Sacra Pagina: 1 Peter, Jude and 2 Peter Donald P. Senior,Daniel J. Harrington,2016-03-16 Crisis in the church is not a new phenomenon In fact the church has always been and probably always will be involved in some kind of crisis Even in the apostolic period which is regarded by many as the church s golden age there were serious crises coming both from the outside as in 1 Peter and from the inside as in Jude and 2 Peter The three short New Testament letters treated in 1 Peter Jude and 2 Peter illustrate the problems early Christians faced as well as the rhetorical techniques and theological concepts with which they combated those problems In the first part of this volume Donald Senior views 1 Peter as written from Rome in Peter s name to several churches in northern Asia Minor present day Turkey in the latter part of the first century C E The new Christians addressed in 1 Peter found themselves aliens and exiles in the wider Greco Roman society and suffered a kind of social ostracism But they are given a marvelous theological Vision of who they have become through their baptism and pastoral encouragement to stand firm They are shown how to take a missionary stance toward the outside world by giving the witness of a holy and blameless life to offset the slander and ignorance of the non Christian majority and possibly even to lead them to glorify God on the day of judgment In the second part of this volume Daniel Harrington interprets Jude and 2 Peter as confronting crises in the late first century that were perpetrated by Christian teachers who are described polemically as intruders in Jude and as false teachers in 2 Peter In confronting the crises within their churches the authors appeal frequently to the Old Testament and to early summaries of Christian faith While Jude uses other Jewish traditions 2 Peter includes most of the text of Jude as well as many distinctively Greek terms and concepts It is clear that for the authors despite their different social settings what was at stake was the struggle for the faith Daniel J Harrington SJ is a professor of New Testament at Weston Jesuit School of Theology in Cambridge Massachusetts and general editor of New Testament Abstracts He is a past president of the Catholic Biblical Association of American and the editor of the Sacra Pagina series He also wrote The Gospel of Matthew in the Sacra Pagina series Donald Senior CP is a professor of New Testament studies and president of Catholic Theological Union in Chicago He

was recently appointed by Pope John Paul II to the Pontifical Biblical Commission General editor of The Bible Today he also co edited The Collegeville Pastoral Dictionary of the Bible and the 22 volume international commentary series New Testament Message and he wrote the four volume The Passion series published by The Liturgical Press *Jude and 2 Peter* Andrew M. Mbuvi,2015-10-26 While there are many commentaries written today most have been products of Euro American scholars who have sought to address questions and concerns of the western church The New Covenant Commentary Series NCCS has provided an opportunity for scholars from the non majority communities in Biblical Studies to engage fully with NT writings without bracketing their diverse backgrounds in the interpretive process Consequently in Andrew Mbuvi s interpretation of Jude and 2 Peter the author seeks to both be faithful in the first century Greco Roman world setting of the letters while also allowing aspects of his postcolonial African and liberation theology interests to inform his hermeneutics Mbuvi reads the epistles within the context of first century Greco Roman Associations since the communities of Jude and 2 Peter seem to share significant commonalities with these groups The Fusing Horizons sections address aspects of concern to the Church with inclination towards issues that have occupied the church outside of the western world the Global South home to the majority of Christians today Mbuvi s useful analysis shows that Jude s and 2 Peter s message remains as relevant today as when the letters were written **1 & 2 Peter** Dr. Matthew N.O. Davids, 2014-10-20 In this volume Peter Davids offers a comprehensive study of the General or Catholic Epistles of James 1 2 Peter and Jude which are often insufficiently covered in more general New Testament introductions theologies and surveys Before discussing a theology of each of the four letters Davids first deals with their common aspects their shared background in the Greco Roman world and a similar Christology view of the source of sin and

eschatology thus justifying their being treated together In the chapters that follow Davids embarks upon a theological reading of each letter informed by its social rhetorical understanding what they meant in the context of their original cultural settings including a survey of recent scholarship a discussion of relevant introductory issues a thematic commentary a treatment of important theological themes and a discussion of the place of the letter in the biblical canon and its contribution to New Testament theology The Biblical Theology of the New Testament BTNT series provides upper college and seminary level textbooks for students of New Testament theology interpretation and exegesis Pastors and discerning theology readers alike will also benefit from this series Written at the highest level of academic excellence by recognized experts in the field the BTNT series not only offers a comprehensive exploration of the theology of every book of the New Testament including introductory issues and major themes but also shows how each book relates to the broad picture of New Testament theology

