Penny For A Song A Comedy By Whiting John:

JOHN WHITING:: THE AGONY OF THE ABSURD Dr. Apeksha ,2021-01-15 This book is a complete and comprehensive projection of John Whiting as an absurdist playwright It is a round and unvarnished story of a prodigious playwright who within a short span of his life did much to outshine his contemporaries His journey was not limited to stage and theatre He also wrote for the films television and even radio The journey began with The Conditions of Agreement in 1946 and ended with The Devils in 1961 In between he wrote many landmark plays through which one can trace the evolutionary trajectory of a legend in the making who was a confluence of mind and mystery love and revenge sentimentality and blood lust His plays are replete with sin and sleaze callousness and collusion This was because in Whiting one also comes across the diminution of norms owing to ethical elasticity and dispensability of principles In his plays the pathology of power is matched by the ethos of human failings as is exemplified by the rise and fall of Grandier in The Devils Here the banality of power fails to keep distance between pretense and principles Bereft of the romance of renewal and predictability many of his plays end up on disjointed note in the best tradition of the theatre of the absurd The playwright s obsession with pre mediated violence creates a disconnect between storyline and characterization In practically every plays of Whiting creates a heady cocktail of fear violence loathing and paranoia and yet they make for a compelling reading This book is a summary of my findings regarding John Whiting with terse comments on his qualities as an absurdist playwright It has been my endeavor to assess him both as a literary figure and a playwright wedded to the absurdist tradition **Peter Brook** Albert

Hunt,Geoffrey Reeves,1995-09-28 This fascinating study chronicles Peter Brook s development concluding with some of his most recent and innovative work **A PENNY FOR A SONG : A COMEDY** John Whiting,1966 **The Methuen Drama**

Dictionary of the Theatre Jonathan Law,2013-10-28 The Methuen Drama Dictionary of the Theatre is an essential reference tool and companion for anyone interested in the theatre and theatre going Containing over 2500 entries it covers the international spectrum of theatre with particular emphasis on the UK and USA With biographical information on playwrights actors and directors entries on theatres and theatre companies explanation of technical terms and theatrical genres and synopses of major plays this is an authoritative trustworthy and comprehensive compendium Included are synopses of 500 major plays biographical entries on hundreds of playwrights actors directors and producers definitions of nearly 200 genres and movements entries on over 100 key characters from plays information about more than 250 theatres and companies Unlike similar products The Methuen Drama Dictionary of the Theatre avoids a dry technical approach with its sprinkling of anecdotal asides and fascinating trivia such as how Michael Gambon gave his name to a corner of a racing track following an incident on BBC s Top Gear programme and under advice to actors the sage words of Alec Guinness First wipe your nose and check your flies and the equally wise guidance from the master of his art No l Coward Just know your lines and don t bump into the furniture As a companion to everything from the main stage to the fringes of theatrical fact and
