PENTECOSTALISM AS
A CHRISTIAN MYSTICAL
TRADITION

Foreword by Thomas M. Wright

TOM SCHWANDA
Foreword by J. I. Packer

SOUL RECREATION
The Contemplative-Mystical Path of Puritanism

Pentecostal Piety

A. Corten

Pentecostal Piety:

Theological Hermeneutics in the Classical Pentecostal Tradition L. William Oliverio, 2012-08-01 In Theological Hermeneutics in the Classical Pentecostal Tradition L. William Oliverio Jr accounts for the development of Classical Pentecostal theological hermeneutics through four hermeneutical types and concludes with a philosophical basis for future Pentecostal theological hermeneutics within the contours of a hermeneutical realism

Pentecostalism: A Guide for the Perplexed Wolfgang Vondey, 2012-12-18 Pentecostalism is the fastest growing religious movement of our time The unexpected birth of the modern day Pentecostal movement at the doorsteps of the twentieth century is as perplexing as its continuing existence and unprecedented expansion worldwide Once marginalized from public discourse Pentecostals have entered into mainstream culture religion politics academia and social action However the unprecedented growth of Pentecostalism in all its diversity has led to characterizations ripe with platitudes stereotypes and misrepresentations This Guide for the Perplexed sheds light on the most persistent contrasts characterizing the Pentecostal movement the tension between local manifestations and global Pentecostalism the inconsistency between spiritual discernment and charismatic excess the gap between rampant denominationalism and the pursuit of Christian unity the disparity between poverty among many Pentecostals and the popularity of the prosperity gospel the division between Oneness Pentecostals and their trinitarian counterparts and the worldview of Pentecostals beyond the confines of a religious movement Those tensions form the essence of global Pentecostalism and represent the emergence of a global Christian world

Pentecostalism in Brazil A. Corten, 1999-06-23 With its exalted emotionality Pentecostalism is a widespread religious movement in Latin America and Africa It is a blend of Methodism and African religious culture which arouses the passions of the poorest Brazilian masses Pentecostal conversion is experienced as a sudden break which radically transforms the life of these sectors of the population Pentecostalism is an Utopia of equality love and emotion which is staged during the worship service However it is also characterized by authoritarian features Pentecostalism is slowly eroding the foundation of Western political categories

An Introduction to Pentecostalism Allan Anderson, 2004-05-13 Global Pentecostalism and Charismatic Christianity in all its diversity is the fastest expanding religious movement in the world today Allan Anderson a former Pentecostal minister and a leading authority on global Pentecostalism aims to make more visible the non western nature of Pentecostalism without overlooking the importance of the movement emanating from North America Offering an innovative interpretation of Pentecostalism he takes seriously the contributions of the Majority World to its development and concentrating on its history and theology reflects on the movement's development and significance throughout the world Anderson also examines those theological issues that helped form a distinctive spirituality and how this relates to different peoples and their cultures Finally Anderson discusses the development of Pentecostal and Charismatic Christianity in the different countries from its origins at the beginning of the twentieth century to its theological emphases in the present together with the impact of the