James and Jude Dr Matthew O Sadiku,Matthew N. O. Sadiku,2013-04 Every serious student of the Bible desires to understand the text discover the biblical principles and apply the truths to his or her life This commentary is designed to help students pastors and Bible teachers understand James and Jude in a simple manner Working from the popular New International Version NIV the author provides helpful commentary on the text verse by verse This verse by verse commentary is different from others in two respects First it is brief while some commentaries are unnecessarily wordy and verbose Second it is Pentecostal in outlook This implies that we generally adhere to the doctrine of biblical inerrancy and adopt a literalist approach to the interpretation of the Bible James and Jude are letters from James and Jude respectively who are half brothers of our Lord Jesus The timeless truth that James presents is that believers must harmonize their faith and action Our faith must be demonstrated in all situations of life at home at work in church in the neighborhood Jude writes to warn believers about false teachers and their heresy He calls on believers to contend for the apostolic faith **Commentary on 1 & 2 Peter and Jude** Charles Spurgeon,2014-03-28 Baptist pastor Charles Haddon Spurgeon is remembered today as the Prince of Preachers But in addition to his sermons he regularly reading a Bible passage before his message and gave a verse by verse exposition rich in gospel insight and wisdom for the Christian life Sample 1 Peter 1 1 5 1 Peter 1 1 Peter an Apostle of Jesus Christ It must have been very pleasant to his heart to write those words not Peter who denied his Master Not Peter full of imperfections and infirmities the impetuous and changeable one of the twelve but Peter an Apostle of Jesus Christ as truly sent of God as any of the other Apostles and with as much of the Spirit of his Master resting upon him Peter an Apostle of Jesus Christ 1 2 To the strangers scattered throughout Pontus Galatia Cappadocia Asia and Bithynia elect according to the foreknowledge of God the Father You might go for fifty years to some places of worship and never hear the word elect ever mentioned Modern ministers seem to be ashamed of the grand old doctrine of election but it was not so with the Apostles and the early Christians They were accustomed to speak of one another as the elect of God The doctrine of election was most precious to their hearts and therefore Peter writes elect according to the foreknowledge of God the Father 2 Through

sanctification of the Spirit unto obedience and sprinkling of the blood of Jesus Christ grace unto you and peace be multiplied We not only need grace but we need much grace And also peace And we need a greatly increased measure of both those blessings Do not be satisfied dear brothers and sisters in Christ with the grace that you already have Be thankful for it but ask for the Divine multiplication of it regard the grace which you have already received as being like the boy's loaves and fishes and expect that Christ will continue to multiply it for you and for thousands of others round about you Grace unto you and peace be multiplied 3 5 Blessed be the God and Father of our Lord Jesus Christ which according to His abundant mercy has begotten us again unto a lively hope by the resurrection of Jesus Christ from the dead to an inheritance incorruptible and undefiled and that fades not away reserved in Heaven for you who are kept by the power of God through faith unto salvation ready to be revealed in the last time What a vast mass of meaning is packed away in these words Men's books even when they are good are like gold leaf a little precious metal is very thinly hammered out so as to cover a wide surface but almost every Word in the Bible seems to contain a whole mine of heavenly wealth Note Beloved what Peter says concerning your new birth you are begotten by the God and Father of our Lord Jesus Christ At your first birth you were born in sin But now you have been born again through grace by the almighty power of God Notice also unto what you are born unto a hope that is full of life a lively hope a hope of immortality a hope whose root is in the grave of Christ the empty grave from which He has risen and which is the assurance that because He has risen you also shall rise See further to what you have been born to an inheritance incorruptible and undefiled and that fades not away See also how that inheritance is entailed upon you for it is reserved in Heaven for you And see too how you are kept for it for you are kept by the power of God through faith unto salvation ready to be revealed in the last time *A Guide to Biblical Commentaries and Reference Works* John F.

