People Of The Moses The Leader:

The One Year Bible for Children Gilbert Beers, 2001 This new devotion in The One Year line combines beautiful full color illustrations with skilled writing for children and families One or two days a week the book of Psalms is studied with a reading and question A discussion section helps kids recall factual information learn how the lesson applies to their lives and learn how it relates to today God with Us Christoph Barth, 1991-04-30 This is a print on demand book and is therefore non returnable God s dynamic initiative is the main theme of biblical testimony says Christoph Barth Here he expounds the message of the Old Testament in a manner that is faithful to the Old Testament itself as an account of the mighty acts of God rather than a series of abstract doctrines A theology of the Old Testament is not simply a study of God however Old Testament theology also encompasses teaching about the world and humanity about life and death about origin nature and destiny And Old Testament theology must also take into account the New Testament which confirms what is announced in Israel s Scripture and thus is part of it Barth elucidates the importance of the Old Testament for the New Testament and hence for Christians surveys God s redemptive acts as recorded in the confessional summaries of history in the Old and New Testaments and offers contemporary applications of these biblical themes Working his way through the Old Testament Barth treats nine key topics each of which deals with one of the divine acts that are the essential subject matter of Israel s Scripture creation election of the patriarchs exodus wilderness wandering Sinai revelation gift of Canaan election of David kingship election of Jerusalem and sending of prophets He has divided each of the nine chapters into sections on one main aspect of the topic considering theological anthropological soteriological and eschatological points as well Throughout his examination of each theme Barth pays special attention to its scriptural context God With Us is an excellent textbook for introductory or survey courses in the Old Testament each section begins with a thesis statement summarizing its contents and details are treated in small print sections Barth originally wrote his Old Testament theology in Indonesian and later rewrote the entire book in English Geoffrey Bromiley has condensed the original four volumes in this edition **Salvation** Thomas R. Levinas Faces Biblical Figures Yael Lin,2014-03-20 This collection of essays is an attempt to capture the drama of the encounter of the facing of Levinas and the biblical text It seeks to link Jewish experience and Levinasian themes such as responsibility substitution hospitality suffering and forgiveness and at the same time make the biblical text accessible in a new way The book offers new insights on the opening up of Levinas s thought and biblical stories to one another it considers the ways in which Levinas can open up the biblical text to questioning and how the biblical text can inform our reading of Levinas Setting up in dialogue the heteronomic texts the narrative texts of the bible and Levinas s philosophical texts allows an enforced and renewed understanding of both The examination of these issues is pursued from diverse perspectives and disciplines probing the role biblical figures play in Levinas s thought and the manner by which to approach them Do the biblical allusions serve in Levinas s thought merely as a rhetorical and literary device as illustrations of his ideas or perhaps they have a deeper philosophical meaning which contributes to his project in general Do the references to biblical figures work in Levinas s philosophy in a way that other literary figures are incapable of and how do these references comply with his conflicted attitude towards literature

Following Wisdom, Leading Wisely Jeff Roper,2024-02-21 If it is true that everything rises and falls on leadership we have a problem A recent international survey revealed that 86 percent of respondents believe we are facing a global leadership crisis The study encompassed leadership in business government the non profit sector and religion Non profit and business leaders ranked highest in terms of public confidence Government leaders ranked very low The only leaders to rank lower than government leaders were religious leaders This leadership crisis is not driven by an absence of leaders Leaders are everywhere yet we still have a leadership crisis Nor is this crisis caused by a lack of leadership training Who can keep up with the books seminars and training programs offering the latest trends and best thinking on leadership And yet we still have a leadership crisis While the world is looking for better leadership methods God is looking for better leaders leaders shaped by wisdom What use after all is getting things done or even servant leadership without wisdom In Proverbs we discover an ancient training regimen for leaders guiding them in the cultivation of virtuous character Following Wisdom Leading Wisely is an invitation to rediscover this ancient wisdom for today s leaders

The Preacher's Bible Handbook Jr., O. Wesley Allen,2019-09-09 When it comes to understanding a passage in the Bible context is everything What historical events surround a book s composition What larger literary unit is a given passage part of What central themes explored by the book touch on the verses in question If we don t know the answer to questions like these we are ill prepared to speak to and especially preach about a passage s meaning The Preacher s Bible Handbook aims to meet this need for extra help in preparing the sermon Essays on each of the biblical books introduce the most relevant historical literary and theological facts about the book Each is designed to aid the preacher in setting the stage for a sermon on any passage in the Bible **Proceedings of the Friends' General Conference** Society of Friends. Friends General Conference,1920 **Founding God's Nation** Leon R Kass,2021-01-05 In this long awaited follow up to his 2003 book on Genesis humanist scholar Leon Kass explores how Exodus raises and then answers the central political questions of what defines a nation and how a nation should govern itself Considered by some the most important book in the Hebrew Bible Exodus tells the story of the Jewish people from their enslavement in Egypt through their liberation under Moses s leadership to their covenantal founding at Sinai and the building of the Tabernacle In Kass s analysis these events begin the slow process of learning how to stop thinking like slaves and become an independent people The Israelites ultimately found their nation on three elements a shared narrative that instills empathy for the poor and the suffering the uplifting rule of a moral law and devotion to a higher common purpose These elements Kass argues remain the essential principles for any freedom loving nation today **Leading Missional Change** Paul J. Dunbar,Tony Blair,2013-04-02 It seems that nearly everyone is talking about missional change for congregations As a result many church leaders are attempting to drive that kind of change for the ministries they lead Some succeed But many others hit a wall of considerable frustration as they find that congregations resist the very change that is so needed The reasons for this resistance are many and they are explored in this volume What is required to move a church from resistance to readiness Some resistance is deeply rooted in spiritual patterns But there are other reasons as well and they center on trust personal trust in the leaders who offer missional change For this work the authors have done extensive primary and secondary research to identify patterns and behaviors that invite missional leadership More than that they ve lived this out in their own ministries as pastors of traditional congregations This book thus offers compelling first person stories and congregational case studies alongside more generalized findings Leading Missional Change was written to support pastors and other church leaders who experience resistance to share wisdom and experience that may lead to readiness and to give hope and encouragement toward a re energizing of your own congregation **The Preacher's monthly.