processes of globalization **Pentecostal movement and charismatization** Evangelische Kirche in Deutschland (EKD),2022-05-24 In many countries Pentecostal churches are the fastest growing Christian group About one quarter of Christians around the world belong to a Pentecostal or charismatic church The denominational landscape is thereby changing also increasingly in Europe How can a constructive dialogue succeed which does not ignore critical aspects This is the guiding question of the orientation aid of the EKD chamber for worldwide ecumenism To facilitate dialogue it first introduces the history and typology of the Pentecostal movement and on the basis of case studies draws a broad panorama of its cultural forms A focus of the volume is on the discussion of fundamental theological questions that arise in conversation with Pentecostal churches **The Pentecostal Takeover** Lee Stanford,2005 The Pentecostal Takeover is the last book on Pentecostalism necessary to convince the Church of its decomposing effect on the body of Christ Finally a daring book with Biblical solutions Pentecostal Aesthetics Steven Felix,2015-02-04 Pentecostals have not sufficiently worked out a distinctively Pentecostal philosophy of art and aesthetics In Pentecostal Aesthetics Theological Reflections in a Pentecostal Philosophy of Art and Aesthetics with a foreword by Amos Yong Steven Felix J ger corrects this by reflecting theologically on art and aesthetics from a global Pentecostal perspective particularly through a pneumatic Pentecostal lens Felix J ger contends that a Pentecostal philosophy of art and aesthetics must comply with the global experiential and pneumatocentric nature of the Pentecostal movement Such a philosophy can be ontologically grounded in a relativistic theory of art Theological reflections concerning the nature and purpose of art must then be sensitive to the ontological foundations secured thereof In this fashion Pentecostals can gain ample insight about the Spirit's work in today's contemporary artworld

An Introduction to Pentecostalism Allan Heaton Anderson,2013-10-24 Pentecostalism has become the fastest growing Christian movement particularly outside Europe and Allan Heaton Anderson is one of the foremost scholars of this phenomenon His innovative interpretation of Pentecostalism focuses on the serious contribution made by both western and Majority World participants in its development In this second edition of his leading introductory course book Anderson presents an updated global history of the movement which addresses significant events and changes in recent years and surveys important theoretical issues such as gender and society as well as politics and economics The book also offers a comprehensive explanation of the significance of Charismatic Christianity throughout the world plus its effect upon the globalisation of religion and its transformation in the present century This new edition will be an important resource for those studying Pentecostalism Charismatic Christianity theology and sociology of religion **The New International Dictionary of Pentecostal and Charismatic Movements** Stanley M. Burgess,Eduard M. van der Maas,2010-08-03 The Definitive History of the Spirit Filled Church Encyclopedic coverage of Activities of the Spirit over 2 000 years of church history in 60 countries and regions Outpourings at Topeka Mukti Mission India Azusa Street Duquesne University and many other 20th century locations Current movements among today's 500 million plus Pentecostal and charismatic Christians

worldwide The New International Dictionary of Pentecostal and Charismatic Movements sets modern Spirit filled Christianity in a context that spans two millennia and the entire Christian world Like no other resource this volume reveals in detail the full sweeping legacy of Spirit empowered movements that have touched hearts and lives both in modern America and across the centuries and continents in medieval Europe Finland in the 1700s South India in the 1800s Azusa Street at the turn of the 20th century and much more including ongoing moves of the Holy Spirit throughout the world today One thousand entries provide the most extensive information available on Pentecostal charismatic and neocharismatic movements The diverse topics covered include as a small sample glossolalia black and Hispanic Pentecostalism prophecy the role of women faith healing music sociology missions church growth and different historic and contemporary revivals With its unique international and historical perspective this completely revised and expanded second edition of the acclaimed Dictionary of Pentecostal and Charismatic Movements offers features that no other reference of its kind approaches Its extraordinary scope and detailed up to date coverage make this the definitive resource on Pentecostal and charismatic denominations and movements both in North America and worldwide Includes Exhaustive coverage of Pentecostal and charismatic movements in 60 countries and regions individual histories cultural and theological aspects and key figures and institutions Statistical section with a wealth of current information on the growth of classical Pentecostalism as well as charismatic and neocharismatic movements 1 000 articles Over 500 photos and illustrations maps and timeline Cross references bibliographies and indexes to people places and topics

Pentecostal Currents in American Protestantism Edith Waldvogel Blumhofer, Russell P. Spittler, Grant A. Wacker, Grant Wacker, 1999 Pentecostal Currents in American Protestantism addresses the theme of encounter within the Protestant faith by exploring moments in which identities and boundaries have been established or challenged as the Pentecostal and charismatic movements have taken their place on the American religious scene Examining topics as diverse as the animosity that marked Pentecostalism's encounter with the Holiness movement the forms and results of engagement between Pentecostal missionaries and Protestant mission boards in China and the response of Southern and American Baptists to the charismatic renewal contributors show how the confluence of the mainstream with other streams brings about questioning realignment and change