Evans,2016-05-03 *A Guide to Biblical Commentaries and Reference Works* by John F Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible giving insightful comments on the approach of each commentary and its interpretive usefulness especially for evangelical interpreters of the Bible *A Guide to Biblical Commentaries and Reference Works* is essentially an annotated bibliography of hundreds of commentators More scholarly books receive a longer more detailed treatment than do lay commentaries and highly recommended commentaries have their author's names in bold The author keeps up on the publication of commentaries and intends to update this book every three to four years 1 Peter, 2 Peter, Jude Bruce B. Barton,1995 Beseiged on all sides the early church faced external and internal threats Followers of Christ could easily have been defeated or diverted A distinct minority in a pagan society they could have capitulated to their culture But challenged by God through these holy writers and strengthened by the Holy Spirit they stood fast even unto death Back cover **Reading Second Peter with New Eyes** Robert L. Webb,Duane F.

Watson,2010-04-08 The letters of James 1 and 2 Peter and Jude are among the most neglected letters of the NT Thus methodological advances in NT study tend to arise among the Gospels or Pauline letters But these letters are beginning to

receive increased attention in the scholarly community Reading Second Peter With New Eyes is the third of four volumes that incorporate research in this area The essays collected here examine the impact of recent methodological developments in New Testament studies to Second Peter including for example rhetorical social scientific socio rhetorical ideological and hermeneutical methods as they contribute to understanding this letter and its social context 1 Peter Donald Senior, Daniel J. O. Sadiku, 2013-07 Every serious student of the Bible desires to understand the text discover the biblical principles and apply the truths to his or her life This commentary is designed to help students pastors and Bible teachers understand 1 and 2 Peter in a simple manner Working from the popular New International Version NIV the author provides helpful commentary on the text verse by verse This verse by verse commentary is different from others in two respects First it is brief while some commentaries are unnecessarily wordy and verbose Second it is Pentecostal in outlook This implies that we generally adhere to the doctrine of biblical inerrancy and adopt a literalist approach to the interpretation of the Bible The major aim of this commentary is to expose readers to 1 and 2 Peter Life is tough and difficult in general Unfortunately many Christians have been taught that they should only experience joys of being God's saints In 1 Peter Peter writes primarily for the readers of the epistle to stand firm in the true grace of God in the face of persecution and suffering In 2 Peter Peter writes to warn Christians about false

teachers and to urge them to grow in the knowledge of our Lord Jesus Christ *A Study of Petrine Christology from Key Texts in 2 Peter* Kelly Adair Seely, 2021-10-19 Second Peter is full of christological language Scholars have often overlooked the christological richness as they have focused heavily on the issues of eschatology and authorship The uniqueness of the Son from the Father as well as the divinity of Jesus are at the forefront of the short epistle Further Ernst K semann famously criticized 2 Peter for being void of Christology and the cross and thus the gospel The author analyzes the Christology of 2 Peter particularly as it relates to the Petrine view of the divinity of Jesus and the distinctness and uniqueness of the Son from the Father This study examines the christological depth in these key areas as a response to critics like K semann K semann first looked into the eschatological arguments of 2 Peter and claimed he was not able to find any christological orientation The student of 2 Peter must not look through eschatology to see the rich Christology which fills the verses of the epistle However when the reader examines the christological language and themes within 2 Peter he she is faced with a beautiful portrayal of Jesus and the Father
