Bloodline for the Messiah A. M. Deigloriam, 2019-09-19 This book provides a detailed analysis of the Messiah's bloodline that reveals many important concepts related to the human condition of mankind The analysis expands our understanding of the scope of God's love for all of mankind The bloodline includes God's patriarchs many godly kings many women who were gentiles and men who were evil The Messiah's bloodline reflects a cross section of mankind and fulfills Old Testament prophecies The bloodline is the introduction to God's only Son Jesus and his life death and resurrection God loves and communes with his creation on a daily basis The only possible way for God to continue his relationship with man beyond death was to send his only Son to act as an escape for the penalty of sin At no time has the bloodline of the Messiah been more important than now The worship of idols and the new paganism of today are very dangerous and extremely contagious to all of mankind 1 Peter 2:9 reads But ye are a chosen generation a royal priesthood a holy nation a peculiar people that ye should show forth the praises of him who hath called you out of darkness into his marvelous light