The Story of Faith Missions Klaus Fiedler, 2011-07-20 Born of nineteenth century Evangelical Awakening and closely linked to Hudson Taylor and the China Inland Mission he founded in 1865 faith missions were unique in two key areas they were interdenominational and they held firmly to the faith principle of financial support The faith mission movement has lost none of its vitality and relevance as it continues to play an important evangelistic role in Africa and worldwide The result of more than a decade of research in Africa Europe and the United States and extensively supported by maps and charts this book is the most comprehensive study available on the faith mission movement in Africa Setting faith missions in the context of the many revival and missionary movements which have shaped Protestant church history the author describes their spiritual and practical evolution over 125 years and outlines the

challenges they face today **Interdenominational Faith Missions in Africa** Fiedler, Klaus,2018-03-13 It was not the European and American churches which evangelised Africa but the mission societies The missions from the Great Awakening such as the London Missionary Society and Church Missionary Society or the Holy Ghost Fathers and the White Fathers which started the process of Sub Saharan Africa becoming a Christian continent are well known and documented Less known and less documented are the interdenominational faith missions which began in 1873 with the aim of visiting the still unreached areas of Africa North Africa the Sudan Belt and the Congo Basin Missions such as the Africa Inland Mission or Sudan Interior Mission gave birth to some of the big churches like ECWA in Nigeria and Africa Inland Church in Kenya It is the aim of this book to describe faith missions and their theology and to present an overview of the early development of faith missions insofar as they touched Africa **Pentecostal Theology** Wolfgang Vondey,2017-07-13 Winner of the Pneuma Book Award 2018 from The Society for Pentecostal Studies Pentecostalism is the most rapidly growing branch of Christianity since the 20th century yet it does not lend itself well to a singular doctrine and there is therefore no single comprehensive account of Pentecostal theology worldwide In this volume Wolfgang Vondey suggests an account of Pentecostal theology that is genuine to Pentecostals worldwide while allowing for different adaptation and explication among the various Pentecostal groups He argues that Pentecostal theology is fundamentally concerned with the renewal of the Christian life identified by the transforming work of the Holy Spirit and directed toward the kingdom of God The book unfolds in two main parts illustrating the full gospel story and theology Eleven chapters identify the spiritual underpinnings and motivations for Pentecostal theology formulate a Pentecostal theology of action translate apply and exemplify Pentecostal practices and experiences and integrate Pentecostal theology in the wider Christian tradition **Pentecostal Public Theology** Simo Frestadius,Mark J. Cartledge,2024-07-11 This is the first academic work to focus explicitly on Pentecostal public theology in Europe Following a growing interest in understanding Pentecostal beliefs and practices with respect to the public sphere this book shifts the focus of Pentecostal engagement with politics society and culture from the Global South and North America to Europe This work also discusses themes such as Pentecostal public values identity nationalism poverty democracy education race and political engagement in the context of European Pentecostalism The book provides an historical overview by bringing together various European voices to discuss the current challenges and possible trajectories for Pentecostal public theology in a constructive fashion With contributions from leading and emerging European Pentecostal and Charismatic scholars this book is a must for scholars interested in understanding Pentecostal beliefs and practices in the public sphere in a European context [The Struggle over Black Lives Matter and All Lives Matter](#) Amanda Nell Edgar,Andre E. Johnson,2020-07-07 In [The Struggle over Black Lives Matter and All Lives Matter](#) Amanda Nell Edgar and Andre E Johnson examine the surprisingly complex relationship between Black Lives Matter and All Lives Matter as it unfolds on social media and in offline interpersonal relationships Exploring cultural influences like family history fear religion postracialism and

workplace pressure Edgar and Johnson trace the meanings of these movements from the perspectives of ordinary participants The Struggle over Black Lives Matter and All Lives Matter highlights the motivations for investing in social movements and countermovements to show how history both remembered and misremembered bubbles beneath the surface of online social justice campaigns Through participation in these contemporary movements online social media users enact continuations of American history through a lens of their own past experiences This book ties together online and offline national and local and personal and political to understand one of the defining social justice struggles of our time

