People Who Care An Illustrated History Of Human Compassion:

People who Care Heinz Vonhoff,1971 *The Galilean Wonderworker* Ian G. Wallis,2020-06-19 What are the origins of Jesus reputation for healings and exorcisms Few questions in Jesus studies are more hotly contested or elicit more diverse responses Adopting an interdisciplinary approach and in dialogue with recent scholarly literature *The Galilean Wonderworker* offers a compelling account Recognizing the reciprocal relationship between personal and communal well being within Israelite faith this study offers new insights into how sickness and healing were understood in first century Palestine This in turn supplies the backcloth for a fresh evaluation of the evidence for Jesus healings and exorcisms where the emphasis falls firmly upon the dynamics of personal encounter Jesus emerges as a spirit person capable of engendering faith and exercising authority to the extent that sufferers experienced liberation from debilitating symptoms and oppressive behaviors many of which reflected contemporary sociopolitical conditions Further by vesting theological significance in these outcomes they simultaneously constituted manifestations of God s sovereign presence signaling restoration of covenantal well being Acknowledging that Jesus expected his disciples to heal and exorcize the investigation concludes with an overview of how this legacy was embraced by the early church noting how exorcism becomes incorporated into Christian initiation while spiritual healing though continuing is eclipsed by pastoral care and conventional medical practice *Philanthropy in America* Dwight F. Burlingame,2004-08-19 A landmark three volume reference work documenting philanthropy and the nonprofit sector throughout American history edited by the field s most widely recognized authority Developed under the guidance of Dr Dwight Burlingame of the Indiana University Center on Philanthropy one of the nation s premier institutes for the study of philanthropy the three volume *Philanthropy in America A Comprehensive Historical Encyclopedia* is the definitive work on philanthropic charitable and nonprofit endeavors in the United States The first section of the encyclopedia contains over 200 A Z entries covering the lives of important philanthropists the missions and practices of key institutions and organizations and the impact of seminal events throughout the history of the nonprofit sector in America from precolonial times to the present Discussions of philanthropic traditions in ancient civilizations in Europe during colonial times and in countries around the world today provide fascinating contexts for understanding how the American philanthropic experience has developed The encyclopedia also includes a collection of primary source documents legislation foundation reports mission statements etc for convenient review and further research *Monthly Labor Review* ,1971 Publishes in depth articles on labor subjects current labor statistics information about current labor contracts and book reviews *The Publishers Weekly* ,1920 **Jesus as Healer** Harold Remus,1997-04-03 This 1997 book presents in readable non technical language the findings of scholarship on one important aspect of who Jesus was the many reports in the New Testament and other early Christian writings that Jesus performed healings The book paints a picture of the sick and sickness in Jesus world and the means available to deal with sickness It shows how Jesus as healer fits and doesn t fit

into that world We see him as one of the many healers of his day but set apart as a wounded healer who in his own death achieves the ultimate healing victory over death In addressing the question did Jesus really heal the author provides readers with resources from biblical scholarship medicine sociology and anthropology to help arrive at their own answers to the question The suggestions for further reading as well as the questions for discussion make this book ideal both for personal reading and for group study **The Nonprofit Organization** David L.
