Caucasus mountains a wild storm was gathering Drear shadows drooped and thickened above the Pass of Dariel that terrific gorge which like a mere thread seems to hang between the toppling frost bound heights above and the black abysmal depths below clouds fringed ominously with lurid green and white drifted heavily yet swiftly across the jagged peaks where looming largely out of the mist the snow capped crest of Mount Kazbek rose coldly white against the darkness of the threatening sky Night was approaching though away to the west a road gash of crimson a seeming wound in the breast of heaven showed where the sun had set an hour since Now and again the rising wind moaned sobbingly through the tall and spectral pines that with knotted roots fast clenched in the reluctant earth clung tenaciously to their stony vantageground and mingling with its wailing murmur there came a distant hoarse roaring as of tumbling torrents while at far off intervals could be heard the sweeping thud of an avalanche slipping from point to point on its disastrous downward way Through the wreathing vapors the steep bare sides of the near mountains were pallidly visible their icy pinnacles like uplifted daggers piercing with sharp glitter the density of the low hanging haze from which large drops of moisture began presently to ooze rather than fall Gradually the wind increased and soon with sudden fierce gusts shook the pine trees into shuddering anxiety the red slit in the sky closed and a gleam of forked lightning leaped athwart the driving darkness An appalling crash of thunder followed almost instantaneously its deep boom vibrating in sullenly grand echoes on all sides of the Pass and then with a swirling hissing rush of rain the unbound hurricane burst forth alive and furious On on splitting huge boughs and flinging them aside like straws swelling the rivers into riotous floods that swept hither and thither carrying with them masses of rock and stone and tons of loosened snow on on with pitiless force and destructive haste the tempest rolled thundered and shrieked its way through Dariel As the night darkened and the clamor of the conflicting elements grew more sustained and violent a sudden sweet sound floated softly through the turbulent air the slow measured tolling of a bell To and fro to and fro the silvery chime swung with mild distinctness it was the vesper bell ringing in the Monastery of Lars far up among the crags crowning the ravine There the wind roared and blustered its loudest it whirled round and round the quaint castellated building battering the gates and moving their heavy iron hinges to a most dolorous groaning it flung rattling hailstones at the narrow windows and raged and howled at every corner and through every crevice while snaky twists of lightning played threateningly over the tall iron Cross that surmounted the roof as though bent on striking it down and splitting open the firm old walls it guarded All was war and tumult without but within a tranquil peace prevailed enhanced by the grave murmur of organ music men s voices mingling together in mellow unison chanted the Magnificat and the uplifted steady harmony of the grand old anthem rose triumphantly above the noise of the storm The monks who inhabited this mountain eyrie once a fortress now a religious refuge were assembled in their little chapel a sort of grotto roughly hewn out of the natural rock Fifteen in number they stood in rows of three abreast their white woollen robes touching the ground their white cowls thrown back and their dark faces and flashing eyes turned devoutly toward the altar whereon blazed in strange and solitary brilliancy a Cross of

Fire At the first glance it was easy to see that they were a peculiar Community devoted to some peculiar form of worship for their costume was totally different in character and detail from any such as are worn by the various religious fraternities of the Greek Roman or Armenian faith and one especial feature of their outward appearance served as a distinctly marked sign of their severance from all known monastic orders this was the absence of the disfiguring tonsure They were all fine looking men seemingly in the prime of life and they intoned the Magnificat not drowsily or droningly but with a rich tunefulness and warmth of utterance that stirred to a faint surprise and contempt the jaded spirit of one reluctant listener present among them This was a stranger who had arrived that evening at the monastery and who intended remaining there for the night a man of distinguished and somewhat haughty bearing with a dark sorrowful poetic face chiefly remarkable for its mingled expression of dreamy ardor and cold scorn an expression such as the unknown sculptor of Hadrian s era caught and fixed in the marble of his ivy crowned Bacchus Antinous whose half sweet half cruel smile suggests a perpetual doubt of all things and all men He was clad in the rough and ready garb of the travelling Englishman and his athletic figure in its plain cut modern attire looked curiously out of place in that mysterious grotto which with its rocky walls and flaming symbol of salvation seem suited only to the picturesque prophet like forms of the white gowned brethren whom he now surveyed as he stood behind their ranks with a gleam of something like mockery in his proud weary eyes *English Synonymes explained ...*

*Sixth edition, carefully revised, and greatly improved* George Crabb,1837 **Jesus Monotheism** Crispin

Fletcher-Louis,2015-07-29 This is the first of a four volume groundbreaking study of Christological origins The fruit of twenty years research Jesus Monotheism lays out a new paradigm that goes beyond the now widely held view that Paul and others held to an unprecedented Christological monotheism There was already in Second Temple Judaism and in the Bible a kind of christological monotheism But it is first with Jesus and his followers that a human figure is included in the identity of the one God as a fully divine person Volume 1 lays out the arguments of an emerging consensus championed by Larry Hurtado and Richard Bauckham that from its Jewish beginnings the Christian community had a high Christology and worshipped Jesus as a divine figure New data is adduced to support that case But there are weaknesses in the emerging consensus For example it underplays the incarnation and does not convincingly explain what caused the earliest Christology The recent study of Adam traditions the findings of Enoch literature specialists and of those who have explored a Jewish and Christian debt to Greco Roman Ruler Cult traditions all point towards a fresh approach to both the origins and shape of the earliest divine Christology Record of Christian Work Alexander McConnell,William Revell Moody,Arthur Percy Fitt,1908 Includes music

**Luminescence, Volume 1** C. K. Barrett,Fred Barrett,2017-04-25 What is found in this series unveils an entirely different side of C K Barrett a side one might never have known about if one had knowledge only of his famous commentaries and monographs Herein lies a goodly selection of Kingsley s sermons preached largely in small and medium sized Methodist churches in the northeast of England though often elsewhere in England and around the world Fred Barrett was not the

scholar his son was but on close inspection one can most definitely see the impact of the father on the son when it came to preaching It seems right to include as many sermons from both of these men as we can in this series One thing sorely lacking in much preaching these days is in depth engagement with both the biblical text and one's tradition and theology The sermons in these volumes demonstrate what such preaching can look like This first volume presents 100 sermons on the Gospels and Acts

**The Seduction Narrative in Britain, 1747-1800** Katherine Binhammer, 2009-09-24 Eighteenth century literature displays a fascination with the seduction of a virtuous young heroine most famously illustrated by Samuel Richardson's *Clarissa* and repeated in 1790s radical women's novels in the many memoirs by fictional or real penitent prostitutes and in street print Across fiction ballads essays and miscellanies stories were told of women's mistaken belief in their lovers' vows In this book Katherine Binhammer surveys seduction narratives from the late eighteenth century within the context of the new ideal of marriage for love and shows how these tales tell varying stories of women's emotional and sexual lives Drawing on new historicism feminism and narrative theory Binhammer argues that the seduction narrative allowed writers to explore different fates for the heroine than the domesticity that became the dominant form in later literature This study will appeal to scholars of eighteenth century literature social and cultural history and women's and gender studies
