

**The Sword of Lincoln** Jeffry D. Wert, 2005 With a swiftly moving narrative style and perceptive analysis *The Sword of Lincoln* is destined to become the modern account of the army that was so central to the history of the Civil War

**The Civil War Memoir of a Boy from Baltimore** Holly I. Powers, 2023-09-29 Fourteen year old George Maguire was eager to serve the Union when his home state Maryland began raising regiments for the coming conflict Too young to join he became a mascot for the Fifth Maryland Infantry Regiment organized in September 1861 Although he never formally enlisted or carried a weapon Maguire recounts several pivotal events in the war including the sea battle of the Monitor vs Merrimac Peninsula Campaign action and the Battle of Antietam During middle age Maguire recorded his memoir one of the few from a Maryland unit providing a distinctive blend of the adventures of a teenage boy with the mature reflection of a man His account of the Peninsula Campaign captures the success of the mobilization of forces and confirms the existing historical record as well as illuminating the social structure of camp life Maguire's duties evolved over time as he worked alongside army surgeons and assisted his brother in law a rabid abolitionist and provost marshal of the regiment This experience qualified him to work at the newly constructed Thomas Hicks United States General Hospital once he left the regiment in 1863 his memoir describes the staffing hierarchy and the operating procedures implemented by the Army Medical Corps at the end of the war illuminated with the author's own sketches of the facility From the Pratt Street riot in Baltimore to a chance encounter with Red Cross founder Clara Barton to a firsthand view of Hicks Hospital this sweeping yet brief memoir provides a unique opportunity to examine the experiences of a child during the war and to explore the nuances of memory Beyond simply retelling the events as they happened Maguire's memoir is woven with a sense of remorse and resolve loss and fear and the pure wonderment of a teenage boy accompanying one of the largest assembled armies of its day

[The Oxford Handbook of the American Civil War](#) Lorien Foote, Earl J. Hess, 2021-10-12 Every time Union armies invaded Southern territory there were unintended consequences Military campaigns always affected the local population devastating farms and towns making refugees of the inhabitants undermining slavery Local conditions in turn altered the course of military events The social effects of military campaigns resonated throughout geographic regions and across time Campaigns and battles often had a

serious impact on national politics and international affairs Not all campaigns in the Civil War had a dramatic impact on the country but every campaign no matter how small had dramatic and traumatic effects on local communities Civil War military operations did not occur in a vacuum there was a price to be paid on many levels of society in both North and South The Oxford Handbook of the American Civil War assembles the contributions of thirty nine leading scholars of the Civil War each chapter advancing the central thesis that operational military history is decisively linked to the social and political history of Civil War America The chapters cover all three major theaters of the war and include discussions of Bleeding Kansas the Union naval blockade the South West American Indians and Reconstruction Each essay offers a particular interpretation of how one of the war s campaigns resonated in the larger world of the North and South Taken together these chapters illuminate how key transformations operated across national regional and local spheres covering key topics such as politics race slavery emancipation gender loyalty and guerrilla warfare

**"The Bloody Fifth" Vol. 2** John F. Schmutz, 2017-05-19

Second in the sweeping history of the Fifth Texas Infantry that fought with Robert E Lee s Army of Northern Virginia in the Civil War In the first volume Secession to the Suffolk Campaign John F Schmutz followed the regiment from its inception through the successful foraging campaign in southeastern Virginia in April 1863 Gettysburg to Appomattox continues the regiment s rich history from its march north into Pennsylvania and the battle of Gettysburg its transfer west to Georgia and participation in the bloody battle of Chickamauga operations in East Tennessee and the regiments return to Virginia for the overland battles Wilderness to Cold Harbor Petersburg campaign and the march to Appomattox Court House The narrative ends by following many of the regiment s soldiers on their long journey home Schmutz s definitive study is based upon years of archival and battlefield research that uncovered hundreds of primary sources many never before used The result is a lively account of not only the regiments marches and battles but a personal look into the lives of these Texans as they struggled to survive a vicious war more than 1 000 miles from home The Bloody Fifth The 5th Texas Infantry Regiment Hood s Texas Brigade Army of Northern Virginia with photos original maps explanatory footnotes and important and useful appendices is a significant contribution to the history of Texas and the American Civil War A scholarly work enhanced with maps and exhaustive notes yet thoroughly accessible to readers of all backgrounds Midwest Book Review

**Famine Irish and the American Racial State** Peter D. O'Neill, 2017-02-03

Interdisciplinary and transnational in scope this book analyzes an array of state theories literary figures religious apparatuses cultural artifacts and political movements to demonstrate how the Irish not only fitted into but also helped to form the US racial state

## **Peninsula Campaign Of 1862 Yorktown To The Seven Days Book Review: Unveiling the Power of Words**
