Dancing on the Ceiling Stephen M. Silverman,2019-04-03 The first book to explore the life and extraordinary work of the legendary moviemaker who directed Singin in the Rain On the Town and Funny Face from the author of David Lean Silverman has captured one of the world s truly great filmmakers Billy Wilder Stanley Donen is the man who forever changed the Hollywood musical moving it away from the Busby Berkeley extravagance to a felt integration of the songs and dances He is also the man who helped shape the sophisticated romance exemplified by Indiscreet and Charade The author with Donen s cooperation has brilliantly revealed Donen s fifty year career first in the theater next in Hollywood and then abroad We see Donen s collaborations with Fred Astaire Cary Grant Gene Kelly and Frank Sinatra And we see his work with Rodgers and Hart Alan Lerner Comden and Green Roger Edens Arthur Freed Michael Kidd and Bob Fosse We watch Donen growing up in the South in the 1930s seeking refuge at movies watching Fred Astaire dance on the screen and forever changed by it And then at sixteen fleeing to New York where he lands his first job in the chorus of the groundbreaking musical Pal Joey directed by George Abbott starring Gene Kelly and appearing next in Best Foot Forward We follow Donen west to MGM first he was a chorus boy then assistant choreographer next embellishing Anchors Aweigh dreaming up the almost technically impossible notion of having its star Gene Kelly dance with a cartoon character Jerry the Mouse and in the next decade making one great musical after another We hear Donen s recollections of life and work on the

sets of Singin in the Rain Royal Wedding Funny Face Seven Brides for Seven Brothers On the Town The Pajama Game Indiscreet Charade Two for the Road Arabesque Bedazzled and other movies he directed We see him through the eyes of more than one hundred of his contemporaries whom in addition to Donen himself Silverman has interviewed at length from Kay Thompson and Billy Wilder to Deborah Kerr Audrey Hepburn Debbie Reynolds Gregory Peck and Cyd Charisse Dancing on the Ceiling gives close up a great director and a lost Hollywood on whose silver screen wit and charm abounded

Dance Your Way Home Emma Warren, 2023-03-14 This book is about the kind of ordinary dancing you and I might do in our kitchens when a favourite tune comes on It's more than a social history it's a set of interconnected histories of the overlooked places where dancing happens Why do we dance together What does dancing tell us about ourselves individually and collectively And what can it do for us Whether it be at home 80s club nights Irish dancehalls or reggae dances jungle raves or volunteer run spaces and youth centres Emma Warren has sought the answers to these questions her entire life Dancing doesn't just refract the music and culture within which it evolves it also generates new music and culture When we speak only of the music we lose part of the story the part that finds us dancing as children on the toes of adults the half that triggers communication across borders and languages the part that finds us worried that we'll never be able to dance again and the part that finds us wondering why we were ever nervous in the first place At the intersection of memoir social and cultural history *Dance Your Way Home* is an intimate foray onto the dancefloor wherever

and whenever it may be that speaks to the heart of what it is that makes us move *Motion Picture Story Magazine* ,1923
