Philanthropy and the Philanthropy Sector Theo N.M. Schuyt, 2017-03-02 Offering an introduction to modern philanthropy with regard to the commitment and willingness of citizens funds churches and businesses to contribute voluntarily to society Philanthropy and the Philanthropy Sector An Introduction attempts to map philanthropy and promote a better understanding of its characteristics and features After years of division in welfare state debates between the role and responsibilities of government and the market a renewed focus on philanthropy has shown that many societies also harbour an important and growing voluntary sector Something special is happening at the macro societal level as the traditional government market dyad is being broken by a renewed interest in this third way Intended for students scientists administrators policymakers politicians fundraisers philanthropists and philanthropic organizations this book adopts a social policy approach to look at philanthropy alongside other social arrangements and provide an invaluable introduction for all those interested in this fascinating social mechanism

Philanthropology, the Science of

Philanthropy Theo Schuyt, 2024-09-03 This book sheds a positive light on the prevalence of love for humankind in the form of philanthropy All around our globe people rich and poor urban and rural religious and non religious in advanced and developing societies alike perform acts of philanthropy organizationally embedded and guided by philanthropic values and norms This book therefore attempts to reach a truly international audience because philanthropy is not an exclusively Western phenomenon Besides the growing public interest across the world more and more academic disciplines are taking an interest in philanthropy each scrutinizing philanthropy from their own disciplinary perspective and with a particular focus As a result however the overall picture has rather faded into the background In line with cultural anthropologists the book presents philanthropy as a universal societal system differently arranged in each society that deserves a distinctive academic discipline the science of philanthropology
