*The Battling Pilot* L. Ron Hubbard, 2012-06-21 Pilot Pete England used to think there was nothing more exciting in the world than flying off into the wild blue yonder But lately the blue yonder hasn't been wild at all it's been downright dull Pete's like a jaded Clark Gable who's hungry for adventure and he's about to get his fill Pete has fallen into a rut flying the same route New York to D C with the same passengers day after day after day He might as well be driving a bus until her highness climbs aboard Apparently a princess she's the Carole Lombard to Pete's Clark Gable and for one flight she's bought up every ticket on the plane Once Pete gets her into the air the action heats up fast He learns that the lady is at the center of some international intrigue that could turn the tide of war and now a mysterious plane is on their tail bent on shooting them out of the sky But that's the least of Pete's concerns There's more to this princess than meets the eye and falling in love with her could turn out to be the greatest flight risk of all As a barnstorming pilot in the early days of aviation Hubbard was dubbed Flash Hubbard by the aviation magazines of the day Expanding his knowledge even more he visited Boeing in Seattle where the president and chief engineer gave him an inside look at their test pilot program His unique and pioneering insight of flight streaks across the page in novels like *The Battling Pilot* *Calendar of Business* United States.