Pentecostal Spirituality Steven Jack Land,1993-01-01 In this classic book leading Pentecostal scholar Steven J Land offers a constructive and controversial interpretation a re vision of the Pentecostal tradition As Pentecostalism approaches its centennial Land argues that the early years of the movement form the heart not the infancy of its spirituality and he emphasizes the crucial importance of its Wesleyan Holiness and nineteenth century revivalist restorationist roots Land s foundational study includes an account of the relationship of spirituality and theology a description and analysis of Pentecostal beliefs and practices a demonstration of how these beliefs and practices are integrated into Pentecostal affections a trinitarian definition of Pentecostal Spirituality arguing that a passion for the kingdom of God is ultimately a passion for God Himself

Women and Twentieth-century Protestantism Margaret Lamberts Bendroth, Virginia Lieson Brereton,2002 Contributors consider the emergence of Latina Pentecostal clergy in the United States and the success of the Women s Missionary Union of the Southern Baptist Convention in remaining independent of male dominated denominational structures Among other topics the authors discuss Chinese immigrant women who embraced the relative freedom offered by Protestant religion African American women who assumed religious authority through their historical writing and the struggles of women faith healers in defining their role amid medical and evangelical professionalism

Good Pastors, Bad Pastors Dela Quampah,2014-08-20 The emergence of Pentecostalism in Ghana has attracted a massive following and generated institutions that have significantly impacted Christian discourse and national life The movement has produced prominent leaders who have developed exemplary Christian education programs and generated volumes of Christian literature unprecedented in Ghanaian Christianity Nevertheless public opinion often upbraids church leaders for unethical conduct Despite the concern for high moral standards set by Pentecostal church polity and ministerial ethical codes reports of Pentecostal ministerial misconduct appear regularly in the media Although congregation members and perceptive public observers appreciate the constructive moral impact of Pentecostal ministers instances of promiscuity power abuse financial misappropriation and superstition reveal a gap between ethical ideals and practice As this research reveals factors behind unethical ministerial conduct include inadequate training poor accountability and a general low level of ethical reflection Good Pastors Bad Pastors suggests that a multidimensional approach of responsible reportage emphatic moral education appropriate but sympathetic response to moral failure and peer review accountability could help uphold a higher standard of

ministerial ethics Perspectives in Pentecostal Eschatologies Peter Althouse, Robby Waddell, 2012-03-29 This collection of essays from established scholars and rising stars offers fresh perspectives in eschatology for the Pentecostal and Charismatic movements The fresh readings of eschatology in this volume are valuable because they demonstrate that Pentecostals no longer need to look to others to interpret their theology for them but can stand as scholars and thinkers in their own right

The Spirit of Creation Amos Yong, 2011-05-17 Is a pentecostal charismatic worldview defensible in light of contemporary science In *The Spirit of Creation* Amos Yong demonstrates that pentecostal thought does indeed have merit in scientific contexts What's more he argues that pentecostal charismatic views regarding the dynamic presence and activity of the Spirit of God and the pluralistic cosmology of many spirits have something important to add to the broad discussion now taking place at the crossroads of science and religion Interacting with many scientific fields of study including psychology sociology evolutionary science cosmology and more Yong's *Spirit of Creation* demonstrates the significance of pentecostal ideas to the ongoing dialogue between theology and science

When somebody should go to the books stores, search establishment by shop, shelf by shelf, it is in point of fact problematic. This is why we give the ebook compilations in this website. It will completely ease you to see guide **Pentecostal Piety** as you such as.
