People Places And Peabod A Collection Of Travel Stories:

People, Places and Peabod Robert Taylor, 2001 Each of us dreams of escaping the rhythms of our daily routines to experience bold new horizons and interesting people Beth Jacobsen had the same wanderlust spirit and she followed her dream by becoming a travel writer People Places Peabod is a delightful romp across the continent of Europe as we explore the sights and meet an eclectic group of individuals who became an integral part of her life amid the backdrop of some of the world's most popular travel destinations We tour the locales and discover the personalities that influenced a naive writer and transformed her into a veteran travel journalist We view the world through the eyes of a travel professional as she grows from wide eyed innocence to poised sophistication It's a lighthearted philosophical journey through the joys and sometimes the sorrows of the glamorous world of travel People Places Peabod is a delicious potpourri of fascinating characters and exciting destinations It's a collection of memories
