

An aerial photograph of a wind farm situated in a mountainous, hilly landscape. The terrain is covered in green vegetation, and the hills are rugged. Several white wind turbines are visible, scattered across the landscape. A large, semi-transparent white rectangular box is overlaid in the center of the image, containing the text "RURAL ELECTRIC COOPERATIVES" in a bold, black, sans-serif font. The sky is a pale, hazy blue.

RURAL ELECTRIC COOPERATIVES

People Their Power The Rural Electric Fact:

People--their Power Erma Angevine,1980 **Rural Electric Fact Book** National Rural Electric Cooperative Association,1960 *The Ownership of Enterprise* Henry Hansmann,2009-07-01 The investor owned corporation is the conventional form for structuring large scale enterprise in market economies But it is not the only one Even in the United States noncapitalist firms play a vital role in many sectors Employee owned firms have long been prominent in the service professions law accounting investment banking medicine and are becoming increasingly important in other industries The buyout of United Airlines by its employees is the most conspicuous recent instance Farmer owned produce cooperatives dominate the market for most basic agricultural commodities Consumer owned utilities provide electricity to one out of eight households Key firms such as MasterCard Associated Press and Ace Hardware are service and supply cooperatives owned by local businesses Occupant owned condominiums and cooperatives are rapidly displacing investor owned rental housing Mutual companies owned by their policyholders sell half of all life insurance and one quarter of all property and liability insurance And nonprofit firms which have no owners at all account for 90 percent of all nongovernmental schools and colleges two thirds of all hospitals half of all day care centers and one quarter of all nursing homes Henry Hansmann explores the reasons for this diverse pattern of ownership He explains why different industries and different national economies exhibit different distributions of ownership forms The key to the success of a particular form he shows depends on the balance between the costs of contracting in the market and the costs of ownership And he examines how this balance is affected by history and by the legal and regulatory framework within which firms are organized With noncapitalist firms now playing an expanding role in the former socialist countries of Eastern Europe and Asia as well as in the developed market economies of the West *The Ownership of Enterprise* will be an important book for business people policymakers and scholars

Prairie Grass Roots Thomas J. Morain,2010-09-13 **The New Encyclopedia of Southern Culture** Melissa Walker,James C. Cobb,Charles Reagan Wilson,2014-02-01 Volume 11 of *The New Encyclopedia of Southern Culture* examines the economic culture of the South by pairing two categories that account for the ways many southerners have made their living In the antebellum period the wealth of southern whites came largely from agriculture that relied on the forced labor of enslaved blacks After Reconstruction the South became attractive to new industries lured by the region s ongoing commitment to low wage labor and management friendly economic policies Throughout the volume articles reflect the breadth and variety of southern life paying particular attention to the region s profound economic transformation in recent decades The agricultural section consists of 25 thematic entries that explore issues such as Native American agricultural practices plantations and sustainable agriculture Thirty eight shorter pieces cover key crops of the region from tobacco to Christmas trees as well as issues of historic and emerging interest from insects and insecticides to migrant labor The section on industry and commerce contains 13 thematic entries in which contributors address topics such as the economic impact of

military bases resistance to industrialization and black business Thirty six topical entries explore particular industries such as textiles timber automobiles and banking as well as individuals including Henry W Grady and Sam M Walton whose ideas and enterprises have helped shape the modern South Rural Electric Facts National Rural Electric Cooperative Association,1970 **Narratives and Spaces** David E. Nye,1997 Nye analyzes the transformation of the Grand Canyon and Niagara Falls into tourist sites the history of light shows at world s fairs the New Deal programs designed to provide electricity to rural areas and the Apollo 11 moon to reveal how the spaces we live in and the technology we use are integral to American identity and a key part of American self representation Nye also turns his attention to the Internet where technology has not simply transformed space but created a whole new kind of space and with it new stories Nye analyzes the transformation of the Grand Canyon and Niagara Falls into tourist sites the history of light shows at world s fairs the New Deal programs designed to provide electricity to rural areas the Apollo 11 moon landing and the new narratives of the Internet to reveal how the spaces we live in and the technology we use are integral to American identity and a key part of American self representation In examining the interaction of technology space and American narrative Nye argues against the idea that technology is an inevitable and insidious controller of our lives Congressional Record United States. Congress,1995 **Public Service Management** ,1921 Agricultural Engineering ,1923 Subject Guide to Books in Print ,1993 **Hearings, Reports and Prints of the Senate Committee on Foreign Relations** United States.
