Twenge, 2023-04-25 A groundbreaking revelatory portrait of the six generations that currently live in the United States and how they connect conflict and compete with one another from the acclaimed author of Generation Me and iGen The United States is currently home to six generations of people the Silents born 1925 1945 Baby Boomers born 1946 1964 Gen X born 1965 1979 Millennials born 1980 1994 Gen Z born 1995 2012 and the still to be named cohorts born after 2012 They have had vastly different life experiences and thus one assumes they must have vastly diverging beliefs and behaviors But what are those differences what causes them and how deep do they actually run Professor of psychology and reigning expert on generational change Lisa Wade PhD author of American Hookup Jean Twenge does a deep

dive into a treasure trove of long running government funded surveys and databases to answer these questions Are we truly defined by major historical events such as the Great Depression for the Silents and September 11 for Millennials Or as Twenge argues is it the rapid evolution of technology that differentiates the generations With her clear eyed and insightful voice Twenge explores what the Silents and Boomers want out of the rest of their lives how Gen X ers are facing middle age the ideals of Millennials as parents and in the workplace and how Gen Z has been changed by COVID among other fascinating topics Surprising engaging and informative Generations will forever change the way you view your parents peers coworkers and children no matter which generation you call your own

**70s House** Estelle Bilson, 2023-03-30 I loved the 70s and that's both the 1970s and the 1970s There's obviously always something about a decade that starts with a seven that means the design dial is turned to 11 colours get bolder shapes get badder and style flies its freak flag So thank goodness resplendent 70s temptress Estelle Bilson has committed pen to paper so that the world can enjoy her take on the era of soft squares teak shag and Artex Laurence Llewelyn Bowen Estelle Bilson gives people the courage to use her products without fear she is brilliant I think she is the most important creative look since Conran Barbara Hulanicki OBE From disco and glam to space age and psychedelic there's no denying the huge impact the 70s had on style and design But how do you bring the era's maximalism to your interior without it looking like a cluttered junk shop or a period pastiche Estelle Bilson aka 70shousemanchester transformed her unremarkable 3 bedroom terraced home into a 70s wonderland using a thrifty eye and vintage know how In her first book she shows you how to bring the same creative magic to your home with her expert advice tips and tricks on choosing colour pattern shapes and materials whether you're after a few nods to the era or the full 70s fantasy 70s House is the definitive guide to the most daring decade in design covering everything from shag carpets and supergraphics to Hornsea ceramics and G Plan furniture The book is split into three sections 70s influences what shaped the era How to bring the 70s to your interior design and At home with 70s House Manchester And of course it wouldn't be the 70s without a good old fashioned shindig Estelle also reveals her secrets to throwing the grooviest get together complete with vintage recipes and record selections to match Part interiors guide part manual for living this loud and proud book will bring not only 70s colour and kitsch to the modern day but also the rebellious spirit pure joy and freewheeling energy epitomised by the era Because the 70s is so much more than the decade that taste forgot

**Rehabilitation of Older People** Amanda J. Squires,2013-11-11 Attitudes to rehabilitation of older people particularly in departments specializing in care of the elderly have become increasingly positive in recent years A growing number of professionals see the speciality as a necessary career experience and this needs encouragement if the professions are to be prepared for the increasingnumber of older people who will require help from their members The purpose of this book is to bring together the skills and experience of experts in several fields of rehabilitation to provide a primer for those needing the knowledge of how to manage the olderperson in whatever environment or speciality they present Readers will be able to enhance their own knowledge already gained in a variety of fields and play an immediate part in the team The information will also be of value to interested carers agencies contributing to the widened provision of ser vice to older people and their purchasers The continuing transformation of healthcare delivery world wide resulting from changing user and provider

expectations and government policies is altering approaches to and delivery of rehabilitation services. These current and envisaged future changes are addressed by each discipline using the UK National Health Service as an example.

*The Invention of Martial Arts* Paul Bowman, 2020-12-17 Through popular movies starring Bruce Lee and songs like the disco hit Kung Fu Fighting, martial arts have found a central place in the Western cultural imagination. But what would martial arts be without the explosion of media texts and images that brought it to a wide audience in the late 1960s and early 1970s? In this examination of the media history of what we now call martial arts, author Paul Bowman makes the bold case that the phenomenon of martial arts is chiefly an invention of media representations. Rather than passively taking up a preexisting history of martial arts practices, some of which of course predated the martial arts boom in popular culture, media images and narratives actively constructed martial arts. Grounded in a historical survey of the British media history of martial arts such as Bartitsu, jujutsu, judo, karate, tai chi, and MMA across a range of media, this book thoroughly recasts our understanding of the history of martial arts. By interweaving theories of key thinkers on historiography such as Foucault and Hobsbawm and Said's ideas on Orientalism with analyses of both mainstream and marginal media texts, Bowman arrives at the surprising insight that media representations created martial arts rather than the other way around. In this way, he not only deepens our understanding of martial arts but also demonstrates the productive power of media discourses.

*Women in Popular Culture* Laura L. Finley, 2023-03-24 Winner 2024 RUSA Outstanding Reference Award. Including more than 300 alphabetically listed entries, this 2-volume set presents a timely and detailed overview of some of the most significant contributions women have made to American popular culture from the silent film era to the present day. The lives and accomplishments of women from various aspects of popular culture are examined, including women from film, television, music, fashion, and literature. In addition to profiles, the encyclopedia also includes chapters that provide a historical review of gender, domesticity, marriage, work, and inclusivity in popular culture, as well as a chronology of key achievements. This reference work is an ideal introduction to the roles women have played both in the spotlight and behind it throughout the history of popular culture in America. From the stars of Hollywood's Golden Age to the chart toppers of the 2020s, author Laura L. Finley documents how attitudes towards these icons have evolved and how their influence has shifted throughout time. The entries and essays also address such timely topics as feminism, the MeToo movement, and the gender pay gap.

**Therapy Over 50** Jeffrey A. Kottler, Jon Carlson, 2016 *Therapy Over 50* discusses how psychotherapy is different for both the therapist and client after the age of fifty. The text deals with the inevitable and unrelenting changes that take place along with the corresponding lost dreams. It provides both hope and help for those elderly therapists and their clients.
