Peoples of the River Valleys Amy C. Schutt, 2013-03-01 Seventeenth century Indians from the Delaware and lower Hudson valleys organized their lives around small scale groupings of kin and communities Living through epidemics warfare economic change and physical dispossession survivors from these peoples came together in new locations especially the eighteenth century Susquehanna and Ohio River valleys In the process they did not abandon kin and community orientations

but they increasingly defined a role for themselves as Delaware Indians in early American society Peoples of the River Valleys offers a fresh interpretation of the history of the Delaware or Lenape Indians in the context of events in the mid Atlantic region and the Ohio Valley It focuses on a broad and significant period 1609 1783 including the years of Dutch Swedish and English colonization and the American Revolution An epilogue takes the Delawares story into the mid nineteenth century Amy C Schutt examines important themes in Native American history mediation and alliance formation and shows their crucial role in the development of the Delawares as a people She goes beyond familiar questions about Indian European relations and examines how Indian Indian associations were a major factor in the history of the Delawares Drawing extensively upon primary sources including treaty minutes deeds and Moravian mission records Schutt reveals that Delawares approached alliances as a tool for survival at a time when Euro Americans were encroaching on Native lands As relations with colonists were frequently troubled Delawares often turned instead to form alliances with other Delawares and non Delaware Indians with whom they shared territories and resources In vivid detail Peoples of the River Valleys shows the link between the Delawares approaches to land and the relationships they constructed on the land **What I Found in a**

Thousand Towns Dar Williams,2017-09-05 A beloved folk singer presents an impassioned account of the fall and rise of the small American towns she cherishes Dubbed by the New Yorker as one of America s very best singer songwriters Dar Williams has made her career not in stadiums but touring America s small towns She has played their venues composed in their coffee shops and drunk in their bars She has seen these communities struggle but also seen them thrive in the face of postindustrial identity crises Here in an account that reads as if Pete Seeger and Jane Jacobs teamed up New York Times Williams muses on why some towns flourish while others fail examining elements from the significance of history and nature to the uniting power of public spaces and food Drawing on her own travels and the work of urban theorists Williams offers real solutions to rebuild declining communities What I Found in a Thousand Towns is more than a love letter to America s small towns it s a deeply personal and hopeful message about the potential of America s lively and resilient communities

The Yankee Road James D. McNiven,2015 An Immigrant's Son Ralph Calabrese,2020-02-14 Immigrant s Son By Ralph Calabrese An Immigrant s Son tells the story of an immigrant who taught his son about pride and patriotism The son due to the examples set by the father fostered a love for God and country The father was very proud when his sons entered the military He told them This is your country If you don t love it and fight for it do not expect anyone else to Calabrese s father loved this country so much he inspired Calabrese to write the following poem My Hero My Dad Came from across the sea From a country in Europe called Italy He came to America where he could be free And raise a family with many opportunities So lift your glass and give a toast To a great America my hero my dad *New York State: Peoples, Places, and Priorities* Joanne Reitano,2024-04-30 Now in its second edition New York State Peoples Places and Priorities is an accessibly written book that explores the ever shifting dynamics of New York State history in a single volume The text is organized both

Zombie History Peter Charles Hoffer, 2020-01-02 Fake history is not a harmless mistake of fact or interpretation It is a mistake that conceals prejudice a mistake that discriminates against certain kinds of people a mistake held despite a preponderance of evidence a mistake that harms us Fake history is like the Zombies we see in mass media for the fake fact like the fictional Zombie lives by turning real events and people into monstrous perversions of fact and interpretation Its pervasiveness reveals that prejudice remains its chief appeal to those who believe it Its effect is insidious because we cannot or will not destroy those mischievous lies Zombie history is almost impossible to kill Some Zombie history was and is political a genre of what Hannah Arendt called organizational lying about the past Its makers designed the Zombie to create a basis in the false past for particular discriminatory policies Other history Zombies are cultural They encapsulate and empower prejudice and stereotyping Still other popular history Zombies do not look disfigured but like Zombies walk among us without our realizing how devastating their impact can be Zombie History argues that whatever their purpose whatever the venue in which they appear history Zombies undermine the very foundations of disinterested study of the past

The Hydropolitics of Africa Raj Bardouille, Mechthild Nagel, Muna Ndulo, 2008-12-11 Water is both an essential resource and a source of disease and conflict in contemporary Africa And we begin to learn that far distant processes of consumption and pollution can have their impact on the water systems of Africa global warming produced by the material culture of the first world threatens the weather systems and very survival of developing countries In this context this volume the product of an expert meeting at Cornell University s Institute for African Development traces and tracks the dynamics of the contemporary hydropolitics of Africa The volume contains a variety of approaches to the study of the organisation of water within Africa ranging from technical essays on water borne diseases through institutional analyses of the legal and political arrangements around the distribution of water to social policy analyses of the unmet demand for water amongst Africa s poor Taken as a whole the volume provides the reader with a useful reference work on the contemporary hydropolitics of Africa whilst simultaneously providing a lively introduction to a critical and much neglected area of African development policy
